## Laugh Of The Week

"Just look at that moon! ... Doesn't it make you want to get right home and work on a rocket ship?"

## Buttonville Power Mower Chews Up Holiday Pay

Neighbourhood Notes —  
 Mr. Hank Coleman was do-  
 ing his good deed for the week,  
 cutting the grass at Brown's  
 Corner Church, when the mower  
 began to make ominous noises.  
 Mr. Coleman investigated,  
 and found to his chagrin that  
 his wallet, containing his holi-  
 day pay had dropped from his  
 pocket and was being chewed  
 up along with the grass. We  
 hope Mr. Coleman's banker was  
 in a sympathetic mood when he  
 called on him next morning  
 with a handful of clippings.  
 Mr. and Mrs. James Rodick  
 and Rev. and Mrs. Morrison  
 Seller who have been visiting  
 at the Rodick farm, motored to  
 Amherstburg last week. The  
 party were guests of Rev. Clif-  
 ford and Mrs. Brown, former  
 parishioners in Mr. Seller's  
 church at Owen-Sound. On Sun-  
 day Rev. Seller was guest  
 speaker in Mr. Brown's church.  
 Mr. and Mrs. A. W. Miller  
 motored to Guelph last Sun-  
 day to visit Bob and Mary Lou.  
 Bob left early this week with  
 members of his firm to work on  
 a project in the Northwest Ter-  
 ritories.  
 Mr. and Mrs. Walter Craig  
 bade two of their sons Goodbye  
 this week. Early Monday morn-  
 ing John left by plane to rejoin  
 his ship at Halifax, and Fraser  
 left for Sault Ste. Marie with  
 Beamish Construction on Tues-  
 day morning.  
 Keith and Mildred Hood re-  
 turned recently from Dallas,  
 Texas, where they travelled as  
 part of the East York Barber-  
 shoppers party, attending the  
 annual competition for Barber-  
 shoppers of America. The East  
 York singing group placed 3rd  
 among entries from all over the  
 continent.  
 Mr. and Mrs. Ken Gray re-  
 turned to Kirkland Lake last  
 weekend following a visit with  
 Mrs. S. J. English at Braedoon  
 Farm.  
 Mr. and Mrs. Vincent Hol-  
 land returned Saturday from a  
 two weeks' camping trip with  
 their family.  
 Mr. Pratt has had a bout  
 with pneumonia recently and is  
 still not able to be up, but is  
 making good progress, we are  
 happy to say.  
 On Sunday Mr. and Mrs. C.  
 Hooper and Mr. and Mrs. Bill  
 Champion and their children at-  
 tended the annual reunion for  
 Unionville Junior Farmers held  
 at Woodland Park.  
 Marilyn Musselman enter-  
 tained several friends on Wed-  
 nesday of last week. The occa-  
 sion was a birthday party.  
 W. I. quilters are alerted to  
 be on hand Tuesday of next  
 week for a quilting. The place  
 will be announced later.  
 Vacation School —  
 Two record breaking days  
 and a record breaking year in  
 attendance, made the Vacation  
 School held at Headford Church  
 and supported by the Victoria  
 Square Charge the most suc-  
 cessful school yet held.  
 The famous Vacation School  
 weather record held, with only  
 one slightly damp morning. No  
 classes were inconvenienced  
 and the ordinary schedule was  
 kept.  
 On Wednesday and Thursday  
 attendance of pupils and leaders  
 reached a total of 160 and 163—  
 129 children and 31 and 34 lead-  
 ers.  
 For such a large number of  
 children it is notable that the  
 week passed without casualty of  
 any sort, with the exception of  
 a bent fender on the Mortonson  
 bus.  
 The school has leaders of ex-  
 ceptional ability, in both Bible  
 study and crafts and no interest  
 was lost.

