## Friends Surprise Gormley Lady on 82nd Birthday

Mrs. C. Millsted

Mrs. George French was very pleasantly surprised on Sunday afternoon when her friends came in for a surprise party in honour of her 82nd birthday. She was presented with a lovely plant, a delicious birthday cake and many other useful gifts. Mr. and Mrs. French both enjoy good health despite their years. We wish them many more happy years together.

April is Cancer Campaign month. The greatest riddle of the age is — Why do some body cells go crazy and become cancer? The best scientific brains of the century are searching for the answer, but it still eludes them. You can help them to find the answer by your support of the campaign of the Canadian Cancer Society.

## BALLANTRAE

There was quite a commotion at the Bill Corcoran's the other Monday. A racoon got into the house and wanted to play. It was hectic for awhile but finally Bill and the neighbours escaped or was it the coon? There was a good laugh for all in any case, and no one is the worse for the incident.

We have a very happy birthday this week. Mrs. Alice Hutchinson has her 83rd birthday on April 7th. Everyone sends heartfelt wishes for many more to come.

A great number from the community took time out last Thursday to go to the High School open house. We are particularly proud, though, of the fact that one of our local artists, Mrs. Laura Windsor, had a very fine painting on display.

There was a wonderful turnout at the Euchre last Friday — 10 tables. The Brownies were well pleased and everyone is to be congratulated for all the hard work that went into making it such a huge success. Thanks to all the pie makers and there were many. The lucky ones to take home prizes were, for the ladies — Mrs. Morton and Mrs. Badgero, and for the men, Mr. Stack and Mr. Ken Ogden. The door prize, a pair of bathroom scales, was won by Mrs. Myrtle Topper. Mr. Percy Pattenden very generously do-

nated a camera to be raffled off during the evening, and Mrs. Tom Card took it home, the winner. It was a fine night for all who attended and everyone went home well pleased.

The Brownie leaders had a special treat Monday. Mrs. McDermott, Miss Joyce Pattenden and Mrs. Glen Barber attended a dinner, held to celebrate the 50th anniversary of Guides in Canada. The dinner was attended by all leaders of the district command. To make this evening off possible, Mrs. Wm. Simpson and Mrs. G. Mitchell took over Brownies for the evening.
