Markham Village solicitor, Paul Mingay voiced concerr over a second adjournment of a careless driving case scheduled to be heard in Buttonville Traffic Court on Friday morning. His client faces a careless driving charge. Magistrate N. P. Kelley stated

that it would be impossible to proceed, since no court reporter was in attendance. "With or without a reporter, we could not proceed since the

police officer is not present," stated solicitor Mingay. Magistrate Kelley noted that he did not favour the dismissal

of a careless driving charge. "If it is of such great importance, the officer should be present," said Mr. Mingay. He pointed out that the damage incurred in the accident was slight.

Magistrate Kelley informed the solicitor that the officer was in a senior court to present evidence in another case. "We will adjourn the hearing until Nov. 18th, at which time the case will proceed or be dismissed," he concluded.
