RIDE WANTED from Stouffville to Dickson Hill, arriving 8 a.m. Phone 1184.

## IN MEMORIAM

**CORFIELD** — In loving memory of my dear wife, Janet, who passed away on Sept. 4, 1960.

God knew that she was suffering. That the hills were hard to climb.

So he closed her weary eyelids And whispered "Peace be thine." Away in the beautiful hill of God.

By the valley of rest so fair, Some day, we know not when, We will meet our loved one there.

D. B. Corfield.

**GILES** — In remembrance of our son Freddie, who passed away Aug. 29, 1960.

He is gone but not forgotten. And as dawn another year, In our lonely hours of thinking, Thoughts of him are always near.

Days of sadness still come o'er us, Many think the wound is healed, But they little know the sorrow That lies in the heart concealed.

Mother, father and Linda.

**GILES** — In loving memory of a nephew who passed away Aug. 29, 1960.

His charming ways and smiling face Are a pleasure to recall.

He had a kindly word for each, And died, beloved by all.

Aunt Bessie and uncle John.

**GILES** — Remembrance to our dear brother Freddie, who passed away August 29, 1960.

Time may heal the broken hearted, Time may make the wound less sore.

But it cannot fill the longing, For the loved one gone before.

Who shall say the grief is lessened, Though the smiles hide the tears.

Memories keep the wound still open, With the passing of the years.

Sister Darlene and brother-in-law Ira.

**HARBON** — In loving memory of William Harbron who passed away August 31, 1960.

Sunshine fades and shadows fall, But sweet remembrance outlasts all.

Remembered by wife and family.

**WITNEY** — In loving memory of Percy H. Witney, who passed away September 4, 1960.

His memory is as dear today, As in the hour he passed away.

Betty, Reta and Buck

## IMPLEMENTS

**SMALLEY BLOWER** for sale, with 50 ft. of pipe. Ph. Markham 86w4.

## BIRTHS

**TIMBERS**—Mr. and Mrs. Carl Timbers are pleased to announce the birth of a son, Eric Carl, on August 24, 1961, at York County Hospital, Newmarket. A special thanks to Dr. Mitchell.

**HILL**—Grant and Nan are pleased to announce the arrival of a son, Gary Grant, on August 17, 1961.

**KERSWILL**—Joyce and George are happy to announce the birth of their son on Saturday, August 26, 1961, at York County Hospital, Newmarket.

**WIDDIFIELD**—Doug and Joy (nee McCully) are happy to announce the birth of a son, Kevin Douglas, on August 24, 1961, at York County Hospital, Newmarket.

**WIDDIFIELD**—Doug and Joy (nee McCully) are happy to announce the birth of a son, Kevin Douglas, on August 24, 1961, at York County Hospital, Newmarket.

## Want a Gun License? Attend Vandorf Course

A hunter safety training course starts this Thursday night at 8 p.m. at Whitchurch township office, Vandorf.

The course is sponsored by the Whitchurch Conservation Club, and makes it possible for inexperienced hunters who have not had gun licenses before, to qualify for a license in Ontario.

Under Ontario law, anyone applying for a gun license must produce a previous gun license, make a declaration that he once held a gun license or produce a certificate of completion of a hunter safety course program.

Irwin Watts, past president of the club, said that many people come to club representat-

ives during the year asking for the certificates, but there is only one way to obtain them and that is by taking the course. People who want gun licenses when the hunting season begins will be out of luck unless they can show a certificate of the course, or a previous license.

"We are trying to help the hunter," Mr. Watts said, "and we hope there will be a large enrolment." This is the only such course given in this area.

Volunteer instructors are Jack Campbell, Murray Raymer, Danny Craig and Irwin Watts.

Whitchurch township hall is on the east side of the Don Mills Rd. at Vandorf.

## GREENWOOD AT CARLISLE NEXT

Greenwood knocked out Hornby in the first round of the Ontario Rural Softball, Intermediate 'B' League.

The second round of the series will be played in Carlisle on Friday night, with the return game being played in Claremont on Monday night.

