Homemakers Club Fills Need in First Claremont Cases

The Homemakers Organization, sponsored by the Pickering Village and Township Branches of the Red Cross Society had its first Claremont calls in July. Within a few hours after the requests were forwarded to Mrs. E. G. Allman, the wheels were put in motion to have two local ladies posted in village homes during the absence of the mother. Mrs. Hanthorne moved into the residence of Mrs. L. Almack to care for their four children, ranging in age from 2 to 13 years. Mrs. Chas. Burton was sent to the home of Mrs. Irene Levick to take charge of a family of five. The Tribune visited both residences last week.

To date, the Homemakers Club has had a total of twenty cases since November 1959. Mrs. Allman told the Tribune that not one single complaint had been registered. All Homemakers are carefully screened by the Red Cross Supervisor Mrs. Hartwell, and now Mrs. Bryant of Pickering. They meet monthly at the Red Cross Centre on the Brock Road.

Mrs. Allman explained that a Homemaker's main requirement is a thorough understanding of children. She must be prepared to look after normal housekeeping chores under varied conditions. "We want the parents to feel that they haven't a worry in the world," she said. The Homemakers Club is, of course, only one of the many projects promoted by the Pickering Society. "It's a marvellous organization," continued Mrs. Allman.

At the Levick residence, Mrs. Burton takes over at 7:15 a.m. and remains until six o'clock. "I see that the children obtain three square meals a day," she said. Mrs. Hanthorne stated that she would remain at the Almack home "as long as necessary".

Mrs. Allman pointed out that she was pleased that the Organization's services had been requested since it would give the northern representatives an opportunity to turn their knowledge toward a practical use. Each Homemaker is trained for her job.

Stalled Auto Thrown 50ft. By Freight Train

A Scarborough man, his wife and family scrambled from their stalled car moments before it was struck by an eastbound freight train at the CPR railway crossing, on the Old Greenwood road, north of the 4th Concession, Pickering township, last week.

Archibald Porteous, 30, of 3 Wonderland Dr., Scarborough, told police that he slowed for the crossing and then his car went part way onto the tracks and the motor stalled. The train was bearing down on them and he told his family to get out "quick".

With him was his wife, Frances, 27; two daughters, Heather, 8; Doreen, 7; and his son, Wil-

iam, 3 years old. Visibility at the crossing is poor and drivers have to approach close to the tracks to see both ways. The crossing is not protected by signals.

Many complaints have been heard about the crossing which is on the road leading to the Greenwood Conservation Park. Each weekend hundreds of cars travel the road to visit the conservation area.

Engineer on the freight train was Joseph Golkin and the conductor, Orville Wood. Its destination was Trenton. No damage was done to the engine, but the car is a total wreck. It was thrown 50 feet by the impact.

Wins Dairy Princess Competition

The annual Ontario County Dairy Princess Competition was held in conjunction with the Ontario County Holstein Club Twilight meeting on the farm of Mr. Chas. Hadden and Son, Blackwater, on Tuesday, July 26th. The winner of the competition was Miss Betty Noble, Uxbridge, R.R. 2. The runner-up was Miss Carol Smith, Uxbridge, R.R. 3.

Makes a man feel ten feet tall! What does? Why, having money in the bank, of course! When you've got a nice pad of savings behind you, you can take advantage of sale prices. And when you spot something you want, you can pay cash for it. Or, if someone in the family gets sick, it's nice to know the money is right there to look after him. The fact is, everything in life looks better when you've got cash in the bank. And it doesn't take long to run up a nice sum when you make small but regular deposits. Yes sir, money in the bank really does give a man that ten-foot tall feeling. Do you know where I save my money?

"Piece Work" Pickers Invade Gribble Brothers Gardens

Ten years ago, Harold and Ernest Gribble cultivated seven acres of market garden produce on their father's property at Thornhill. Today, 64 acres of land at both Goodwood and Uxbridge is abounding in the fruits of their hard work.

The family moved to Goodwood in 1955. The following year, they planted 18 acres of crop. In 1959, they acquired still more land and this year they expanded further. They deal almost entirely in wholesale trade. They supply produce to the A. & P. and Loblaw Stores.

Gribble Bros. concentrate their efforts on the cultiva-

tion of four specific crops, peas, beans, squash and turnips. They have 12 acres of peas and the turnout to date is one of the best in many seasons. The bean crop is also expected to be about average.

The labour force on the Gribble property consists mainly of teenage girls and boys from the Goodwood and Uxbridge areas. They pick on a piece work basis. The average employee will earn between 75c and \$1 per hour. One enthusiastic worker was making \$1.25 per hour. At one point at the peak of the peapop fifty persons were employed. More than thirty were picking

E. A. Innes Is Speaker At Holstein Meeting

Mr. E. A. Innes, President of the Holstein Friesian Association of Canada, was the guest speaker at the annual Ontario County Holstein Club Twilight meeting which was held on the farm of Mr. Chas. Hadden and Son, Blackwater, on Tuesday, July 26th.

Mr. Innes was Agricultural Representative in Ontario County from 1936 to 1941. Since 1941 he has been farming near Brantford and has been quite successful with the breeding of Holstein cattle.

In his talk he pointed out the necessity of maintaining high quality in our Holstein cattle. He recommended that more Holstein breeders use Record of Performance testing on their cattle and also to take advantage of the grading service that is provided by the Holstein Friesian Association of Canada. He also congratulated the Ontario County Holstein Breeders on their outstanding success at the local and major shows in the Province of Ontario.

The evening programme began with the judging of two fine classes of Holstein cattle. Mr. Garry Nelson, Holstein Fieldman, was in charge of the judging competition. The official placings were made by a panel of five prominent Holstein breeders in the area. Some 600 people took part in the judging competition; there were over 90 Ontario County 4-H Club members taking part in the Junior Division of the competition. The

various division winners were: Junior—1st, K. Gough; 2nd, Evelyn Page; 3rd, Brian Jamieson.

Ladies—1st, Mrs. Ada Wickert; 2nd, Mrs. Nelson Armstrong; 3rd, Mrs. Fred Wilson.

Men's—1st, Billy Cook; 2nd, Ed Seedhouse; 3rd, Gordon Madill.

In the Weight Guessing competition the winner was Roy Wilson and in second place Lloyd Thompson.

The presentation of prizes to the winners was made by Mr. H. L. Fair, Agricultural Representative, assisted by Mr. Harold Page.

A group of ladies from Brooklin provided a number of very fine musical selections.

Mr. Cecil Disney, Vice-President of the Ontario County Holstein Club, thanked the speaker for his very fine address, Mr. Hadden for the use of the farm and all others who had contributed to the success of the Holstein Twilight meeting.

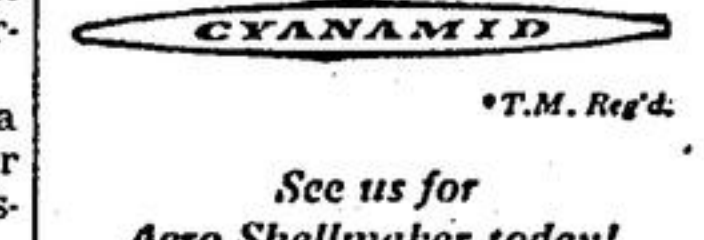

Mr. Morrison Colville, President of the Ontario County Federation of Agriculture, presented prizes to the Dairy Princess Miss Betty Noble, and to the runner-up, Miss Carol Smith.
