ONTARIO LEGISLATIVE ASSEMBLY

Select Committee on Automobile Insurance

On April 6th, 1960, the Legislative Assembly of Ontario appointed a Select Committee to examine, investigate, enquire into, study and report on all matters relating to persons who suffer financial loss or injury as a result of motor vehicle accidents and, without restricting the generality of the foregoing, including all matters relating to:

1. Financial responsibility of operators and owners of motor vehicles;
2. The payment of claims inclusive of unsatisfied judgments and others, and also including the operation and coverage of the Unsatisfied Judgment Fund;
3. All aspects of compulsory insurance and other related and relevant plans, including the experience of other jurisdictions;
4. The operation of existing legislation and procedures in Ontario.

And to make such recommendations as are deemed advisable with respect thereto.

The Committee invites representations from parties interested in any or all aspects of the foregoing terms of reference. Such representations should be in the form of written briefs, twenty-five copies of which should be submitted to the Secretary of the Committee not later than September 15th, 1960. An opportunity will be given at a later date for those making submissions to appear in person before the Committee.

T. M. Eberle, Secretary, Room 252, Main Parliament Building, Toronto 2, Ontario.

Hon. James N. Allan, Chairman, June 8, 1960.

Pruning May Help New Evergreens

It irks a gardener to see his new evergreen looking more dead than alive—especially when he thinks of the price he paid for the thing. What's wrong?

Horticulturists with the Ontario Department of Agriculture say that evergreens in such a state may be revived with a slight trim. In pines, the wilting "candles" may be shortened; in spruces and firs, the new growth may be trimmed back, except the leader, which should be left alone. Evergreens with feathery growth (Chinese cypress) may be sheared lightly.

Shipping damage usually shows up about three weeks after planting. Most typical are broken ends that turn brown. Remove them with a sharp knife or pruning shears.

Spreading junipers have their troubles, as well. If they are packed too closely by the shipper, the main branches may split. Binding them right away with adhesive tape will give them a chance to heal. Growth should continue as usual.

It costs about \$15,000 a bed to build a general hospital in Ontario, and about \$6,500 a bed to run the hospital after it is opened.

Buttonville Home Falls Victim to Fire — Only Walls Left Standing

The walls of the Putnam home on 16th Avenue are still standing, but the contents and the interior were a total loss when fire swept through it on Wednesday morning of last week. Firemen stated they had never before seen such devastation without the walls crumbling. Mrs. Putnam and her son George were sleeping when the fire broke out. George awakened in time to rescue his mother, but the family dog was lost. Mr. Putnam was in Quebec on business at the time.

Mrs. Putnam was taken to the Scarborough General Hospital suffering from smoke poisoning and George is presently staying with Mr. and Mrs. Alick Gardner who are neighbours. At last report it is expected Mrs. Putnam will soon be well enough to join her husband at a Toronto hotel until repairs to the house are completed.

Brown's Corners WMS — W.M.S. members of Brown's Corners United Church met in the church parlours on Wednesday afternoon of last week, with 18 members present. Mrs. A. W. Miller was pianist in the absence of Mrs. S. J. English, and Mrs. Wm. Rodick occupied the chair.

During the business session it was announced that the Sunday School picnic would be held at Cedar Beach Park, Musselman's Lake on July 5th. Approximate proceeds from the M-F Farms dinner on May 21 were \$225.00.

Value of the Bale sent to Indian Springs, Manitoba, in May was \$162.66, with shipping charges amounting to \$2.72. Remaining clothing will be sent to 100 Simcoe St. and Fred Victor Mission. A special thanks was voted to the family of the late L. A. Hood for a donation of new clothing saved from store stock, and to Mr. Aubrey Stephenson who provided trucking for the bale. Mrs. Baker paid tribute to Supply Secretary Mrs. Collopy of the W.M.S. bale headquarters whose death occurred recently.

The devotional service was taken by Mrs. F. W. Baker on "God's gift of the Spirit." Mrs. Baker gave a resume of a talk by Rev. Morris of Aurora at the Sutton Spring Rally.

Offering was taken by Master Paul Steffler, after which a hymn was sung. A report from the Spring Rally delegate Mrs. A. Parider was read by Mrs. Wm. Rodick, and following this Mrs. Reid, Mrs. A. F. Binnington and Mrs. Leaf gave resumes of Observer articles on the Alcoholic situation in Canada.

Following the programme, refreshments were served by the committee in charge, Mrs. A. Stephenson, Mrs. W. Brumwell and Mrs. F. Leaf. Mrs. Stephenson tendered courtesies.

Bowling Banquet—

Buttonville W.I. members catered when a party of 40 local bowling enthusiasts held a dinner at Buttonville Hall.

Guests were served a turkey dinner and afterward spent the evening dancing to recorded music. Many of those present were employees of Arnold Farms.

Folk Festival—

An event of wide interest took place at Buttonville W.I. Hall

on Saturday afternoon of last week, when members of more than 20 ethnic groups with backgrounds extending round the world met for a folk festival and display dances, gymnastics and choral art from many lands.

Official greetings were by the Honourable Senator Jas. Gladstone, and the group was sponsored by the Canadian Council of Christians and Jews in co-operation with the Canadian Citizenship branch, the Ontario Folk Festival Society, the International Institute, University Settlement House, the Toronto Japanese Canadian Citizens Association, and the immediate sponsoring group — "The Village Folk Dancers" who are comprised chiefly of the former John Madsen Folk dancers.

Carson Whelan was the Stage Manager, J. Collingwood Reade the narrator and Rev. Richard D. Jones and Vi King were directors.

The park-like surroundings at the rear of Buttonville Hall provided a cool and pleasant place for the family parties which thronged to the event, from the heart of Toronto.

In the afternoon a pageant entitled "Canadians All" was presented, with participating groups of Indian, French-Canadian, Israeli, Polish, Ukrainian, Chinese, Scottish, Japanese, Croatian and German origin taking part, presenting colourful dances, choruses and Judo acts.

From 5:00 p.m. to 7:00 p.m. there was a picnic time, and then followed an evening programme in which members of Latvian and Negro groups sang and there were dances by Hungarian, Austrian, Lithuanian, Czech, Spanish and Slovak groups as well as demonstrations by the International Folk Dancers, and the Village Folk Dancers, and also by the German Gymnastic Organization.

The evening was brought to a close with a sing-song led by a stringed group known as the Travellers, and folk dancing for everyone.

Throughout the afternoon and evening Buttonville W.I. members served coffee and refreshments.
