Wilcox Ratepayers May Disband Unless More Attend Meetings

Lake Wilcox Ratepayers Association will probably be disbanded for lack of interest unless more members attend the next meeting in November, said Secretary Mrs. Freda Munro following a meeting last week.

Out of forty members of the association 12 were present at the Lake Wilcox school for the first meeting of the fall-winter. Because of the low attendance election of officers had to be postponed until the November

meeting which is the first Monday in the month. Mrs. Munro said that unless more members attended this meeting the association will probably be disbanded.

President Ray Smith was in the chair for a discussion over the recent assessment increases. The main beef seemed to be not that the assessments were thought high, but that the district people were getting so little in the way of services.

Council To Regulate Roadside Signs

Whitchurch Township Council will insert a clause into their land-use bylaw that will control the location of signs on road allowances. Members agreed on this action at a regular meeting of Council on Friday night.

Mr. Geo. Rodanz complained to Road Supt. Ernest Davis that a sign erected on conc. 7 by the Gormley Sand and Gravel Co. should either be removed or be made smaller in size.

Reeve Geo. Richardson admitted that the township had no bylaw to stop the erection of such signs. He suggested that one should be drawn up.

"It's only the start," said the Reeve, "if we allow this one to remain, we will have other requests."

"Now that we've had a complaint, perhaps we should ask that it be removed," suggested councillor, Mrs. Gibb.

Court of Revision
The Whitchurch Twp. Court of Revision will convene on Wednesday, Oct. 28th at ten o'clock. More than 100 appeals have been received. Members who will sit in the court will be, Messrs. C. E. Toole, Alfred Marsh, R. C. Baycroft, Fred Timbers and Herbert Simpson.

Nomination
The Whitchurch Twp. Court will be held on Friday evening, Nov. 27th at seven o'clock. An election, if necessary, will be held on Monday, Dec. 7th. Polls will be open from 10 a.m. to 8 p.m.

ADDITIONAL LOCALS

Mr. and Mrs. Wm. Lennox and family have moved into the new apartment house on Main St. West. Mr. Lennox, who is caretaker at Summit View Public School, will be the caretaker of the new apartment building.

Mr. and Mrs. Mickey Hunt spent the weekend in Renfrew as guests of Mr. Hunt's parents.

Dr. and Mrs. Ron Smith, their daughter Carol and Chas. Jackson visited Dr. Smith's parents in St. Catharines over the weekend. While there Carol was honoured at a shower given by Mr. and Mrs. John Smith.

ALTONA

Altona 4-H Club, 1st Meeting—The Altona Busy Fingers opened their first meeting by singing "O Canada" and repeated the 4-H Pledge. Our meeting was held at Mrs. Don Hope's and all the other meetings will also be held there.

Election of Officers took place as follows: Pres., Jean Lewis; Secty., Shirley Dunkeld; Vice Pres., Ann Barkey; Treasurer, Evelyn Dunkeld.

Mrs. Hope told us what should be included in our sewing boxes for the next meeting. Mrs. Feasby spoke to us on the different qualities of material.

Next meeting, Oct. 19, at the home of Mrs. Don Hope. Roll Call for next meeting — one point to consider when buying cotton. Home Assignment — Have the first meeting written up. Check your own figure for defects. Buy material and bring equipped sewing boxes for next meeting.

Second Meeting — The Altona Busy Fingers opened their second meeting by singing "O Canada" and repeating the 4-H Pledge. The minutes of the last meeting were read by Shirley Dunkeld.

The Roll Call was answered by "one point to consider when buying cotton." Mrs. Hope told us of the letter Miss Gordon had sent to us about Markham Fair and that they were very pleased with our exhibit. She also talked to us about our patterns.

Mrs. Feasby told us how to shrink it at the ends. She showed us how to see if the grains were straight in our material. For the rest of the meeting, some of the girls were altering their patterns. We closed our meeting by singing "God Save the Queen."

Home Assignment — Continue record Books. Finish preparing material for cutting and pin pattern on material. Roll Call: One line in clothes that suit you. —By Shirley Dunkeld

Whitchurch Reeve Urges Protective Measures At Lakes In Township

"Eight drownings in one summer is enough cause to institute some protective action at our local lakes", stated Reeve Geo. Richardson at a regular meeting of Whitchurch Twp. Council on Friday night. The Reeve suggested that the township solicitor, Mr. J.D. Lucas should be permitted to take the necessary steps in order that a municipality might be granted some control over the licensing and regulating of bathing beaches. At the present time, such legislation does not exist.

