Mrs. W. Sandie
Home and School —
The Gormley Home & School held their October meeting on Tuesday evening. The theme of the programme was "Safety" and was presented by P. C. Donald Dukes of the Markham Township Police Force. He gave a talk on Highway Safety Rules, followed by two safety films.
Following the film, the highlight of the evening came with the presentation to the school of the Elmer Safety Flag. Mr. Richardson, Senior Member of the Elmer Safety Flag and spoke to the children, encouraging them to take extreme care on the highways, and to respect our Police Force and assist them in keeping the public safe from highway disasters. A delicious lunch was served by the Grade 1 and Grade 2 mothers with Mrs. Russell Helse in charge.
On Wednesday afternoon of last week, P. C. Dukes and Mr. Richardson arrived at the school and with the children conducted a brief ceremony for the raising of the Elmer Safety Flag. Now it is up to each and every one of the children to keep that flag flying, for if a child has an accident on his way to or from school, Elmer must come down for 30 days, and no child wants that to happen. So please be careful, children!
