

What about tomorrow?

There's nothing so trusting as a little child. He looks to his mother and father for all his pleasures and comforts. But what if something happens to his father and there is only his mother left to look after him? In these days of high prices, it takes a fairly sizeable income to provide the necessities, let alone pleasures and comforts. Fortunately a Sun Life of Canada life insurance program, tailored to your individual needs, can ensure your family an adequate income in the event of your death. All in all, life insurance should be the young father's first investment. Has it been yours?

NO MORE JUNK YARDS

The application of Mr. Cappe (Coleman Motors) to operate a wrecking yard on his property was considered on Monday by Whitechurch Council. Members visited this property recently. It was the opinion of Council that they had an ample supply of wrecking yards at present. Many of these were proving difficult to control. Council refused the application of Mr. Cappe.

Senior sprinter Roger Stover flashed home in 11 seconds to win the senior 100 yard dash, while Lloyd Graves and Ross Apled were two other senior entries who did well. Track and Field coach Mr. Rehll remarked that this year's team "looks encouraging." "We will know for sure after the tri-meet at Woodbridge this Thursday," was his comment on how Stouffville will fare this season. He named John Riddle, Andrew Watson, John Hisey, and Bob Purdy as the up-and-coming track men to watch. Mr. Rehll also remarked that the interest in track and field this year is very keen.
