THE STOUFFYILLE TRIBUNE Thursday, September 15, 1960

Pickering Engages Assessment Expert at \$100 per Day

Appeal Against County Could Cost Over \$3,000

Pickering Township Council has engaged the services of an expert on Municipal Assessment to assist them in their legal battle with the County of Ontario over the 1960 Equalization Bylaw. Mr. Paul Mantha of Ottawa has been acquired on the advice of the township solicitors. No member of council voiced any objection to the plan to proceed with the appeal. The matter was discussed at a regular meeting on Wednesday

Reeve Sherman Scott warned the members that the issue could cost the township considerable money. Mr. Mantha will receive \$100.00 per day. Reeve Scott suggested that the case might involve a total of 30 days, including the court hearing. If this period of time is required, the township will expend \$3,000 for the outside service. Both the towns of Whitby and Ajax have also registered appeals. Reeve Scott noted that the County and some northern municipalities had acquired the services of solicitors to protect themselves against the appeals.

"I think we must realize that we are getting into a costly legal gamble," said the reeve.

"Even if it costs us \$5,000 it would not be too much if we must pay a \$17,000 increase per year," stated councillor Ross Deakin.

"This is a new basis of assessment and as far as I'm concerned, it's wrong," suggested Deputy-Reeve Ross Hawthorne.

Reeve Scott charged that no satisfactory explanation had yet been given to him with regard to the increase. He pointed out that the county had checked the assessment on 100 lots within the township and had compared them with 100 lots in another municipality and arrived at the conclusion that their sales value was considerably higher. The reeve noted that the three individual appeals would all be heard as one.

"I feel we should proceed," agreed Councillor Clifford

Reeve Scott informed the members that the Appeal Court would meet in October.

Co-Op Meeting Sept. 28

The annual meeting of the Claremont Co-operative will be held on Wednesday evening, Sept. 28th in Claremont United Church. The Banquet at 6.30 p.m. will be followed by a business meeting at eight o'clock.

Since there will be accommodation for only 130 dinner tickets early. They may be ob- vey Spang voted in the negatained at the Co-op Store or tive. from any Director. Members, unable to attend the banquet, are requested to be present at the business session.

The retiring directors are Messrs. Ralph Faulkner, Aylmer Hood and Lewis Jones. The latter is not eligible for re-election. The President is Mr. Allan Ellicott. The Secretary is Mr. R. Faulkner.

Claremont School Attendance Levels Off At 158 Pupils

It would appear possible that the 1960-61enrollment at the Claremont Public School has levelled off somewhat, according to the latest figures as presented to the Tribune by the Principal, Miss D. Johnson. On Sept. 8th, 158 boys and girls had been registered. This is an increase of three students over the same period in 1959 but a slight decrease since June. All rooms in the school are comfortably

The largest enrollment is in grade 2 with 27. There are 19 in grade 1. Other class attendance figures are as follows: Grade commemorate the building of miniature pyramid. The laying 3-22; grade 4-10; grade 5-21; of each stone represents to them | grade 6-20; grade 7-18 and grade

There are 14 beginners in grade 1. The next heaviest class

Announce Winners at CNE Judging

A number of Junior Farmer and 4-H Club members from Ontario County attended the Junior Day at the Canadian National Exhibition on Wednesday, Sept. 7th, and took part in the various sections of the judging competition.

This was a very splendid day for the Juniors with some 350 boys and girls from all over the Province of Ontario competing. There were classes of beef and dairy cattle, sheep, swine, grain, roots, fruit and vegetables to judge, also a tractor

driving competition. The boys and girls participating were entertained after the competition at a complimentary dinner and were also given complimentary tickets to the grandstand for the night perform-

Refuse to License Wrecking Yard

Mr. Harry Ashton, Bylaw Enforcement Officer for the Township of Pickering, has advised against the issuing of a wrecking yard license at lot 16, conc. 9, east of Claremont. He presented Council with both a written and a verbal report at a regular meeting on Wednesday evening. One ratepayer was present to register a protest.

Mr. Ashton pointed out that since the site was close to the entrance to the village, it would create a nuisance to present and future residents in the area. He pointed out that the new homes being erected in the district are of a good type. He said that the County also registered an objec-

Further Protests

The request for a wrecking yard license on the Station Rd., filed by Mr. Wilcox through his Solicitor, has raised considerable protest. Mrs. J. E. Lusted was present to register her complaint. She suggested that his business should be confined to conc. 5 "and not spread over the entire township". She contended that it would tend to lower the value of her land.

Reeve Sherman Scott suggested that a complete report would be obtained by Mr. Ashton, the Bylaw Enforcement Officer. He agreed that other objections had been raised.

Crime Wave Ends With 48 Charges