## Unemployment Jumps 36% Over Last Year In the Local Area

Unemployment in this area is  
 about 35% higher than it was  
 last year at this time.  
 The week ending June 30,  
 1960, showed 1187 people, 763  
 males and 424 females seeking  
 jobs at the Newmarket unem-  
 ployment office. A year ago this  
 time a total of 795 people, 497  
 male and 298 female were reg-  
 istered at the office.  
 "However, this figure is not  
 quite as drastic as it seems,"  
 said acting manager, Mr. R.  
 Loucks from the unemployment  
 office in Newmarket. "Our re-  
 cords show the number of peo-  
 ple who are already employed  
 and seeking new jobs as well as  
 the number actually unemploy-  
 ed. There has also been a great  
 increase in population in this  
 district during the past year,  
 which naturally increases the  
 number unemployed," he said.  
 The Newmarket office covers  
 the townships of Whitechurch,  
 King, East Gwillimbury, and N.  
 Gwillimbury; and it also covers  
 parts of Georgina township and  
 Uxbridge.  
 The largest group of people  
 unemployed at the present time  
 are construction workers. Car-  
 penters, brick layers, and lab-  
 orers are all seeking employ-  
 ment.  
 Farm workers will have the  
 easiest time to get jobs right  
 now. The Holland Marsh which  
 usually takes a great many off  
 the unemployment lists is about  
 a month behind in planting, and  
 is just now needing help.  
 Many of the openings for farm  
 workers are filled through un-  
 employment agencies in Tor-  
 onto. "We can fill most of the  
 vacancies," said Mr. Loucks,  
 "but many of the people regis-  
 tered with us won't take this  
 type of work, and we have to  
 find people in the city."  
 Right now in Newmarket of-  
 fice jobs are available for sta-  
 tionary engineers, salesmen, li-  
 censed motor mechanics, cooks,  
 waitresses and stenographers.

Avenue near Beamish Construc-  
 tion. Two cars, driven by Salva-  
 tore Accardi of Ossington Ave.,  
 Toronto, and Glen Westlake,  
 Richmond Hill, suffered \$200.00  
 damage when they were in col-  
 lision, but there was no person-  
 al injury.  
 Still on July 12, at Don Mills  
 Road and 14th Ave., there was  
 \$400 damage to the car driven  
 by S. Dunkerly, Scarborough, when  
 his brakes failed and his car  
 collided with one driven by J.  
 Lee, of Toronto. Damage to the  
 Lee car was \$250. P.C. Bob Had-  
 den investigated.

