It is not uncommon to have up to sixteen men taking part at one time. The private recreation room has proven very popular, especially during the winter. —Staff Photo

The performance of the 25-member Stouffville Figure Skating Club in Uxbridge on March 2nd, has prompted sports promoters in that town to organize a similar program next winter. The skating exhibition by Stouffville members was enthusiastically received by close to 1,000 spectators. The occasion was the official opening of the Uxbridge artificial ice arena.

United Missionary W.M.S. Meeting — Despite a stormy March evening, a large group of ladies met at the home of Mrs. Stewart Wideman, Ringwood, on Thursday, March 9, for a Women's Missionary Meeting. The service was conducted by the president, Mrs. E. Herbert, who opened with singing and prayer. The program was arranged by Mrs. George Timbers who led the devotional service. She spoke of "Hands", and the many loving services performed by them. Mrs. Bert Stouffer and Mrs. S. Wideman sang a duet. The guest of the evening was Mrs. John Madson, of Cherry Hill Farm, Unionville. Her subject was "The Love of God". She told of her own life and how in a time of deep sorrow she met Christ Jesus, and her life was changed. She also told of the joy which comes from a commitment of all to Christ, and of the need of becoming still so that His voice can be heard speaking to us. "Be still and know that I am God." Everyone was challenged to a life of deeper surrender.

C.G.I.T. Chocolate Sale — The Stouffville C.G.I.T. Girls were out in full force on Saturday selling boxes of chocolates. The girls throughout the County are selling these 25c boxes to raise money for Camp Ashunyoung, the non-profit camp on Lake Simcoe near Pefferlaw. This camp is used by nearly 500 York County boys and girls every summer.

The money is needed this year for the moving of buildings, new washroom facilities, fencing, painting and general repairs. The local girls appreciated the response given them on Saturday but as they had taken 1500 boxes as their quota, they will make an appeal again on Saturday.

Mr. Harry Seston, Aurora, is business manager of the camp. Rev. Gordon Winch, Oak Ridges, is director of the Senior boys camp and Rev. Wm. Patterson, Richmond Hill, for the Junior boys. Mrs. Harold Graham of Aurora and Mrs. Bruce Rolling of Mount Albert are the Directors of the girls camp.

Last year, the chocolate sales netted \$700 for the Camp.

A film and address by Mrs. Purves of Richmond Hill Cancer Society on their work in this district. All ladies are welcome to this meeting.

It is expected that a drive for funds will be organized shortly to cover the cost involved in the construction of a new artificial ice arena in Markham Village. The building will include dressing rooms, a snack bar and a board room. The front portion will include three floor levels and will be heated by hot water. This part will be of masonry construction. The remainder will be built of steel with metal siding. Accommodation for more than 1,000 is planned. The ice surface will measure 80' by 180'. It will be located on the western boundary of the Markham Fair Grounds. The front will face No. 7 Highway.

Mrs. Dorothy Corbet, an employee of Thos. N. Shea Real Estate in Markham, was the winner, last week, of the lucky draw for a new 1961 automobile offered by the Unionville "Jets" Hockey Club. Her choice was the money, rather than the car. She was presented with a cheque for \$2,200.

Mrs. Florence Miller and Miss Violet Hoover, O'Brien Ave., entertained a number of their cousins on Saturday evening. These included Mr. and Mrs. Ormsby Williamson of Pamburn, Sask.; Mr. and Mrs. Nelson Smith from Peaches, Mr. and Mrs. Edwin Byer, Markham R.R. and Misses Ida and Anne Lehman.

If anyone desires a copy of this, write to Box 643, Markham, Ont.

Final arrangements have been made for the coming of Dr. John Fasano and his wife, for a series of services beginning April 2nd and going on to April 16th. "Christ Foreshadowed by the Wilderness Tabernacle" will be the theme of the sermons. They will be illustrated by two colorful and authentic models of the Old Testament Tabernacle to be erected on the church platform, the larger of which is over six feet tall.
