World Day of Prayer—

The World Day of Prayer was held at Christ Church Anglican. Mrs. Norman Anderson, the leader, presided. Seven churches were represented. Mrs. Adams was guest speaker, her topic, the beginning of the World Day of Prayer, forty years ago. Mrs. George Allison was the soloist, with Mrs. Frank Bramham at the organ. Sixty-five ladies were present. The offering, (\$22.23) was sent to the Women's Inter-Church Council of Canada.

License Renewals—

Motorists should renew their driver's licenses and plates for 1960 immediately, said R. H. Murphy, Dept. of Transport Agent today. With only a few days left till the deadline of March 16, the inevitable result of putting it off will mean standing in long lines in the last few days before the expiry date. There will be no extension of the expiry date beyond March 16. Motor vehicle owners applying for plates must bring with them, their liability insurance certificate, to avoid paying the \$5.00 fee. They are also reminded that a policy for fire, theft and collision is not liability insurance. Remember, the license bureau is situated at the corner of Harold Ave. and Charles St., in the west end of town, Phone 364.

Snow had fallen as far south as the Carolinas.

W.M.S.—

Quiet music played by Mrs. B. Sanders preceded the opening of the March meeting of the Woman's Missionary Society of the United Church. In the absence of the President, Mrs. Dowsell, 1st Vice Pres., presided, reading Psalm 117. A hymn "Let us with a gladsome mind", was sung, followed by prayer.

An invitation to Milliken was accepted and Mrs. Woods announced Conference Branch to be held April 5, 6 and 7 at Richmond Hill.

Mrs. Woods and Miss Mullens' group was in charge of the program, Mrs. Woods opening with prayer. Mrs. Hammond favored us with two lovely solos, "O, Lord Correct Me" and "Think on Me," which were greatly enjoyed. Mrs. Woods then conducted an "In Memoriam service for a past member, Mrs. Walsh and also mentioned all who were connected with the church, who passed away in 1959, also Mrs. McKellop of Toronto who was Past President of the Dominion Board. She closed her remarks and after silent prayer, "Blest be the Tie that Binds" was sung and Miss Mullens conducted the Worship Service. Scripture—Rev. 21. Text—"Gates". Gates were important in the Old and New Testaments. 1960 may well be the year when gates between nations will be opened. There are gates of happiness, some need a sense of security—must be loved. Some need material things to be happy. Man does not live by bread alone. In this atomic age we need a faith that doesn't falter. There are side gates to worry that swing back and forth; we must try and keep these gates closed. Gates of happiness—open side gates—are priceless, gateways of hearing, seeing, walking, talking and thinking. God's Gate of the Spirit is opened by prayer. She closed her remarks with prayer.

Mrs. Sanders continued the review of "Africa Disturbed" and said there have been bewildering changes in Africa—such as the oxcart to aeroplane. Africa is four times the size of the United States and has 98 millions of people. The difference in wages due to colour causes great disturbances. A great power in Africa is the Press.

Mrs. Dowsell reminded all of the World Day of Prayer in the Anglican Church, and after singing "The Lord Is My Shepherd," she closed the meeting with prayer.

W. I. Meeting March 17—

Visits Stouffville

After 47 Years

Mr. Norman Regan and Mr. Fred Regan, sons of the late Mr. and Mrs. Michael Regan of Lemmerville, were visitors in Stouffville on Saturday. Fred Regan had not been in Stouffville for 47 years. The two brothers are now living retired in Toronto. Dr. Regan was a dentist by profession and Fred Regan was engaged in the sand and gravel business. The boys were born on what is now the Winterstein farm, and the family sold out there in 1913. Dr. Regan was never married and Mrs. Fred Regan passed away six years ago. The men said that they would scarcely know the town after so many years. They recalled Ratcliff's and Stiver's as two of the longest established businesses. Familiar faces whom they were looking for included Frank Rae, Bill Sanders, Harry Sanders, Fred Campbell, Ernie Button and others.

