## Collis Leather Waste Still Posing Problem For Whitchurch Twp.

Whitchurch Twp. council members are concerned regarding the continued dumping of waste from the Aurora Collis Leather Co. The dumping ground is located on the 2nd concession, and has become a veritable cesspool of waste material. Council last week instructed Clerk Jack Crawford to request the Ontario Water Resources Commission to have a representative at a forthcoming meeting with Aurora Council.  
 Council is concerned as to whether or not the constant seepage may have some effect on the township water supply.

Consumers' Gas Co. has received approval to lay a 2" gas main for 250 ft. west on Rose Ave. The main will be laid up the shoulder of the road.  
 The Bell Telephone Co. was given approval to place telephone cable below ground at a number of locations throughout town.

**Reeve Lehman** and deputy-reeve Wagg will attend the Mayors and Reeves Convention at Cornwall.  
 Stouffville Cemetery Commission has been re-named by bylaw. The members are now Don Davis, Lloyd Jennings and L. E. O'Neill.
