

Girls, the best way I know to keep your family on the road to success, is through a good healthy savings account. When you've got money in the bank you can pay cash for the things you want, and take advantage of opportunity. Know where my husband and I saved the money to buy this new car?

THE BANK OF NOVA SCOTIA, naturally

CEDAR GROVE

With the unbelievably rapid disappearance of our snow, there is no denying the evidence of spring at last. The pussy willows which were pink a month ago, are grey and purring this week. Robins have been heard in the morning but not yet seen. We are running a veritable sanctuary for crows in Cedar Grove. The baby owls are hatching, the roads are breaking up and there

is "mud, mud, glorious mud" everywhere. That is this week to date but we are still in March and there is just no predicting anything until March has run her course.

There was no age limit on fun at the bowling party held by the Community Club last Saturday night. Mr. Freeman bowled three good games and Kenny Walton found a useful duty handing out balls. There were 58 in attendance and everyone had a wonderful time.

This is the doll's house presented to the Newmarket School for Retarded Children by the Explorer Group of the Victoria Sq. United Church. Pictured above (standing) are Dianne Donnelly (rear), Robyn MacDonald (far side) and Ellen Hoadley, members of the group. The house, which

was a project of the Explorer group over several years, was built with beautiful precision by Mrs. Ben Terry of Headford and is complete in every detail. The girls themselves made the furniture and appointments. Originally the house was intended for the children's Ward at York County

Hospital, but due to the overcrowded conditions it could not be placed there. Among those who worked on the project were Patricia Patterson Sharon Rumble, Sharon MacDonald, Judy Hart, Maureen Martin, Cynthia Easton, Janet Craig, Jean Maw, Christine Terry and Marcelle Storey.

The meeting for the Reesor Reunion was held last Wednesday evening and June 25th was the date set for the big day at Markham Fair grounds. Details will come along as the plans take shape.

The Community Club met at the home of Marg. and Les Millroy on Monday and it was decided to hold a new Euchre Five Game Series beginning April 18, the third Monday.

Notes About Neighbours
Warm welcome to the new son of Mr. and Mrs. Gib Whittamore who arrived last Friday and congratulations to the baby's parents.

We will soon welcome into our community Mr. and Mrs. Ashmore Reesor who were married last Saturday and will take up residence in the house formerly owned by Elgin Reesor. Mrs. Reesor was Marie Cowan of Markham.

Dates To Remember
Euchre will be held in Cedar Grove schoolhouse on Monday, April 4. The new Five Game Series will begin on April 18. All players are most welcome.

PINE ORCHARD

Miss Jeanne Lehman is convalescing at her home following an appendix operation.

Miss Helen Reid, Mr. Gibney, Mr. and Mrs. Doug Hope, Mr. and Mrs. Ed. Johnston attended the Co-op banquet Thursday night.

Mr. and Mrs. H. Reesor of Dickson's Hill have moved to our community having purchased the Jack Byrnes property.

Miss Jean Johnston, Mr. and Mrs. Ed. Johnston, Mr. and Mrs. Wilbur Shropshire and Mr. and Mrs. Walt Johnston, attended the funeral service of their cousin Leslie Feasby in Willowdale last week.

Mr. Harry Fisher spent Sunday at his home here.

Mr. and Mrs. Herb White and family were Sunday guests of Mrs. White's parents at Claremont.

The W.P. of the Church of

Christ took advantage of lingering winter and enjoyed a tobogganing party on the Linton hill Friday night. They returned to the home of Mr. and Mrs. H.

Lehman for lunch. Master Harley Wenbourne has returned from hospital where he had been under observation for a few days.

GLOP disappears like magic with the **AQUA-PURE** WATER FILTER

The amazing Aqua-Pure filters out the glop that puts the murk in drinking water, makes a wash look off-white, stains toilet bowls and basins, clogs pipes and appliances. Even if your household water looks crystal-clear, the Aqua-Pure will make it cleaner! Call us today.

ONLY \$34.75
with extra cartridge — quickly, easily installed. A single Aqua-Pure will filter all the water for a single dwelling. NOT A SINGLE TAP UNIT.

See demonstration at both No. 157, National Home Show, April 1st to 9th, 1960.