A coroner's jury recommended that Whitchurch Twp. Council should have some control over beaches in the municipality following an inquest conducted at Vandorf on Sept. 16th into the drowning death of an eight-year old boy at Shadow Lake.

"This matter should be followed up and kept alive," stated Reeve Richardson. "If there is anything we can do, I think we should do it."

"Are we supposed to act as watch dogs and parents for every child that uses our lakes", questioned councillor Mrs. Elsie Gibb.

"It will take the responsibility off our shoulders," replied Reeve Richardson.

Clerk John Crawford informed the members that the present Act was not explicit. He noted that at Shadow Lake there is an admission charge to the park but not specifically to the water.

"People go on picnics to these parks because water is available," stated councillor Mrs. Gibb. The Reeve agreed. Councillor Mrs. Gibb suggested that other municipalities should endeavour to enforce a similar law.

Dr. Terry O'Connor was the winner of the basket of groceries at the St. Patrick's Euchre Tuesday night.

Rev. Elwood McLean Will Speak at Claremont Church

A special meeting of the Women's Mission Circle will be held in the Claremont Baptist Church on Tuesday evening at eight o'clock. The men will be in charge of the programme. The guest speaker will be Rev. Elwood McLean of the Onion Lake Indian Reserve, Saskatchewan. Plan to attend.

168 Cases In Last Week's Traffic Court

There were 168 cases listed in Traffic Court last week, with charges covering most of the listed offences, and as many as twenty-two persons were in court at one time.

Ross Harrison, driver for a transport company, had not received a special permit for a long load. Mr. Harvraft, who appeared for the company, entered a plea of guilty, and expressed annoyance at having to appear. He stated that he was executive vice president for 18 companies and his time was valuable.

Magistrate Kelly remarked that cases where a dangerous situation was created, required personal attendance. The minimum fine of \$50 and costs was asked.

A long list of overloading cases brought fines ranging from \$49 and costs down to about \$20 and costs.

In Buttonville Court, William H. Bell was fined \$15 and costs on a charge of careless driving. Officer Swinghammer gave evidence that the car was proceeding in an erratic manner and straying over the centre line, causing oncoming traffic to apply brakes. He stated that Bell had been drinking, but he allowed the car to proceed when Bell moved into the back seat and let his wife drive.

