LEMONVILLE—
Thanksgiving Meeting of the Lemonville Woman's Association will meet at the home of Mrs. R. Gibbons on Wednesday, October 12 at 2:30 o'clock. A good program is being provided. A cordial invitation is extended to the ladies of the community. Come and let us meet together and give thanks for the blessings we have received.

CARDS OF THANKS

My sincerest thanks to all my friends, neighbors and relatives who remembered me with inquiries, cards, fruit, gifts and flowers during my stay in Uxbridge Hospital and since coming home. A special thanks to those sending in baking for Marshall. It was all greatly appreciated.
Viola Connor, Brougham.

The Resor family wishes to thank the many friends, neighbors and relatives for flowers, messages of sympathy, acts of kindness and gifts to missions, also the W.M.S. and ladies of the community for providing lunch during our recent bereavement in the sudden passing of Blake.

IN MEMORIAM

REDSHAW — In loving memory of our dear mother, Mrs. George Redshaw, who passed away October 4, 1956. There is an ache in our hearts today.

That countless time won't take away.
A place in our hearts that no one can fill.
We miss you dear mother, and always will.
Lovingly remembered by the Family.

SCHILL — In loving memory of our mother, Priscilla Schill, who passed away Oct. 5, 1947. Mother, oh mother, when we think of you.
We want to be all that is fine that is true.
All that is worthy, noble and grand.
Because it came from your guiding hand.
Lovingly remembered by Ethel and family.
Wesley and family, and Harvey's family.

BLACKLOCK — In loving memory of a dear husband and father, Wallace Blacklock, who was suddenly killed October 8, 1939.

The blow was great, the shock severe.
We little thought the end was near.
And only those who have lost can tell
The pain of parting without farewell.
More each day we miss you, father,
Friends may think the wound is healed,
But they little know the sorrow
That lies within our hearts concealed.
Sadly missed and lovingly remembered by wife and family.

MIDDLETON — In loving memory of my beloved husband, Walter Ernest, who passed away suddenly, Oct. 10, 1959.

We walked together, you and I
In sorrow and in joy.
We shared our pains and happiness,
With love, without alloy.
But death shall never end our love.
For through the mist I see
Our glad reunion in the skies,
For all eternity.
Lovingly remembered by his wife Margaret.

MIDDLETON — In loving memory of our dear Father Walter Ernest who passed away October 10, 1959.

If only he were back again
To share our lives, our joys,
To make our days complete again,
To mend the children's toys.
But he would not wish for sorrow.
He would not wish for tears,
But just to be remembered
Throughout the passing years.
Sadly missed by
sons Ernest and Verne,
& daughter Jean and families.

Invitation To Death

A plastic bag incident that happened recently in Port Colborne should be heeded as a warning to parents of children who could be involved in such an ordeal. A future incident may not be prone to end so well.

As a motorist who wishes to remain anonymous drove along the street, she noticed two quite small children on the steps of a building. One child was completely inside a large dry cleaners plastic bag and screaming frantically trying to claw her way out. The other child, too small to help, was standing by, just watching.

After tearing the bag off her and destroying it, the lady said the child was allright but crying hysterically and left to go on home.

While the plastic bags do an excellent job for the purpose they are intended, mothers and fathers should be certain that their child, no matter how old he may be, never is allowed to play with them.

Doing so could prove fatal within minutes.

Given Three Months on Charge

Charles Hemmingway, 37, of Markham Village, was sentenced to a three month jail term when he appeared in Newmarket Court on Monday to face a charge of drunkenness.

Police Chief Fred White said he found the man wandering around in an extremely dazed four previous drunk convictions fied that the defendant had been taken home by police on numerous other occasions. He has had four previous drunkconvictions this year. "He is very much in need of help," said Chief White.

In passing sentence, Magistrate Hollinrake stated that the accused had been given a three month period for treatment but with little obvious effect. "You are not able to help yourself and because of your record, I must sentence you," he concluded.
