## ALTONA

Owing to unforeseen circumstances, the Altona W.L. bus trip, scheduled for next Wednesday, Sept. 16th, has had to be cancelled until a later date. In the meantime, a regular meeting will be held Wednesday, Sept. 16th, at 2 p.m. at the home of Mrs. Merv. Bunker. All members are asked to attend. Mrs. W. Carter will be in charge of the programme.

Mr. and Mrs. Don Goudie and Janice of Gordonsville, N.B., are visiting for a few days with his parents here.

Getting upstage with your friends does nothing but keep you out of their spotlight.

One difference between wealth and health is that nobody ever tries to borrow the latter.

## Buttonville News

### Neighbourhood Notes—

Sorry to have missed sending last week's column! There's one thing about missing a week now and then—you find out whether anyone reads the local news. Thank you kindly!

For those who have been asking about Mr. Wilfred Turner, we are happy to say reports are good and Mrs. Turner expects him home for a one-day's visit from the Weston Sanatorium before long.

We were very sorry to learn that Mr. Harold Cunningham is still very ill, and that Mr. Earl English and Mr. Alex Young have not been well this summer. On the distasteful side, Mrs. Bert Craigie spent two weeks recently in Branson Hospital but returned home last week and is progressing well.

Holidayers continue to be in the news. Mr. and Mrs. Albert Terry made their annual trek to Michigan for a vacation with friends; Mr. and Mrs. Joe Robinson, Bill and Roy, travelled by

boat from Port McNicol to Port Arthur and thence to Winnipeg, returning by way of Minnesota, the North Shore and northern Ontario. Roy and June Marston and their children spent a month at Boksung Lake and Mrs. Wilfred Turner, David Turner and Mrs. P. Page vacationed there also. The Hord family were guests of relatives at Lake Dalrymple; Mr. and Mrs. Edgar Fuller and Mr. and Mrs. I. Gohn and Mervin visited relatives at Pittsburg.

Mr. and Mrs. John Wilkins and Bob motored to New York, Cooperstown, Atlantic City and returned by way of Kingston and the St. Lawrence Seaway.

For Mr. and Mrs. Geo. Oakes and Bob, with their house guest Mrs. Beth Laing of Winnipeg, it was a motor trip to Sudbury, Sault Ste. Marie and Elliott Lake, returning by way of Manitowlin Island and the Bruce Peninsula. Mr. and Mrs. A. Brown and Kathy were guests of friends at Ferris, near North

Bay, and the Leaf family spent several week-ends in the north country at North Bay and Muskoka. Miss Dorothy Hood vacationed with the Reesor family at Mountain Lake, Haliburton, and Mr. and Mrs. Douglas Hood and Mr. and Mrs. Norman Reid enjoyed a trip to the Atlantic seaboard. Grace Rodick, who spent the summer at O.C.E. summer school, made up for it in part when she returned to her teaching position at Dryden by way of Port McNicol and Port Arthur by boat.

Linda Jones celebrated her sixth birthday on September 1st, and entertained several friends at a barbecue party. Among those present were Patty Vaughan, Peggy Murgasick, Colleen Stephenson, Kay Woods, Debbie Johnson, Vivien Selders, as well as Mrs. Donald McQuay, Mrs. James McQuay, Mrs. Gordon Scott of Oshawa and Mrs. Scott's daughter Yvonne of Petawa.

At the home of Mr. and Mrs. Ernest Crisp, three grandchildren, Janet, David and Barbara, children of Mr. and Mrs. Jack Crisp, were visitors.

It's a boy for Ray and Mary Grant (nee Gough) — Randall John Grant arrived at the Scarborough General Hospital on Saturday, August 29. Congratulations to Mr. and Mrs. Andy Grant of Unionville on the birth of their first grandchild and to Mr. and Mrs. Jack Gough whose first grandson this is.

Neighbourhood Notes— We let Mr. and Mrs. George Baldwin's wedding anniversary slip by without a remembrance! Mr. and Mrs. Baldwin were married 51 years ago, August 5th.

