

Three champions were crowned on Thursday night at the conclusion of the playoff finals in the Stouffville Minor Hockey Association. Eight-year old Timmy Herbert (left) captain of the Black Hawks, was presented with the Walter Brillinger Memorial Trophy, emblematic of the Squirt League Championship. Mr. Gerald Brillinger made the presentation. Captain Randy Mole (centre) of the Maple Leafs was presented with the Alf Mole Memorial Trophy, by Mrs. Ethel Mole. His team captured the Peewee Title. The Jim Austin Trophy was presented to 13 year old Ricky Thompson (right) captain of the Maple Leaf Bantam champions. The presentation was made by Mr. Cec. Hendricks, Chairman of the Lions' Club Sports Committee.

Resume Work on Highway Next Week

Stouffville Works Dept. has been advised that Beamish Construction Co. will resume work on Highway 47 through town next week. This information was announced at the regular meeting of Stouffville municipal council Thursday. It is understood that when the time arrives for paving, this work will proceed east from Ringwood to Church St. in downtown Stouffville. All the underground work has been completed but the further widening and filling will be continued right away.

Deputy-reeve Ken Laushway stated that a number of local men, some of them unemployed, had been working on the Main St. pavement, sweeping. He urged that this work be allowed to continue as much as possible right now, since the government pays a 50% subsidy on such work up until the 15th of this month. He also advised council that the Property Committee had completed the cutting of a number of trees and that the installation of the new street fixtures on poles at the west-end had been completed.

Tenders are being called this week for the supply of 1,500 tons of gravel for town streets, as well as 15,000 gallons of tar or asphalt prime and 300 tons of sand.

ASK PERMISSION FOR WRECKERS 5th Con. WHITCHURCH

Mr. Cappe, owner of 20 acres of land at lot 26, con. 5, Whitchurch Twp., appeared before council on Monday requesting permission to dismantle cars on his property. The suggestion of a wrecking yard at this point has been mentioned several times previously, since 1958, but was opposed by other residents.

Mr. Cappe advised council that he would employ several men. He said that his firm, Coleman Motors, Toronto, would be trucking away the old bodies and not burning them on the property.

Reeve Wallwork stated that council had doubts about allowing any wrecking yards, as they had had some "sad" experiences along this line.

Council did agree, however, to visit the property and advise on a decision at a later date.

Relief Still Up

The number on relief in the township has continued to climb and the expenditure for the month of March reached the figure of \$4,419.30. The township pays 20% of this amount.

Proclamation

Council agreed to a canvass on May 3rd and 4th for the benefit of the Mental Health Association. April 30th to May 6th has been set aside as Mental Health Week.

R. C. Baycroft a Municipal Leader in Whitchurch Tp.

On Sunday, April 9, Mr. Richard C. Baycroft, R.R. 1, Gormley, passed away in the Toronto Western Hospital following an illness of slightly more than seven weeks. He was in his 59th year.

The late Mr. Baycroft was born north of Bond Head. He resided in the Town of Aurora for a number of years before taking up permanent residence on his Gormley district farm where he lived for the past 24 years. He is survived by his wife, the former Gertrude Botham, one son, Robert at home and a daughter, Dorothy, (Mrs. Ross Smith) in Aurora. He has one sister, Helen Baycroft, also of Aurora.

Mr. Baycroft could justly be regarded as one of Whitchurch Township's municipal leaders. His interests were confined not only to council work, but also to church and school affairs. A member of Mt. Pisgah United Church, he was Treasurer on the Board of Stewards. He was the Trustee Chairman of Lloyd Public School (S.S. No. 7) Whitchurch Township. His interests in the municipality included a four year term on Council; three years on Planning Board and six years on the township Court of Revision. He enjoyed his connections in promoting these varied municipal positions and often sacrificed his own personal welfare to carry out these duties. His name will long be remembered in the annals of community advancement.

The service, conducted from the Thompson Funeral Home, Aurora, on Wednesday afternoon at two o'clock, was largely attended, a silent symbol of the respect held for the deceased by his many friends and associates. The service was in charge of Rev. Ivan E. Kennedy of the

FIND CALF BOUND IN FIELD

A bull calf, its feet tied together with binder twine, was discovered on Monday in a field on the property of Wesley Yako, conc. 10, Markham. The discovery was made by Mr. Randall Spofford, PC Dan Denby of the Markham Township Police Department was called in to investigate.

Police said that the calf had possibly been taken to the Yako farm in a car or truck. Marks in the snow indicated that it had been dragged into the field, a distance of over seventy-five feet. A conviction, in such a case, would carry a heavy court fine.