Mr. Rae Foord of Peterborough had the misfortune while skiing at Bethany over the weekend, of breaking his ankle (a double fracture); also his mother, Mrs. Geo. Foord has entered the Cottage Hospital at Uxbridge with complications from a broken ankle she had some time ago.

Stouffville Planning Board will hold their regular meeting this Thursday evening.

Mr. and Mrs. Ken Laushway left via TCA from Malton on Sunday for a two weeks' vacation in Florida. They will join Mr. and Mrs. Ernie Abraham of Stouffville who are travelling south by motor.

In a recent letter to her parents, (Mr. and Mrs. Charlie Hisey, Rupert Ave.) Helen Hisey of Dawson Creek, the Yukon, informed them that they had only about an inch of snow, the ground being just covered. Quite a contrast to what we are having.

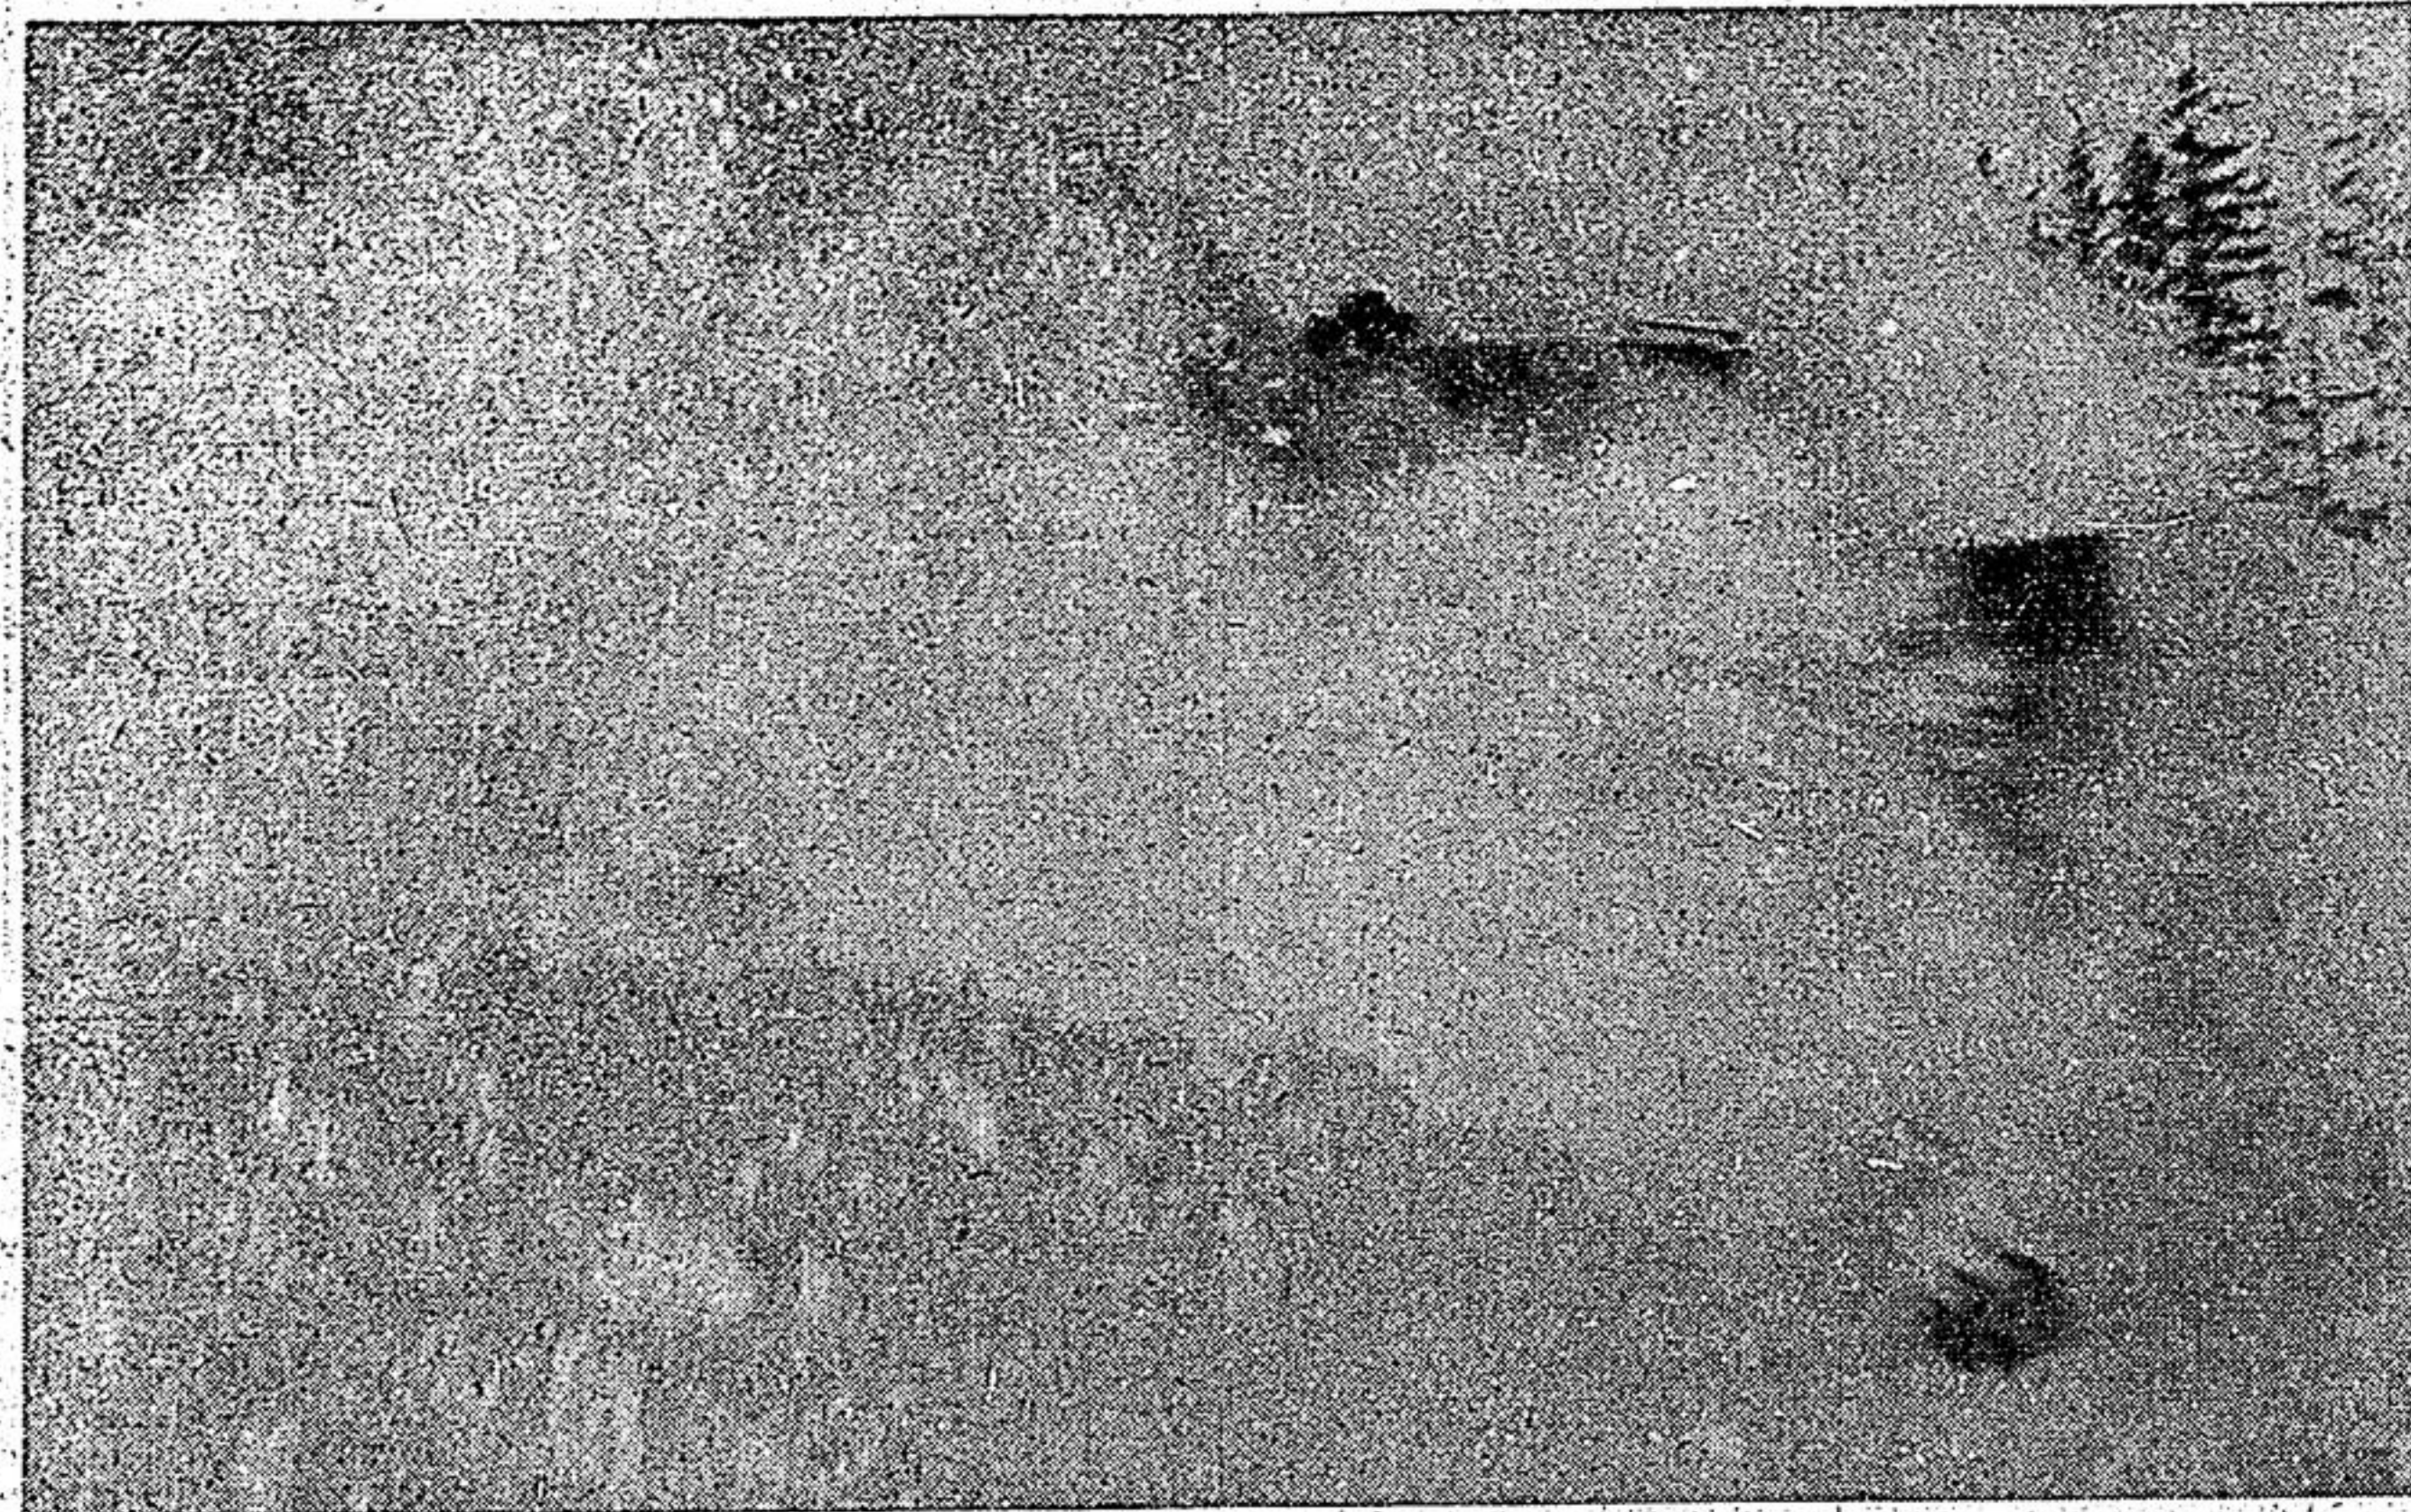

Stouffville hydro department is presently experiencing some difficulty with the converted lights in the Main St. business section. These large lights were converted last spring to the gas type light and had been working satisfactorily until just recently when they began to burn out constantly. Some