BALLANTRAE (March 10) The home of Mrs. J. Wallwork Sr. was the setting for a very special W.A. meeting last week. The meeting honoured two of the most active workers in the Ballantrae W.A., Mrs. M. Rose and Mrs. J. Wallwork. Rev. Davidson presented service pins to the two ladies and they are now life members of the association. It was a surprise to both Mrs. Rose and Mrs. Wallwork and this made the meeting even more pleasant than usual. Mr. Davidson gave a short address and there was group singing by a quartet. No business was taken up and the addition of a very scrumptious lunch made for a happy afternoon for all. The weather just slightly improved over the weekend but it was enough to allow the Euchre to go on as announced. The Euchre given to help the Ballantrae Scouts and Cubs was a real financial success and at the same time provided an enjoyable evening for Euchre fans in the area. The home-made pies and ice-cream were a real hit and many thanks to all the ladies who so kindly baked and brought them. The group committee says thank-you to all who pitched in to make the night a success. Lucky winners for the ladies were Mrs. S. Symms, Lakeshore Rd. and Mrs. Ken Gamble, Aurora, Sideroad, and for the men it was Mr. Crowhurst, Ballantrae and Les Ogden. The door prize of two NHL hockey tickets was won by Mr. H. Snow. Congratulations to you all.

Mrs. C. Paxton and son Vic were dinner guests Sunday evening at the home of Mr. and Mrs. Chas. Badgero, 9th line. A big welcome home to Mrs. Stella Duncan. She and her new son came back last week and it's nice to see her looking so well. We'd like to say thank-you to the boys who keep the roads so well opened this winter. It has been a trying one for all and they have certainly done a wonderful job of keeping the main roads well cleared. They'll be glad to see the robins back.

Speaking of robins, Mr. Snow of Windsor Drive reported seeing one last week. Let's hope there are lots more on the wing.

There is to be another Euchre at the school, come Friday, Mar. 18, at 8 o'clock. The Ballantrae Home & School are sponsoring this one, so take note of the date and come out for an enjoyable evening among friends. Good home baked food and good prizes as well should make for a fine evening. Admission 50c. Let's hope the weatherman keeps things fine for that night.

Honestly now, what good does it do you to blow up when a tire does?

Don't saddle Dobbin with a leaky roof!

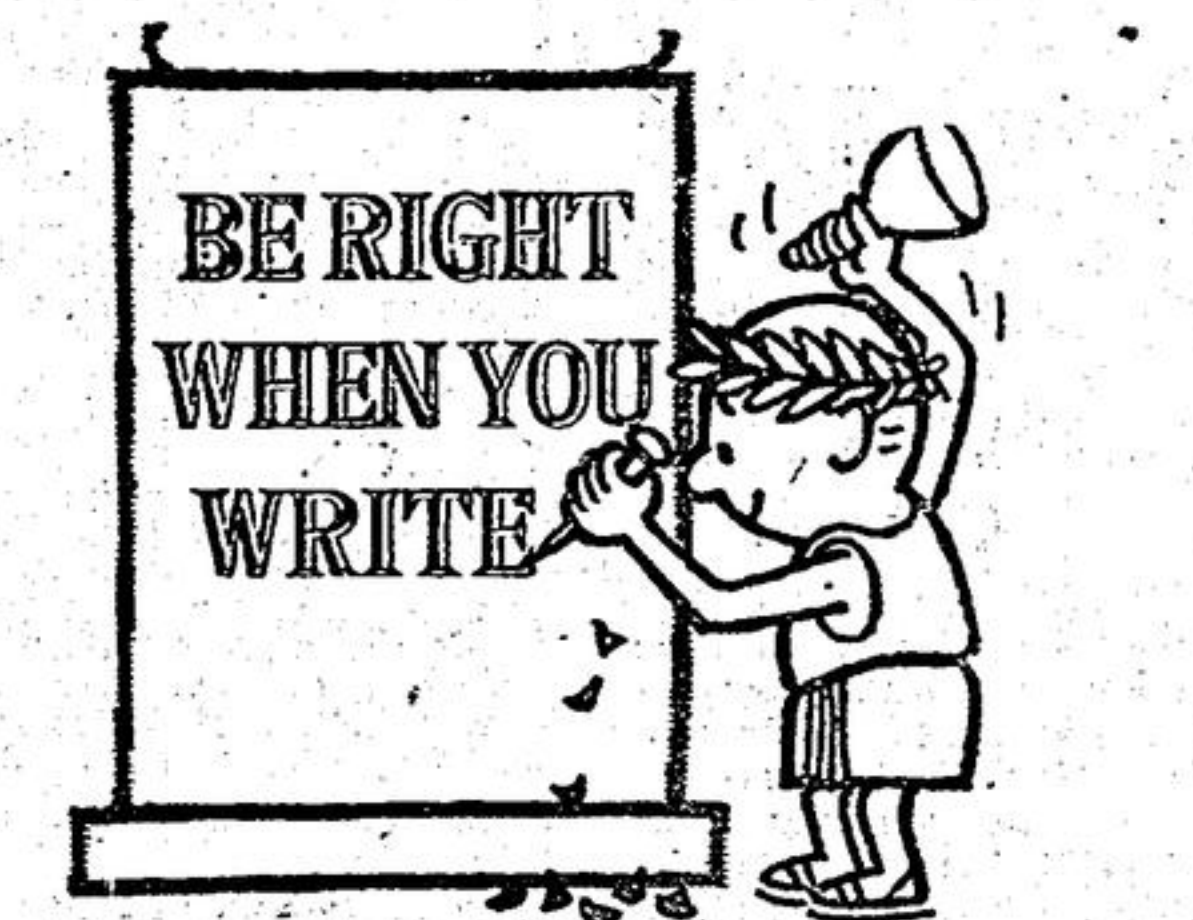

Poor horse. His reward for a lifetime of hard work is rain in the face. Why doesn't the boss get the roof fixed? Even a horse knows that leaks left unattended just get worse. Thirty Old Masters from the great museums of Europe, insured for more than \$2,000,000, received bush-hush V.I.P. treatment when they were transported to Ottawa from Montreal airport and the port of New York for the inaugural exhibition in the new quarters of the National Gallery of Canada. Canadian National Express, which was responsible for the precious shipments, provided portable propane heaters, which maintained an even temperature of 60 degrees in the trucks carrying the pictures from plane to train and from train to Gallery. CNR armed guards kept watch every step of the way.

The lower photograph shows a painting being unloaded from the express truck at the Gallery. The picture being lifted from its crate in the upper photograph is "Portrait of a Man", by Carracci, lent by Naples. Signor Benedetto Civiletti, Superintendent of Monuments and Museums, Trieste, (centre) accompanied the shipment of the paintings from Italy. Second from left is Dr. Nathan Stolow, Chief of Conservation and Scientific Research, National Gallery of Canada, and at the extreme right is Donald W. Buchanan, Associate Director. The Old Masters will be on public view until April 5.