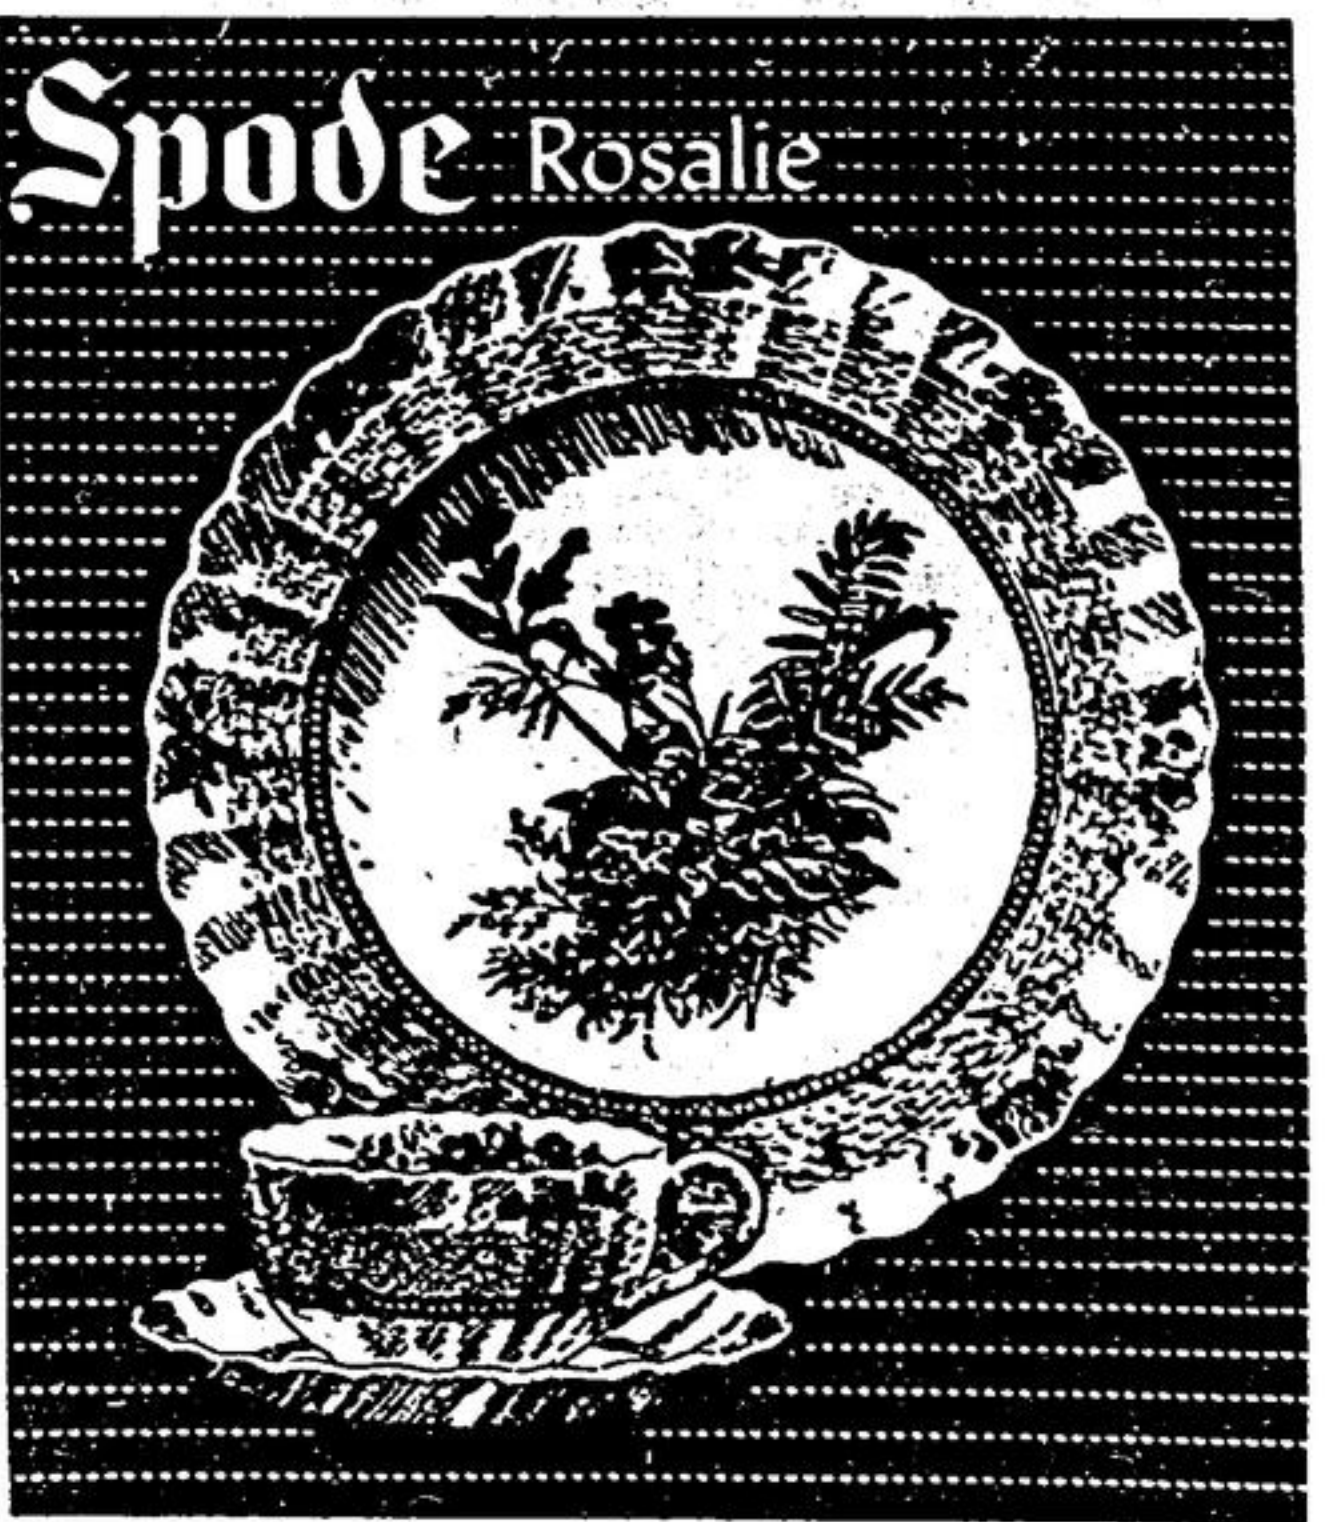

On Wednesday, July 13, a  
 slight rain created hazardous  
 road conditions and three acci-  
 dents occurred below No. 7  
 Highway, two at 14th Ave. and  
 one half a mile further south  
 on Don Mills Road.  
 A car driven by Kenneth  
 Hughes was a total loss when he  
 lost control of the vehicle  
 near the Tooley residence. The  
 driver escaped without injury.  
 Wm. Sande, Mrs. Wellman,  
 Mrs. C. Lee, Mrs. E. Leek,  
 Misses Judy Hord, Sandra Burr,  
 Jean Maw, Janet Craig, Mrs. S.  
 R. Patterson, Mrs. Joyce, Mrs.  
 Tennyson, Mrs. Burton, Misses  
 Judy Hart, Margaret Patterson,  
 Sharon Rumble, Donna Denby,  
 Mrs. Bennett, Mrs. Watt and  
 Mrs. F. H. Leaf.

On Friday evening of this  
 week leaders will meet at the  
 home of Mrs. Joyce, Bayview  
 Avenue, for their annual meet-  
 ing.  
**Heavy Week for**  
 Markham Twp. Police —  
 During the week of July 11,  
 17, Markham Township Police  
 were called to 12 road acci-  
 dents. No serious injuries were  
 reported but property damage  
 was high in many cases.  
 On July 12 P.C. Kelly investi-  
 gated an accident on Bayview

overturn. P. C. Al Chadwick in-  
 vestigated — Mr. Wagner was  
 not injured.  
 On July 17 there were two  
 serious accidents — one on Bay-  
 view Avenue two miles south  