GLEN WILSON, Pres. OF CALF CLUB

Glen Wilson, 7th conc. of Pickering, has been elected president of the Brougham 4-H Dairy and Beef Calf Club. Jim Wilson, Balsam, is vice-president and Gloria McGriskin, Cherrywood, secretary. The organization meeting was addressed by Alvin Blades, assistant agricultural representative. He was assisted by club leaders, Bill Boyes, Pickering and Frank Barkey, Claremont.

8-YR. OLD KILLED RETURNING FROM CUB MEETING

An eight year old Headford boy was instantly killed on Friday night near his home on concession 3, Markham, when he darted into the path of a north-bound auto. Ian Calder, son of Mr. and Mrs. Douglas C. Calder, was pronounced dead by Coroner, J. P. Wilson of Richmond Hill. He was carried more than one hundred feet from the point of impact. The victim was returning home from a Cub Pack meeting in Richmond Hill.

Witnesses at the scene said that the car, driven by 16 year old David Ralph Bennett of RR 1, Unionville, was not travelling at excessive speed. An inquest will be held. P.C. Evan Kelley of the Markham Twp. Police Department, conducted the investigation.

Green River Driver Jailed Ten Days

Arthur H. Mitchell, age 24, of Green River, pleaded guilty to a charge of driving while under suspension March 31st, and was sent to jail for 10 days by Magistrate O. S. Hollnake in Newmarket Court on Monday, April 10th.

Mitchell was apprehended by Markham Township Police after a routine check. Constable Evan Kelley told the Court in testimony that Mitchell had been stopped on the Markham Road and at that time had been unable to produce his licence. He had been driving his father's car. It was revealed that the youth had lost his licence after accumulating 15 demerit points. He was also convicted in a Willowdale Court on a charge of failing to remain at the scene of an accident on Feb. 9, 1961.

The magistrate told the youth, "When your licence was suspended, it was done for the protection of the public, and the law must be upheld." Mitchell pleaded that a friend had driven the car for most of the evening, but when the hour came late, he had driven it home himself rather than have his friend inconvenienced. Mitchell will have a further suspension of his licence, due to the charge.

Uxbridge Considers Full-time Dog Catcher

The Township of Uxbridge is giving favourable consideration to the hiring of a full-time dog control officer to cover the entire municipality. Mr. Earl Bell, R.R. 3, Uxbridge, appeared before Council at a regular meeting on Monday night.

Reeve Earl Dowswell pointed out that a dog-control bylaw was on the books but there was no one to enforce it. "I feel that we should have one man that we can rely on," he said. The Reeve suggested that the township could work in co-operation with Uxbridge Town in solving the problem. He pointed out, however, that the officer's services could not be confined to any one particular area, since everyone in the municipality would be supporting the program. Reeve Dowswell agreed, however, that the majority of complaints would come from the built-up areas. "Goodwood is one of the trouble spots," he said.

Mr. Bell declined to give the Council a direct consent on the matter. He said he would attempt to establish a workable rate and would present his proposition at the next regular meeting.

Chase Car Thieves Over Fields As Tire Blows in 110 m.p.h. Race with Markham Police

Police cruisers from three district departments converged on the Ringwood area during the early hours of Saturday morning when two impaired Toronto teen-agers attempted to outrace a Markham Village police car in a stolen 1959 Chevrolet Impala V-8 convertible. The chase, possibly the wildest on local police files, reached speeds up to 110 miles per hour in the business section of Markham Village to 16th Avenue in Markham Township. At this point, the right front tire of the stolen auto blew out, but its speed was slackened only to 95 miles per hour as it raced northward through Ringwood.

Warning Shot

Sgt. Chester Gilliat told The Tribune that following the blow-out, the car veered from one side of the highway to the other. Southbound traffic was forced off to the west shoulder of the road and in some miraculous manner, no collision occurred. North of Ringwood, the driver, Kenneth Oster, 18, of Toronto, lost complete control of the vehicle and it rammed headlong into the ditch, striking a tree and landing upright against a fence. A warning shot from Sgt. Gilliat's gun halted the attempted escape of a passenger, 16 year old Wayne Sherman, also of Toronto. The driver ran into a nearby field but was later

arrested by PC S. E. Forrester of Vaudor O.P.P. They were temporarily locked up in the Buttonville jail and later turned over to Metro detectives of No. 21 Division.

\$800 Damage

The stolen car, the property of Frank Thornton, Toronto, suffered \$800.00 damage in the crash. He told police that he had removed the keys from the ignition but had neglected to lock it. The two boys, en route to Sutton, were not injured.

Sgt. Gilliat and PC Wm. Vance spotted the theft car at the intersection of No. 7 and 48 Highways. On the Markham Village Main Street, they attempted to stop it, and the chase began. "They were all over the place," said Sgt. Gilliat. He said that on at least four occasions, the auto appeared headed for the ditch but aided by power steering, they were able to keep it on the pavement.

