Routine Business At Council

With only a quorum present, Stouffville municipal council dealt only with routine business and accounts, at their regular meeting on Thursday evening. Deputy-reeve Ken Laushway and councillor Gar Lehman were absent. A communication was received from Mr. Len Haylow suggesting that a sewer line be placed across Highway 47 prior to laying of the new and wider pavement, so that they might serve his property and others, if and when they are annexed. Council members agreed that a lateral should go to the south side of the highway at either Winona Dr. or West Lawn Cres. before the highway work was completed and sewer committee chairman Lehman will be advised of their wishes on his return.
