NOEL. NOEL . . . There is plenty of expression in the singing of these youngsters, members of the choir at a Washington, D. C., infant home.

KEEPING
Christmas

It is a good thing to observe Christmas Day. The mere marking of times and seasons, when men agree to stop work and make merry together, is a wise and wholesome custom. It helps one to feel the supremacy of the common life over the individual life.

Are you willing to stoop down and consider the needs and the desires of little children; to remember the weakness and loneliness of people who are growing old; to stop asking how much your friends love you and ask yourself whether you love them enough;

to bear in mind the things that other people have to bear on their hearts; to make a grave for your ugly thoughts and a garden for your kindly feelings, with the gate open—are you willing to do these things even for a day? Then you can keep Christmas.

Are you willing to believe that love is the strongest thing in the world—stronger than hate, stronger than evil, stronger than death—and that the blessed life which began in Bethlehem some 1900 years ago is the image and brightness of the Eternal Love? Then you can keep Christmas. And if you keep it for a day, why not always?

Henry Van Dyke

First Observance

The first Christmas observance in this country took place shortly after Columbus discovered America. The Santa Maria was beached on Christmas and Columbus and his men were unable to free her. The ship was stripped of as much gear as possible and when the Nina was unable to accommodate all of the Santa Maria's crew, some of them were left behind in a fort, that in honor of the season was called La Navidad, the Nativity.

The glitter is gone from evergreens and holly wreaths on the day after Christmas. The tree suddenly becomes old and droops its needles and colored ribbon?

What happens the day after Christmas?

Does one breathe a deep sigh and inwardly say, "I'm glad that it's over for another year?"

If this happens, then certainly we are not "keeping the Christmas." The spirit of Christmas is superficial. Our Christmas symbols and ornaments, many of them pagan in their origin, are only decorative trappings for creating a festive spirit.

It Is Real

But Christmas is not superficial. Christmas is REAL. And so must observance of the holiday be REAL and not the mere matter of observing customs and practices as a matter of conformity.
