

ARE YOU READY TO
**HELP
CANADA
COUNT?**

When the Census Taker calls please
be ready with the answers he needs

Every household in Canada is being sent a list of questions the Census Taker will ask. Please study it and be prepared to answer all the questions or leave the answers with someone who will be at home when the Census Taker calls.

What will you be asked? Questions such as: what is your age and schooling; are you employed and what is your exact job title; how many hours do you usually work each week; in how many weeks did you work for wages or salary in the last 12 months; what were your earnings in the last 12 months?

All information is kept strictly confidential and by law is not available to any private organization or person, or any government department or agency other than the Dominion Bureau of Statistics. The Census is interested only in totals accumulated for all parts of Canada.

When the Census Taker calls, welcome him with your co-operation. Everyone will benefit when you help Canada count!

80,000 Trees Planted This Spring At Vivian and Pefferlaw Forests

Mr. Cliff Wallwork, reeve of Whitechurch Twp., and chairman of the York County Re-forestation Committee, reported to council last week that this spring a total of 80,000 new trees had been set out at Vivian and Pefferlaw. This number was made up of 29,000 white pine, 20,000 red pine, 15,000 white spruce, 13,500 red oak and 2500 European larch.

The county has acquired an additional 50 acres in Georgina Township, paying \$65 an acre. Some of the new land will not be planted in trees until the fall.

Mr. Wallwork also reported that his committee, in co-operation with the Education Committee and the Department of Education, as well as Zone Foresters, would revive an Arbour Day program for the elementary schools. The program will be conducted this Wednesday, May 31, June 1 and 2.

Editors To Be Inducted in "Order Of Good Cheer"

The only order of its kind in the world — which asks only that members have a good time — will shortly welcome into its fold close to 400 new members who will pay no initiation fee, no dues and never have to meet formally.

The new members, delegates and their wives attending the annual convention of the Canadian Weekly Newspapers Association in Halifax, from August 14 to 16 — will be inducted into the Order of Good Cheer — one of the oldest social organizations on the North American continent.

The Order of Good Cheer was organized in 1606 at Port Royal, Nova Scotia, by Samuel

de Champlain as an antidote for the explorers and colonizers who accompanied him.

The 1961 CWNA convention, the 42nd in the association's history, will centre around Halifax' Nova Scotian Hotel and the program facing the delegates will be one of the most interesting and entertaining ever attempted.

The City of Halifax and the Nova Scotian government have co-operated very closely with the convention committee and the well-rounded program which has been arranged will be of general interest to all attending the annual meeting.

A highlight of the convention will be the unveiling of a plaque in honor of Sir Joseph Howe in Province House, following a buffet dinner at the same location. Presentation of membership certificates of the Order of Good Cheer will be made to all delegates present.

During the convention, pres-

Mrs. Hattie Reesor Was in 89th Year

Mrs. Hattie Mary Reesor of Markham passed away on Friday, May 26, 1961, in her 89th year. The former Hattie Crosby was the beloved wife of the late Russell James Reesor and dear mother of Wallace (deceased) and Eleanor (at home). Funeral service was from the Dixon Funeral Home on Monday at 1:30 p.m., with interment in Elmwood Cemetery, Markham.

How do husbands know that the night they offer to take the good wife to the movies will be the one she wants to stay at home?

entation will be made of the 1961 Better Newspapers Awards given annually by CWNA for the best all-round paper, best editorial page and best front page in the various circulation groups.

Presiding over the sessions will be CWNA President, Wenden Leavens of the Bolton (Ontario) Enterprise. Convention program chairman is Frank Burns of the Kentville (N.S.) Advertiser.
