WEDDING

HANDIERSLEY - SIBERRY Danforth United Church, Toronto, was beautifully decorated with standards of golden mums and carnations and gladioli on Saturday, September 24, 1960, for the marriage at 4 p.m. of Miss Mary Susanne Elizabeth Siberry, only daughter of Mr. and Mrs. Wm. Siberry of Victoria Square, and Mr. John David Hammersley, son of Mr. and Mrs. John H. Hammersley of Don Mills.

Rev. C. D. Matheson, B.A., performed the double-ring ceremony. The soloist was Mr. Wm. Shelby, who sang, "The Lord's Prayer," and "O Perfect Love". He was accompanied at the organ by Mrs. Lorna Holmes.

Given in marriage by her father, the bride looked lovely in a gown of gardenia white bombazine, the torso-line bodice accented with seed pearls. The flared skirt swept to a cathedral train and a tulle band, trimmed with bombazine petals and seed pearls, held her bouffant illusion veil. She carried orchids and Stephanotis in cascade.

Mrs. Brian Holmes was matron of honour, and bridesmaids were Miss Connie Tucker, Miss Dianne Noseworthy, Miss Jennifer Hammersley, and Miss Judy Uren. The attendants were all dressed alike in gowns of bronze in waltz-length, blended prettily with their baskets of flowers in autumn tones. The best man was Mr. Robert Hammersley. Ushers were Mr. Emmett Grant, Mr. Michael Hunt, Mr. Douglas McMullen and Mr. Wm. Allen.

For the reception which followed in the Park Plaza Hotel for 190 guests, the bride's mother received her guests in a cocoa silk dress, beige velvet hat with brown tone feathers with matching accessories. Her corsage was three light green orchids. She was assisted by the groom's mother wearing a green silk dress, feather hat in fall-tones with green accessories. Her corsage was of tangerine carnations and orchids.

For travelling to Maine, the bride donned a two piece black wool suit, trimmed with white mink collar, white mink hat, white gloves, black shoes and purse. She wore a white orchid.

With social and club activities picking up for the fall, we again invite reports of the meetings, socials and anniversaries for publication in The Tribune. We also like to publish all the wedding stories and pictures, social and personal mentions and other news items we can get hold of. There is no charge for these items as they are of news interest to our many readers. A newspaper is a reflection of its community and sending in these news items helps to make it as complete a vehicle of local happenings as possible. Many organizations have appointed press officers to keep The Tribune advised of their group's activities. In some cases the group's secretary looks after sending in the report of the meeting. We wish more of the groups in the area would do this on a regular basis as it is the best way for them to advise the community of their activities and projects. In sending in reports, we suggest most important facts be stated first. That is, if your organization is donating \$100 to some project, say so in the first paragraph in preference to relating when and where the meeting was held. Also use plenty of names but provide sufficient identification. T. Jones can be confusing if there are quite a number of Jones with the Initial T. Give either a second initial or a complete first name.