 of No. 7 Highway involved a car  
 driven by Mike Wadsworth of  
 Willowdale who was driving  
 south, passing in the left lane,  
 when he collided with a car  
 driven by John Thompson of  
 Thornhill. Damage to the Wadsw-  
 orth car was \$1200, and to the  
 Thompson car \$250. No in-  
 juries. P.C. Chadwick investi-  
 gated.

At Victoria Square on Sun-  
 day evening an accident was  
 caused when John Archibald of  
 Richmond Hill turned off the  
 Victoria Square Sideroad, onto  
 Don Mills Road in heavy traf-  
 fic. His car was in collision with  
 one driven by Kenneth Fulford,  
 Scarborough, who was driving  
 south on Don Mills. Damage to  
 the Archibald car was \$1,000,  
 and to the Fulford car \$500.  
 P.C. Kelly investigated.

Officer Harvey Cox of the  
 Markham Township Police tells  
 us this is one of the heaviest  
 weeks the force has had.  
 "To start the day right, do  
 something pleasant when you  
 first wake up," says a psycholo-  
 gist. One of the most pleasant  
 things you can do, is to turn  
 over and go back to sleep.  
 Essential for Canadian eco-  
 nomic growth is increased sav-  
 ing by Canadians so that there  
 can be investment which results  
 in new productivity, new wealth  
 in goods and services.  
 Borrowing neighbors are al-  
 ways very glad to take most  
 anything but a hint.
