High School News

Last May at the Eckardt track-and-field meet held at Pickering College, a Stouffville entry stole the show in the Junior 440 yd. relay event. These four girls, Diane Nicholson, Joan Foote, Beverly Kidd and Marlon Byer smashed all previous records when they breezed through the course in an amazing 58 seconds, thereby establishing a new track record.

Despite rough competition from Markham, Richmond Hill, Aurora and Thornhill, the girls succeeded in bringing Stouffville into the limelight. We are grateful to them for gaining this prestige for our school and we congratulate them wholeheartedly on their excellent effort. At an assembly last week the girls received our congratulations personally, as well as an attractive medal awarded to them by the association sponsoring the Eckardt meet. Mrs. Lee, who made the presentation is also to be commended on her fine coaching job.

The final Student Council elections were held this week and the results were as follows: Second Vice President — John Corner; Editor — Glendyne Gordon; Assistant editors — Neil McMullen, Margaret Hoover. Room representatives: 9A — Dean Hawey; 9B — Roger Bursey; 9C — Erick Neilson; 9D — Gall Nelson; 9E — Ken Aida; 10A — Bob McNair; 10B — Beverly Silverthorn; 10C — Betty Smith; 11A — Lynda Nolan; 11B — Ann Barkey; 12 — Susan Ogilvy; S.C. — Diane Neilson.

The student body has elected some very capable people to manage the school affairs and we know they will endeavour to do their best throughout the coming year.

Athletic Associations — Few students realize what difficult tasks the Boys' and Girls' Athletic Associations must perform. Not only must they manage the intramural activities and various sports events within the school but the

responsibility of the various school teams lies with them also. These Associations are, in fact, the sponsors of our school teams. Football and basketball can't run on determination alone; they need financial support.

Each year a large sum is paid out for equipment, uniforms, transportation, advertising and referees. It is the job of these associations to supply this much needed support. In the coming year they will provide some excellent entertainment on their fund-raising campaigns.

Athletic nights, dances and film nights will be presented for your enjoyment; all that is asked for in return is your enthusiastic support. Of the two organizations the Boys' Athletic Association, due to the greater degree of participation by the boys in athletics, is usually the more prominent.

This year's Boys' Athletic Association executive was elected last week. Don Eddington will head up the roster as president and his five able vice-presidents in order of their election are: Roger Stover, Warren Hendricks, Ken Patrick, Roger Todd and Wayne Hamilton. The secretary is Lloyd Graves and the treasurer, Sam Bakewell.

Room representatives were elected as follows: 9A — Peter Kratzman; 9B — Peter Stover; 9C — Barbara Sanders; 9D — Eric Mortimer; 9E — Jim Hill; 10A — Bob Lee; 10B — Bob Wagg; 10C — Han de Heus; 11A — Brian Wilkes; 11B — Erick Montgomery; 12 — Jim Hill; 13 — Allan Boyd.

We know these boys will pitch in and make this year's association a successful one.

Zero-hour draws nearer and nearer for Grade nine. The Initiation Committee has been meeting behind closed doors and is plotting diabolically for this Friday Night. We urge all the students to come and watch the fun. A word of advice to Grade niners: "Keep smiling and roll with the punches."

GLEN MAJOR

Miss Mabel Baker, of Waterdown, spent the weekend with Mrs. Wm. Fiss and Edgar.

Mr. and Mrs. Joe Jones and Mrs. Jim Jones visited on Monday with Mr. and Mrs. Earl Anderson, Claremont.

Medallion Electric Homes

built with your dreams in mind

To be able to Live Better Electrically is all-important to modern families.

Recognizing this, the electrical industry has established a standard which will guarantee the excellence of a home's electrical system. A home that features the better installations and facilities that meet this standard is awarded the Medallion Symbol.

When you buy a home built to Medallion electric standards—you are assured of extra comfort, convenience and efficiency in these new important ways... all of which help to protect your investment.

1. FULL HOUSEPOWER—with plenty of circuits, outlets and switches.
2. PLANNED LIGHTING—a new high standard of lighting for all areas.
3. APPLIANCE CONDITIONING—at least one major unit is already installed plus wiring to accommodate additional major appliances.

You can modernize your present home to Medallion standards. All progressive builders and electrical contractors recommend and will install electrical systems that qualify for Medallion certification.

Be sure to see the Medallion Homes on display in your area during NATIONAL HOME WEEK September 17th—24th

LIVE BETTER ELECTRICALLY

Find out how you can have a Medallion Home. Call your electrical contractor or your local Hydro Office.

With a BNS Personal Security Program you can make sure Junior goes to college.

Be ready when the cap fits...

It may seem a long way ahead at the moment, but the time will come when Junior wants to go to college. And that will cost you money! To make sure the cash is ready when you need it, save the guaranteed way... with a life-insured BNS Personal Security Program; FSP—exclusive with The Bank of Nova Scotia—is just one of many useful BNS services. Visit your nearby branch today and find out how the BNS can help you with money matters.