Search Fields

The two Markham Village officers were later joined by P.C. Clifford Cox of Markham Township and PC Forrester of Vaudor O.P.P. and an all-out search of the area was conducted in an effort to locate the driver. About one hour later, the youth returned to the highway and was immediately arrested by the Provincial Police Officer.

JOY RIDE OVER SCHOOL LAWN BRINGS REPRISAL

Two teen-age college students, members of a boys' school in Port Credit, discovered last week that it doesn't pay to take an auto joy-ride over a newly landscaped lawn at the rear of the Orchard Park Public School in Stouffville. A nearby resident, Mr. Gerald Brillinger, witnessed the destruction and jotted down a portion of the license number, which with a good description of the auto, was given to the Stouffville Police Department by Board Chairman, Mr. C. E. Hendricks.

An immediate check with Toronto by P.C. Dennis Davies identified the car's owner, and the occupants readily admitted their part in the escapade. They agreed to repair the damage and the work was completed over the weekend, under supervision of Mr. Hendricks and Harry Schell. Due to the youths' co-operation, no charges will be laid.

Local Lion Dist. Deputy

Lion Walter Pipher, a past president of Stouffville Lions Club, has been elected to the office of District Deputy Governor of Region 18, Lions International. The new District Deputy will have 25 Lions Clubs under his supervision. The election was conducted in Aurora on Monday night of this week and the local member received the honours after a close election with a fellow Lion from Thornhill.

Lion Walter Pipher is only the second Stouffville Lion to

reach this high office during the more than twenty years the club has been in operation. Lion Fred Campbell was also District Deputy a few years ago. Walter Pipher has been a member of the Stouffville Club for fifteen years, and has served with vigor and enthusiasm in many capacities during this period.

to the House League, Champions, and the individual trophies will be presented to the club Captains.

Dog-Catcher In Action

Stouffville's newly engaged dog-catcher has been in town, and Councillor Parsons reported to council Thursday that he understood a half dozen dogs had been picked up on the first two visits. Most of those in the initial catch were believed to be strays and were unclaimed.

When a dog has a collar and tag, the dog-catcher makes an effort to find the owner before the time elapses for the dog to be destroyed.

Although the times of the dog-catcher's visits are unannounced, councillor Parsons said, "the dogs have some rights," and we're not arbitrarily trying to be here just when we think we can pick up the most family pets.

Mr. and Mrs. Oran Fretz visited their son, Dr. Norman Fretz and family including a month old grandson, in Windsor, also friends in London, over the weekend.

SERVED TWP. FOR 12 YEARS

Whitchurch Township Road Dept. has received the resignation of William Lundy who has served the municipality as a road foreman for over twelve years. The resignation was necessitated through ill health.

NO CHANGE IN MASSEY-FERGUSON BUSINESS

We wish to correct a report which appeared in this newspaper last week regarding the Len Haylow Massey-Ferguson Agency. Mr. Haylow has not disposed of his business, it is still the Massey-Ferguson agent, and is prepared to provide new machines and parts for farmers throughout the district. The real estate business in which Mr. Haylow is engaged, is in addition to his present implement business.

Stouffville to Have Fine New Golf Club On Town Outskirts

"Sleepy Hollow Golf & Country Club," located on the former Burrows farm, immediately north of Stouffville on Highway 47, will shortly open for membership. The picturesque layout, described by the owners as a "dream come true," has been expertly planned over about one hundred acres with its spring-fed streams, rolling hills and bushland.

The Club will be strictly private and this fact is expected to be an attraction to those who wish to enjoy the game in a leisurely fashion without the mad "hurry-up" of a pay-as-you-play course.

The contract has been let for a new club-house designed to provide the maximum in comfort and relaxing environment. The building will be of rustic, split-level design with ample dining-room and pro shop accommodation. The official opening of the club house is scheduled for the month of June.

Completely Watered

Sleepy Hollow has been three years in construction and has a complete watering system from tee to green to provide the finest playing conditions. The architects of the course have taken full advantage of the rolling terrain to lay out an exciting 18 holes. The course will play 6202 yards with the shortest hole being 160 yards and the longest 495.

Advisory Board

The men behind this dream,

Uxbridge Considers Full-time Dog Catcher

The Township of Uxbridge is giving favourable consideration to the hiring of a full-time dog control officer to cover the entire municipality. Mr. Earl Bell, R.R. 3, Uxbridge, appeared before Council at a regular meeting on Monday night.

