Famed Choir At Melville Church

The Schneider-Orpheus Male Choir, which will appear at the Melville United Church on Wednesday evening, Sept. 23rd, at 8.30 p.m., has gained the reputation of being the most travelled choir in Eastern Canada. Having travelled more than 25,000 miles during the 12 seasons of its singing career, the Schneider - Orpheus Male Choir has attained an enviable reputation in the musical world.

On tour in Eastern Ontario, the choir had the distinct privilege of singing for Members of Parliament and high government officials in Ottawa. In Rochester, N.Y., the choir has appeared as guests in one of the largest churches in that city, and was highly lauded for its performances. At the Stratford Festival, it was rated as by far the best choir to appear that sea-

Paul Berg, its conductor from the beginning, has enjoyed great success in the field of choral music both in Canada and the United States. Critics have been particularly impressed with the control and dynamic effects obtained with a minimum of direc tion, all to the credit of the conductor.

The Woman's Association of Melville Church, which is sponsoring this concert, is pleased to be able to present the Schnel der-Orpheus Choir, and is an ticipating a capacity audience Tickets can be obtained from members of the Woman's Association of Melville Church. Price \$1.00 for adults, 50c for children.

Don't miss this musical treat of the season. J. M. Schneider Limited of Kitchener are proud to be the sponsors of these Ambassadors of Song who have brought honour and esteem not only to the company but to the community as well.

Will Proceed

Whitchurch Township Council has agreed to a recommend ation of the township planning board to establish an official plan for the municipality. Planning Board members had favored the move following a joint meeting with council a couple

Council, after some deliberation, agreed that such a plan would be a decided advantage to the township as well as a coming necessity.

By resolution the council agreed to engage the firm of H. A. Babcock and Co., Consulting Engineers, to proceed with laying out such a plan and present it to council and planning board

Served in Royal Flying Corps

The death occurred on Thurs day at Scarborough Hospital of Francis (Frank) -Malcolm, Stouffville, following a lingering illness. He was sixty-eight years of age.

The late Mr. Malcolm was an engineer and served in the Royal Flying Corps during World War 1, and with the KCAF in World War 2, with the rank of Captain.

Deceased was born at London Ontario and twenty lour years ago, married Ella Chapman who survives him. He was identified with the United Church. el. Interment was made in the

The funeral on Friday was conducted by Rev. James Tiller, from the O'Neill Funeral Chapel. Interment was made in the Stouffville Cemetery.
