

Cedar Grove News

All we need to make news in Cedar Grove is one week without a paper. Mind you, very little of the news has been good but by this week it is merely a case of getting it on record — everyone is well aware of the happenings.

Ira Crichton had a frightening time last week with a nineteen year old lad who decided to take advantage of her being alone and try to steal money. He did some pretty fast thinking and the police apprehended the youth before he got very far away. It is too bad these

young men get ideas about making the "fast buck". They never get away with it and it makes housewives very leary of an honest man who really wants a drink or a bite to eat.

Wally Reesor caught a finger in the baler and nearly lost it while haying recently. In this wonderful age it is not necessary to forfeit the finger, following such an accident, it is simply replaced, put in a cast and allowed to heal. But it must be a painful process.

Latest news of A. W. Milroy.

who suffered a stroke a few weeks ago, is encouraging. He was sunning himself in the garden over the weekend.

Here is some very late news but so good it deserves special mention. Lola Reesor, in her second year at High School, won the Junior Championship for Markham District H.S. in track and field. This is an honour won by year-long achievement, not just a case of winning events at the year end. In the competition with Pickering H.S., Lola won two seconds and one first in three events, the most each contender was entitled to enter.

Just under the wire Good News: Eleanor and Murray Sewell are the proud parents of a baby girl, born Sunday evening. Isn't it Sunday's child that is the best of all?

Bob Dare and his son Gary and Don McClellan had a few days fishing at Marble Lake last week-end, and came home with fish. Hooray!

In spite of the forecasts, good weather held over the weekend for both the Sunday School picnic at Greenwood Park on Saturday and the Junior Farmers Picnic at Woodland Park on Sunday.

Holidays are beginning — Lloyd Clendenen left last Wednesday for Alaska by plane, train and boat. Myrtle Hamill, Marion McCowan and Jean Miller will be in Europe by now.

Bible School started Monday morning with a lot of happy little children anxious to attend school in the holidays. Swimming lessons are no doubt conflicting with Bible School for some of the older children but the first swimming session is over this week.

Friends and neighbours held a bridal shower at the home of Mr. and Mrs. Clarence Hood in honour of their daughter Gloria, on Thursday evening.

Lintner who is making his home with his son Ted. His daughter and six sons and their families were all together for the day. Forty-eight relatives and friends partook of a delicious buffet lunch, the center of which was a large birthday cake.

Miss Anne Lintner, R.N., and Miss Heather Davies of Toronto and Mr. Don Ansley of Whitby. Several grandchildren were unable to be present.

Goodwood News

Mrs. R. May

Sincere sympathy was shown to Mrs. Russel Storry and son and daughter and other relatives on Saturday when Goodwood United Church was filled for the funeral of Mr. Storry. Mr. Storry was another victim of Bloomington corners when a loaded gravel truck struck his car and threw him out, where the car turned over onto him. We can't help but think of Mr. and Mrs. Stafford and Mr. Wally Blacklock who all met untimely deaths on the same corner. How many more have to die before something can be done to that destructive corner where we now dread to cross?

The July meeting of the Baptist Mission Circle was held at the home of Mrs. Harry Woodland on July 5. Mrs. R. May presided over the meeting. Mrs. C. Jones brought mission news and read letters from son Benny at the Baptist World Congress in Bolivia. Mrs. P. Pugh had a splendid program based on India Mission Work.

There were seventy-two tired folk returned home to Goodwood after a very happy picnic on Saturday. Swimming was good, baseball game very exciting and races created lots of fun, with watermelon as a side attraction. Mrs. Fred Woodland was eldest present and Leonard May the youngest.