Reeve Earl Dowswell pointed out that a dog-control bylaw was on the books but there was no one to enforce it. "I feel that we should have one man that we can rely on," he said. The Reeve suggested that the township could work in co-operation with Uxbridge Town in solving the problem. He pointed out, however, that the officer's services could not be confined to any one particular area, since everyone in the municipality would be supporting the program. Reeve Dowswell agreed, however, that the majority of complaints would come from the built-up areas. "Goodwood is one of the trouble spots," he said.

Mr. Bell declined to give the Council a direct consent on the matter. He said he would attempt to establish a workable rate and would present his proposition at the next regular meeting.

Mr. & Mrs. Chas. Tindall Mark 50th Anniversary

On Saturday evening, Mr. and Mrs. Charles Tindall, Harold St., Stouffville, celebrated their 50th wedding anniversary. They were hosts to more than 100 friends and relatives at a buffet luncheon in the Masonic Hall.

Mr. Tindall was born in Scott Township, near Mount Albert, the son of Mr. and Mrs. John O. Tindall. His parents later took up residence in the Gooderham district where he became acquainted with his bride-to-be, Mrs. Tindall, the former Ida Switzer, was the daughter of Mr. and Mrs. Wm. H. Switzer.

On April 5th, 1911, they were united in marriage at the Methodist Church Parsonage in Uxbridge. Rev. Bedford performed the ceremony. They took up residence on conc. 9, Whitchurch

but later sold their property and moved to Toronto where Mr. Tindall was employed with the C.N.R. Prior to coming to Stouffville, they lived at Bloomington for a time. They have resided in town for the past eleven years.

Mr. and Mrs. Tindall have one daughter, Mrs. Orvan Downer (Effe) in Toronto. They have two grandchildren and one great grandchild. They are members of the Associated Gospel Church at Bloomington. On the occasion of their anniversary, they received a telegram from their former church Pastor and his wife, Mr. and Mrs. Ted Simons, now of Hamilton. On Saturday evening, friends and relatives were present from Sarnia, Lindsay, Toronto, Oshawa and Parry Sound.

High School Costs Up Uxbridge Rate

Just at a time when the Uxbridge Township Council had settled for a one-mill decrease in their general rate, the High School Area Board put in a requisition for \$40,907.96 which will require a rate of 16.81 mills in 1961. This is an increase of 4.81 mills over 1960.

The hours spent in committee of Council in an attempt to reduce the rate has been more than offset by the increased High School costs. The total farm and residential rate is up from 41-mills to 44 mills. The business and commercial rate is up from 44.5 mills to 47.4 mills.

Reeve Earl Dowswell told The Tribune at a regular meeting of Council on Monday night that the High School Area Board had encountered an operational deficit in 1960. This, coupled with increased expenditures in 1961 had been responsible for mill rate hike. The Reeve expressed some concern over the cost of the High Schools' operation. The schools are located at Uxbridge and Port Perry. A breakdown of the 1961 budget is as follows:

County Rate	1961	1960
High School Rate	11.5	10.96
(Township Purposes)	16.8	12.97
Farm & Residential	15.6	17.05
Business & Comm.	19.09	20.55
(Total Rate)		
Farm & Residential	44.0	41.0
Business & Comm.	47.4	44.5
(Special Rates)		
Goodwood Lights	1.7	3.0
Federation of Agric.	.5	.5

A capacity crowd attended the Cooking School held on Monday night in the High School Auditorium. It was sponsored by Consumers Gas.

MISS L. VANZANT BURIED HERE

The death occurred at York County Hospital, Newmarket, on Sunday, April 9, 1961, of Laura Luella Vanzant, daughter of the late Mr. and Mrs. Urias Vanzant, Stouffville. Miss Vanzant had been living at the home of her brother, Charles Vanzant for the past five years and was in her eighty-fifth year.

She is survived by two brothers, Fred of Edmonton and Charles of Stouffville. Funeral service was from the chapel of L. E. O'Neill on Tuesday at 2 p.m., in charge of Rev. Clarence Bass, Pallbearers were — Lloyd Turner, Harry Stouffer, Reg. Stouffer, Dawson and Earl Davis and Ray Fleury. Interment was in the Stouffville Cemetery.

Lions to Host 218 Hockey Players

Every player in the Stouffville Minor Hockey Association will be the guests of the Stouffville Lions Club at the annual Sports' Celebrities Banquet on Monday evening, April 24th. A total of 218 boys will be invited from the ranks of squirt, peewee, bantam, midget and juvenile. In addition to the players, there will be the usual array of enthusiastic promoters who have given so generously of their time during the recently-concluded season. The dinner will be held in the Legion Hall at 6:30 p.m. sharp. Two professional hockey stars will be in attendance.

Team crests will be presented