PONTIAC...THE "SIX" THAT EATS UP MILES...DESIGN THAT BEATS ALL STYLES

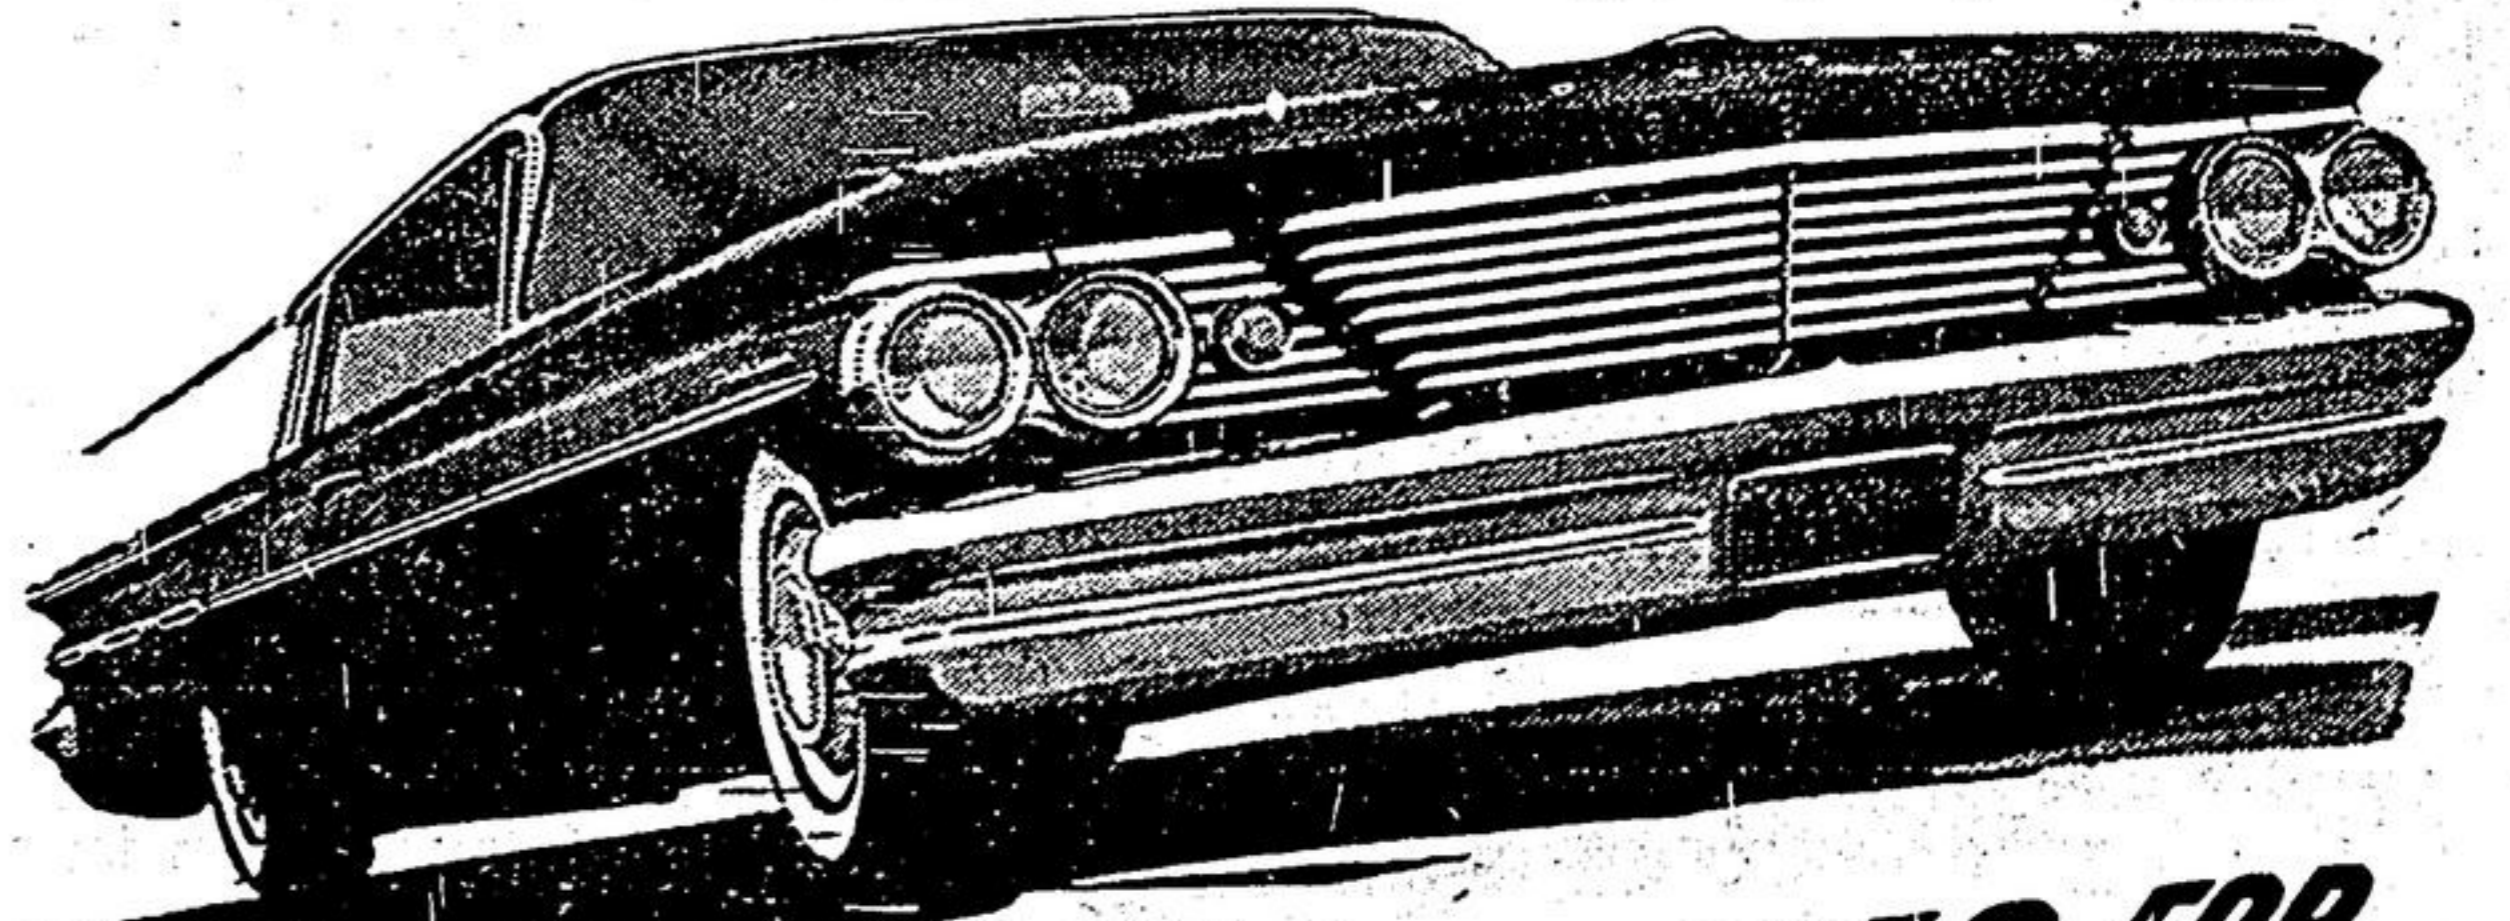

Pontiac's famous valve-in-head 150 hp Strato-Six engine is designed for greater gasoline efficiency and easier servicing...you save money and you do it in style!

Get on the open road with the year's most outstanding performer! Now's the time to become a partner, not just an admirer of Pontiac's fresh new look of perfection. Its award-winning looks are so in keeping with your particular way of life. Thrill to the dashing spirit of Pontiac's new Strato-Six power...efficient, capable power that takes you and five very impressed passengers

(and their luggage) anywhere—everywhere—with the ease of an Eight! Thrifty? You bet! With regular gas you save from the start. Dependable? And how! Pontiac's superb Strato-Six is designed for long-life, ease and economy. And if you want an "eight," Pontiac has four to choose from. Start a beautiful partnership by seeing your dealer, soon!

Pontiac's top-performing Strato-Six is one of the most modern sixes in the industry. It combines many high quality features not available in any comparable engine. Valve-in-Head design improves performance while keeping engine cooler and valve servicing simpler. And the Strato-Six's specially designed carburetor gives more miles per gallon than ever before.

CANADA AND CHINA...

Canada has been a nation for not quite a hundred years. In that time Canadians have earned a way of life unequalled outside North America and not even approached by countries whose histories go back thousands of years... countries such as China.

Part of Canada's success comes from her ability to produce steel. Canada, with a population under 18,000,000, produced 660 pounds of steel per person last year. China, with a population of 600,000,000, turned out 25 pounds per person.

This higher productivity comes from the factories Canadians have built. For example, The Steel Company of Canada, Limited has invested more than \$300,000,000 in its plants and equipment since 1940.

Canadians produce more mainly because Canadian companies are continually improving their plants and equipment.

THE STEEL COMPANY OF CANADA LIMITED

MONTREAL GANANOQUE HAMILTON BRANTFORD TORONTO

Canadian-made steel from Canadian-owned plants

The International Fashion Council, leading fashion authority representing 21 nations, recently presented this Award for Outstanding Design to the 1958 Pontiac.
