The Father & Son Banquet was a standing-room-only success; 81 fathers, sons and guests sat down to dinner prepared and served by 12 mothers. The award winners this year were: Fred Watson in Scouts and Jim Wylie in Cubs. They were presented with their plaques by the District Scout Master, Mr. Fox. The Cub considered the hardest worker for the fund raising effort of card selling was young Ronny Watson. His prize was a compass. The yellow six won top honours for the six of the year. The boys, Jim Watson, Tom Cartwright, David Hine-man, Myles Plummer, Ken Nesbitt and Guy Forfar all received Cub belts. They were presented by Mrs. Wylie on behalf of Ake-la. Mr. Jack Watson, Speaker for the evening was Mr. Neil Patrick of Stouffville. Mr. Mowder did a fine job, arranging the evening. Mr. Padley, the treasurer, read the financial report and announced that the Scouts would be carried on through the summer if the equipment could be obtained. If anyone has any camping stuff, they no longer need, it would really be appreciated. Mr. Sam Hendy and Mr. Garry MacEachern are going to work with the boys this summer. Mr. Watson hopes to be home this Saturday, but will have to take it easy for at least another two weeks.

This makes the Father & Son banquet one of the highlight events of the year. A thank-you, too, to Mr. Frank Cartwright for his generous help with the food. Such community co-operation is really appreciated, not only by the Group Committee but all the Scouts and Cubs as well.

We omitted one rather important item in connection with the Father & Son Banquet. The Group Committee gave a hearty vote of thanks to Mr. and Mrs. Vern Davies for their generosity and co-operation in providing full use of the Cedar Beach Pavilion and its facilities. The special anniversary Sunday Service at Ballantrae was conducted by Rev. G. Davison. A special boys and girls choir was on hand for the day. It was announced that the Sunday School Picnic will be held at York County Park on Saturday, July 18th. The Sunday School baseball every Wednesday is for both boys and girls.

The final game will be played at the picnic on July 18th. The little Church on the 9th at the Lake will open on Sunday, July 5th at 10:15 a.m. The Vacation Bible School is all teed up to start at Ballantrae Church on Tuesday, July 7, and will continue to Monday the 13th. The time is 9 a.m.

Saturday was marred by a very serious accident on the 9th just past Coulter Drive. A car went off the road, cutting down three post boxes and several little trees. It was almost demolished. There were two

men in the car and both seemed badly injured. It took almost an hour for an ambulance to reach the scene and both men were still unconscious.

Sunday was the busiest yet. The water safety display at Cedar Beach held Sunday afternoon, drew a crowd. There was a little excitement at noon along Davies Drive. A late model car started to burn and the Stouffville Brigade was called to cool it off.

We hope you've been taking your vitamin pills and nerve tonic. Mom. Thursday is the last full day of school. We'll be able to give out the names of the graduates for this year, next week.