lasting less than a week. Since the bulbs for these lights are \$14 each, it is of major concern. In the recent snow removal one of the steel light standards, opposite the Carload Groeteria, was snapped off which leaves quite a vacancy in the lighting in this section.

Leaving for Ireland—Publisher and Mrs. Chas. Nolan are leaving at noon this Thursday for London, England, from where they will travel to Ireland and plan to be in Dublin for the St. Patrick's Day celebrations. The couple are flying TCA via Montreal and plan to be away a couple of weeks.

The Stouffville Fire Brigade brought relief to the Hargrave Greenhouses on Monday night when they provided a tank of water for the boilers. The pump house which provides water from the stream on the Hargrave place at Dickson's Hill, mysteriously burned down, and the owners were not aware of what had happened until water ceased to come for the boilers. In desperation they tried to get a supply from several of the water tank operators but without success. The night promised to be a cold one and so they appealed to the Stouffville Fire Brigade for help.

Click! Then Buried!

What won't some photographers endure in an effort to obtain a good picture! This action shot by 13 year old Barbara Sanders, Albert St. Stouffville, was snapped on the local C.N.R. line south of town. A split second after she clicked the shutter, the train-snowplow completely buried her in a huge bank of snow. She had to be rescued by four other companions, Gael Cossey, Mary Anderson, Bernadine Twoards and Connie Baker. —Photo by Barbara Sanders

Great-Grandfather Former Doctor In Stouffville

The community was shocked to learn of the passing of Wilmot James Lawrence Campbell on Saturday, Feb. 20, 1960, on arrival at Ross Memorial Hospital, Lindsay, where he was rushed after an illness of a week at his home.

Born in Brock Township, he was the son of Mrs. Maud St. John Campbell of Oshawa, and the late Stuart Campbell and a grandson of E. C. Campbell who practised law for a number of years in Uxbridge and Louisa M. Hunter, daughter of Dr. J. J. Hunter who practised medicine in Stouffville. The Campbells were of Highland Scottish ancestry (Argyle).

Left to mourn his passing are his sorrowing wife, Madeline R. Rynard Campbell and his daughter, Elizabeth M. Quantrell, of Whitby, and two granddaughters, Susan and Cathy; his mother; three sisters, Mrs. Freda Holman, Dorothy (Mrs. E. Willson), Phyllis (Mrs. A. Detenback) and six brothers, George, Harry, Kenneth, Earl, Ross, all of Oshawa and Bert of Ajax. He will

long be remembered for his kindness and ready help to others, his friendliness and humor. The many beautiful floral tributes showed the esteem in which he was held.

He took a keen interest in Masonic affairs and was a past master of King Edward Lodge No. 464 GBC.

Wilmot was always active in the community and in sports. He was a director of Brock Agricultural Society and was a past president of the Sunderland Curling Club and recently was chairman of the Bonspiel committee. He was also manager of the Sunderland Baseball Club from 1946 to 1949.

Rev. J. Newton Reed conducted the service, reading the 23rd psalm and the 14th chapter of John, and speaking on his belief in a future life. At the request of the family the hymn "We'll say goodnight here, but good morning up there," was read.

The funeral was held from the John's Cemetery, Brock.
