On Monday evening, June 15, at the home of Mrs. June Mitchell, the Guide and Brown Mothers L.A. was held, with Vice Chairman Mrs. J. Mitchell in the chair. General business was dealt with. This being the last meeting before September, a social evening was planned for members and non-members who had assisted the L.A. as well as Guides and Brownies in some specific way during the year. Owing to the fact that some of these people were not able to attend, the L.A. and the leaders wish to take this opportunity to thank everyone who has made the going a little bit easier. A buffet lunch was planned and served by Mrs. E. Green and helpers. Plans for a picnic were discussed, watch this column for further news on same, a tentative date Aug. 5, to go to Conservation Park, Greenwood.

On Wednesday morning eight cars of Claremont School girls and boys attended the funeral of their school chum, Brian Trowse at Bates & Dodds funeral home in West Toronto. The flower bearers were David Smith, Donald Drake, Burt Vizey, Frank Taylor, Richard Curtis, Russell Blundell and Wm. Hammond.

The boys and girls felt the great loss of their friend. Nothing but praise can be said for the young ladies and young gentlemen they proved themselves to be, and were a credit to their parents, teachers, school and community. It was gratifying to have so many willing people to drive. The school and pupils would like to thank everyone who drove and others who offered to do so.

On Thursday, June 18, the Legion Ladies Auxiliary entertained members from Uxbridge Auxiliary at a social evening. After a get-acquainted period, Court Whist was played. The program then gave way to a change of pace with members of Claremont Auxiliary donning some very outlandish costumes

A number of Boy Scouts enjoyed a weekend camp at the Ajax Scout Camp at which they received an "A" rating. One of the biggest parades yet was seen in Claremont on Sunday, June 21, the occasion being the Annual Drumhead Service, sponsored by the Canadian Legion Branch 483. The parade led by the Caledonia Pipe Band of Oshawa, was followed by the colours, the parade marshal was Mr. Sandy Goden. The men of the Legion and the Padre, Rev. Davison, along with other Legion members from Dunbarton, Ajax, Streets-

The Brownies were led by Mrs. W. Welsh, Brown Owl, and Mrs. R. McLeod, Tawny Owl.

The salute was taken at the Park Memorial Gate, by Mr. Art Hewlett, with the colour parties of the Legion, Ladies Auxiliary, Scouts and Cubs and Guides and Brownies. The service which took place in the Legion grounds was conducted by Rev. G. Davison, Legion Padre. He introduced the dignitaries present, who in turn spoke briefly. Zone Commander Beaton said in his remarks that such a huge gathering showed the public what the Legion stands for. Deputy Zone Commander Burgess said, "Work with the Legion and have something for the Veterans."

Ladies Auxiliary Pres., E. Murray spoke on behalf of the Auxiliary and said how pleased they were to be present. Legion Pres., F. Hollingshead said it was the best parade ever held in Claremont, and thanked everyone, paying special tribute to the Ladies Auxiliary for their help to the Legion. Rev. G. Davison in his address pointed out the weapons of war since the world began, to the present day secret weapons. He said to keep in mind the weapon of prayer and faith in God which will, we hope, some day end all wars, if everyone will turn to God in prayer when things seem hopeless.

The Legion would like to take this opportunity to thank everyone who took part for their help in making their Annual Drumhead Service the huge success it was. The Claremont Cub Pack enjoyed a weekend camp at which they received a pennant. On June 26, 27 and 28, sixteen Claremont Boy Scouts, al-

Brougham School Centennial Interesting Event for Present Scholars and Old-timers Alike

Brougham Public School Centennial celebration last weekend proved to be a feature event for both present scholars and "old-timers" alike. The celebration was headed up by a parade of old-time automobiles led by the West Hill Legion Pipe Band.

Dr. N. F. Tomlinson, of Claremont, and a former teacher, gave the opening address, and a number of past and present teachers were introduced during the ceremony. Of the hundreds who attended, Frank Brown, 83 years of age, from Toronto, was the oldest pupil. Mrs. Rachel Davis of Brougham and Miss Nellie Hubbard of Simcoe, both 78, were next in line of elder pupils. Mrs. George Hamilton of Keswick was the oldest lady on the grounds, having passed her 80th birthday. Coming perhaps the farthest distance, were Mrs. Albridge and Mr. Frank Harvey from British Columbia.

In the school was an antique display, the work of Robert Miller, and the evening concluded with a dance in the community hall. It was estimated that 600 persons enjoyed the buffet luncheon.

The school was built on land owned by Miss Hubbard's forefathers and the cost was said to have been \$500. A new two-room building is now being erected at a cost of \$40,000. Both structures will be used this fall. While the school history goes back for a century, the history of the village of Brougham dates back even farther. Settlers were said to have built log cabins here as early as 1822. In 1835 the first store was opened by William Bentley and the place was known for a time as Bentley's Corners. In 1850 Brougham blossomed forth with a fair grounds, lodge organizations were formed, sawmills and feed mills flourished.

Local Farmers Tour County Farm Lands

A Pasture Tour sponsored by the Ontario County Soil and Crop Improvement Association and the Department of Agriculture, was held on Monday, June 15th. This tour was well attended.

The purpose of the Tour was to visit as many farms as possible who had entered their farms in the Ontario County Pasture Competition. Each year farmers are giving more and more attention to the production of good pastures on their farms. This is being done by the seeding of improved grass and clover seed varieties in mixtures that are adapted to the farm. More attention is also being given to the fertility program which includes the regular application of barnyard manure and commercial fertilizers to the pasture areas. Farmers are also giving more attention to the rotation of their pastures, that is dividing pastures into smaller areas and moving their herds from one area to another at regular intervals. Once the cattle have been removed from an area, the pasture is clipped and the droppings spread if this operation is felt to be necessary.

The Tour began on the farm of George McLoughlin, Beaverton. Mr. Clifford Ross, President of the Ontario County Soil and Crop Improvement Association welcomed the group and pointed out that this Tour provided an opportunity to learn about pasture management by observing how others in the competition are handling their pastures.

Other farms visited were C. Hewitt, Beaverton; George Zekveld, Cannington, Oswald Croxall, Port Perry; and L. Smith, Port Perry R.R. 2. George McLoughlin acted as Master of Ceremonies for the Tour.

It is hoped to have another Pasture Tour during the summer at which time some farms of the other contestants in the Pasture Competition will be visited.
