Lot Sizes The Cedar Pines plan of 111 ter have smaller lots kept up, than larger lots full of weeds," he said.

Councillor Laushway commented, "We've already thrown out one plan and made the owner increase the size of his lots. I would be opposed."

Councillor, O'Boyle was also opposed to the smaller lots. Deputy-reeve Wagg was absent from the meeting at the time of the question, attending a county meeting.

The developer has asked for smaller lots, stating that the land is not well located, being adjacent to a wrecking yard. The matter will now be returned to the Planning Board.

Caught

Two slick gents were recently in town peddling champagne at \$10 a case to local residents, according to the local police. When they were finally apprehended in Whitby, it was found that their so-called champagne was little!

more than clder. Fall has also brought out those phony storm window salesmen, and they have operated in town in this manner: one man engages the housewife in conversation downstairs, while his pal goes upstairs to measure the windows. Then they find some excuse to leave and once they're gone, the housewife finds that the cash she had stached away upstairs is missing. Police warn householders to beware of these door-todoor peddlers.
