The Browns' Corners United Church was beautifully decor ated for Sunday morning's Thanksgiving services by members of the Y.P.A., Rev. A. F. Binnington conducted the service and special music was provided by the choir, with Miss Dorothy Hood at the organ and Mrs. S. J. English directing.

Next Sunday morning Sunday School will be held at 10:15 a.m. and church service at 11:30 a.m. In the evening the Unionville Junior Farmers will hold their annual church service at 7.30 p.m. at Browns' Corners Church with Mr. M. Cockburn as the guest speaker.

It might be as well to keep an eye out for someone who is entering churches with intent to rob. Last spring a man was apprehended on this count but was let go for lack of concrete evidence. Recently a church in Thornhill was entered during the service, causing concern. Thieves Rob Markham Fair -

Apparently thieves were busy on the last day of Markham Fair as wires were removed from exhibits late in the after-

Mrs. George Hooper of the Girls' Club lost dishes and a pair of hand-made pajamas in the Junior W.I. display, and that luscious looking decorated cake the girls exhibited, demonstrating how to ice and decorate, was also gone.

Whoever took this last item would be sadly disappointed if they planned to serve it for a special occasion, for underneath its glamorous icing lay Mrs. Charles Hooper's cookie tin! n Mr. and Mrs. Wm. Rodick were pleased to have John home from Pickering College, Newmarket, for the holiday weekend. Euchre-

Fifteen tables of players were at Buttonville Hall for the first game of the autumn Euchre Series played Friday evening of last week.

Winners were Mrs. Fitzpatrick, Mrs. Gordon Ogden and Mrs. A. Robinson; Messrs. E. Walton, Russell Burr and Adam Brown.

The lucky draw, a bushel of apples, was won by Mr. Mizen and the freeze-out was won by Mr. and Mrs. Cattanach with Messrs. Ken Stots and Wiliam Muirhead placing second.

Hostesses for the evening were Mrs. O. Brooke, Mrs. Joe Robinson, Mrs. G. Francy and Mrs. Nell Lak.

The second game will be played Friday evening, October 23, at Buttonville Hall.

Parents' Club-Buttonville Home & School Assn. has been dissolved, and in its place is the new Buttonville School Parents Club, formed at a meeting held early in the month. Officers appointed are: Past President, Mrs. Jack Storey; Pres., Mrs. Jim Hood; Vice-Pres., Mrs. B. Venus; Sec., Mrs. D. DeNike; Directors -Principal Atlanson, Mrs. Murgaski, Mrs. Craigie, Mrs. Patterson, Mrs. Ken Stephenson and Mrs. W. Koning (from No. 6).

At an executive meeting held on Wednesday evening of last week the following issues were decided:

Seven meetings a year will be held, omitting those at Christmas and Easter. The first meeting will be held on October 28 at the school, and will be a display night, with one of the teachers teaching an actual lesson to her pupils.

The graduates' dinner is scheduled for Friday evening, Nov. 6, at 7 p.m., with parents invited to join the group at/8 p.m. for the presentations. Mr. and Mrs. Roberts (now of Elliott Lake) are being invited to attend.

Explorers and CGIT Sale-Mrs. Maw tells us that the Explorers are expecting a good crowd at their sale of work and tea which will be held in Victoria Square Hall on Saturday afternoon of this week. Since summer, the girls have been working like beavers preparing floral decorations and Christmas attractions which they will sell along with work the CGIT girls have undertaken. There will be Home Baking, Candy, Sewing and decoration booths, and tea will be served. Ladies of Browns Corners Church are asked to donate any articles of baking or sewing which would be useful.

### Peg Board Puts Closet Wall To Use

Many a house seems to have enough storage space when the family first moves in, but it does not take long before the closets seem to overflow.

If you have that problem overcrowded closets - the closet walls may be to blame.

You can lick the problem by making lazy walls into working walls. Cover them with perforated hardboard.

Several types of fixtures are available to be inserted in the perforations. These pegs will support small storage shelves. You can hang any number of things on them - from neckties to brooms, and from handbags to belts.

Here's something to remember If you're willing to eat windwhen you're deciding on what fall apples in the dark, you're materials to use in remodelling your home: Pre-finished hardboard, with auto-type baked col-It takes hundreds of nuts to ors, may be applied with mastic adhesives to large bathroom or kitchen surfaces.