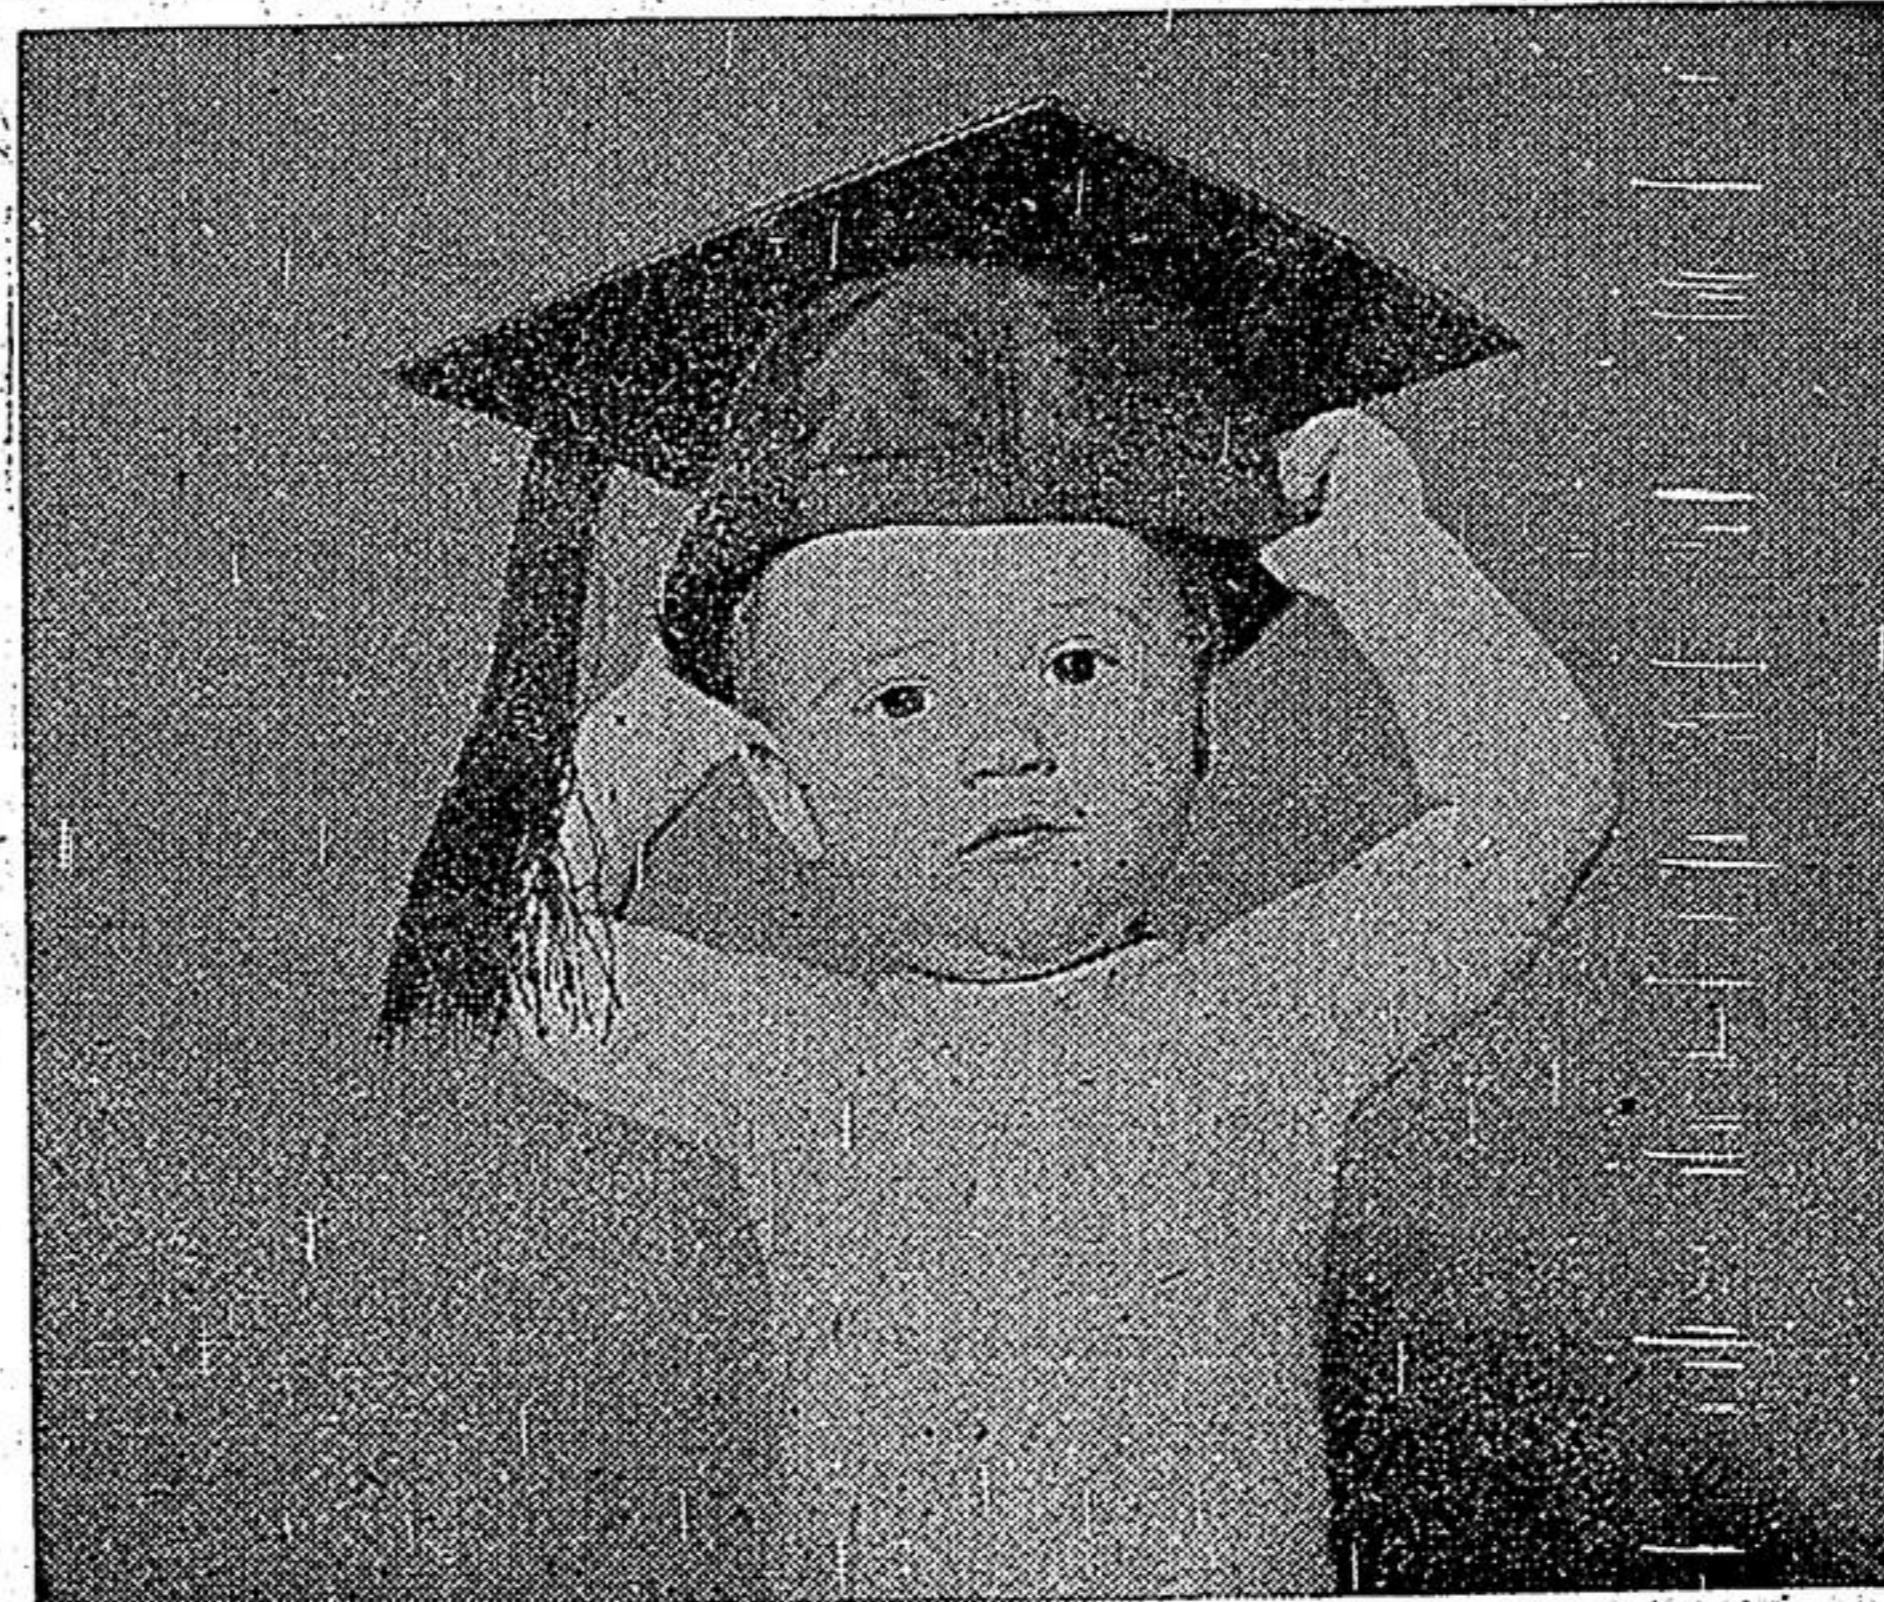

The solicitor for Bell said that an inner tube had been placed in a tubeless tire, which caused the car to swerve. Bell admitted having had 2 drinks.

Officer Robb contended that when Bell found the car was subject to swerve he should have taken it off the road, and the magistrate agreed.

James Day, charged with speeding, stated the radar was so close to the border of Unionville that he thought he was still in Markham Township.

Police replied that if he was far west of the village, he was in the railway zone which calls for a speed of 20 miles. He was fined \$14 and costs.