With the Children— Not long ago a neighbour was putting her four-year-old grandnephew to bed and when it came time for his prayers, the small boy was playing with a toy and not paying much attention to what was going on, so auntie folded her hands, bowed her head and began: "Now I lay me—" Still the child paid no heed, so she began again. This time he glanced up and remarked, "While you're saying your prayers, I'll just be playing with this."

Brown's Corners Church News— The congregation was happy to have Mr. Binnington in the pulpit again following a long rest, on doctor's orders this summer. Mr. and Mrs. Binnington vacationed at Couchiching during August and are feeling much better for it.

Sunday School— September 13—Open Session at 10:15 a.m.

Sept. 20—Joint Rally Day Service and church service combined at 11:30 a.m.

Sept. 27—Promotion service at 10:15 a.m. Church service at Headford—Anniversary.

Explorers' group — Opening meeting at Victoria Square Church on Monday evening, September 14, at 7 p.m. All girls from 8 to 12 years.

W.M.S. Service, Sept. 16th at church—probably evening meeting.

Calling All Young People—

If you like fun, love to dance and are longing to get together with other young people in the neighbourhood, this is your meal! On Saturday, Sept. 19th, at 8:30 p.m., the Victoria Square charge Y.P.A. will hold a dance at Victoria Square Community Hall. It will be a Record Hop with Matt Taylor and Russ Copeland taking care of the music and MC'ing. Square dancing, round dancing and stunts will mean fun for everyone! With door prizes, special prizes and the girls organized to provide food, how can you miss for 35¢?

Matt Taylor is now a member of that worthy organization, Eaton's of Canada, and living at Richmond Hill. We wish him success.

School Bells—

On Tuesday morning of this week school bells across the nation rang out, calling all school children. For some it was a red letter day, their very first day at school. Of these there was quite a group from Arncliffe Heights registering at Buttonville: Linda Jones, Johnny Stephenson, Paul Johnson, Douglas DeNike and Johnny Yates. There must have been others in the neighbourhood who started but the complete list will have to wait till next week — it couldn't be completed at time of writing.

Students will note many changes at the school this term. Miss Ruth Hansford will continue as teacher of the intermediate room, but a new principal, Mr. Howard Atkinson of Agincourt, will be at the helm, and in the Junior room there will be Mrs. Helfinstein.

During the summer months improvements have been made in and around the building — among these a four foot sidewalk at the north side of the school, then a concrete water course graded to carry flood waters from the playground area.

In the old schoolroom completely new lighting facilities have been installed; there is new acoustic tile on the walls in an attractive shade of green and the blackboard has been lifted 12 inches and slanted. Underneath the board, cupboards have been installed making the whole an interesting and efficient room. Attendance this year is expected to be between 85 and 90.

There were four graduates

from Buttonville at the school last year, as well as some from other areas. The four we are interested in are going to Thornhill High School this year and are all boys: Wayne Patterson, Larry Lent, Jimmie Hood and Bob Oakes.

Down around John Street and Don Mills Road where the children attend German Mills School, Mr. and Mrs. Williams held a corn roast, recently at which German Mills Home and School Association members entertained the school children so that the new beginners might become acquainted before the awesome day. In that area Nicky Kullik, David Turner and a small daughter of the Greensides home are commencing their education.

Mr. Willis Taylor spent part of last week in Windsor attending an insurance men's training school.

Mrs. Wm. Bowen passed away on Sunday, August 23rd. Funeral services were held in Toronto. Sympathy is extended to her family.

Miss Joan Slack and Marilyn Jones spent the week together, part time at each girl's home.

A number of the village children and older folk too, enjoyed a corn roast with the McQuaker family on Saturday night.

Mr. and Mrs. R. May and girls motored to Niagara on Saturday.

### Johnny won't be in school this morning

His mind full of plans for the day, Johnny forgot to watch the traffic. He didn't get to school at all that day; or for many days while he recovered from his injuries.

September is back-to-school month, and the start of the Ontario Department of Transport's Child Traffic Safety campaign.

Teachers in every school in the province are helping youngsters to stay alive by teaching them the rules of traffic safety. Will you help? Remind them always to cross at corners, obey traffic signals and look both ways before crossing.

Your Ontario Department of Transport urges you to make sure they follow all the rules of traffic safety.