## Loses License For Drinking While Driving

Michael West, aged 22 of Scarborough, pleaded guilty in Newmarket, Monday, on a charge of impaired driving. He was convicted by Magistrate O. S. Hollinrake and sentenced to jail for 10 days and his license to drive suspended for one year.

West had been driving his vehicle south on the Don Mills Road, on August 5, in an intoxicated state. Several complaints were phoned to the Markham Township Police after West had almost collided with several vehicles as he veered from one side of the highway to the other.

When apprehended, he had rammed the car into a tree and turned it over in a culvert. Police had to pull West and two passengers from the car and were unable to question him at the time of the accident. West received a cut to the head but was otherwise unhurt.

When asked by the magistrate if he had anything to say before sentence was passed he said, "I don't remember much about it."

The magistrate said on such evidence he was not prepared to give the option of a fine. A passenger in the vehicle, Anthony John Greenagh, aged 22 of Newmarket, pleaded guilty to having possession of several bottles of beer and a part bottle of liquor. He was fined \$10 and costs or seven days.

The I.G.A. truck rodeo was held on Sunday and Curtis Tomm won the trophy for best tractor-trailer driver in the Co.

The Metro and Regional rodeos are yet to come and Sunday's award makes Curtis eligible to compete for higher honours.

Austin and Colin Reesor are home again after covering 6,000 miles from Cedar Grove to Jasper to New Mexico and back. The Shoudy's are in fine fettle after a month near Bancroft and Ida Tapscott, the children, along with Ruby and Mabel are off to Haliburton for a holiday.

Humble apologies for missing this scoop last week. Archie Little won a prize at the last euchre.

The Community Club meeting was held Monday night at Marg and Jack Waltons. Plans for euchres were drawn up for Sept. 4 and a series of five from Sept. 18. Plans were laid for the rink this winter but discussion for next year's Garden Party was postponed to over \$150.00. On Saturday, Sept. 9, the club will hold a wiener and corn roast on the corner lot to which the community is invited. There will be a silver collection.

Miss Lois Chambers is visiting at Camp Borden for a week with Miss Patsy Gilbert.

Bruce and Danny Gilbert are visiting with Gary Chambers in Stouffville for a week.

Mr. and Mrs. Norman Siscoe and family of Oshawa were visiting his mother, Mrs. Gordon Siscoe, Church St., enroute to their new home in Chatham where he has been appointed Inspector for High Schools in Western Ontario.

Mrs. Ray McCully and daughter Miss Diana Rae McCully RN of Blackwater have been visiting this week with Mr. and Mrs. Doug. Widdifield, Glad Pk. Avenue.

ALL ABOUT HORSES

In the last five years, saddle horses have been on the increase throughout the province of Ontario, and for that matter, throughout all of Canada and, not to be left out, Stouffville and vicinity also. How many of you know that the Stouffville Branch of the Canadian Legion used to sponsor a horse show right in Stouffville? I'll bet not too many because the population of this town and its surrounding area has almost doubled in recent years.

I believe the last show was held in 1954, on July 1st. It was a one-day show with 15 classes; 2 Palomino classes, one hack class, and all the rest hunters and ponies; western saddle horses; saddle horse and pony classes; parade classes; trail horse classes (English & Western); jumping; breed classes. Don't you think there would be something for everyone at a show like this?

I could not estimate the number of horses now residing in the Stouffville area, but I'm sure it's at least three times what it was when this show was on. Perhaps now would be a good time to give the show another chance.

How the Horse Evolved

The horse, as we know him, had his beginning some 60 million years ago, in the Eocene period. Judging by the fossilized remains found in Wyoming and New Mexico, the dawn horse, Eohippus, was somewhere between ten and twenty inches in height and looked like a cross between a jack rabbit and a whippet. His I.Q. was probably not up to that of the modern possum.

As the millennia went by, Eohippus changed radically. Principally, he grew larger, which meant that, in the absence of other means of defense, he had to acquire feetness of foot in order to escape his enemies.

The slow, subtle process of evolution accomplished this for him. His feet, which originally

## CEDAR GROVE

When Exhibition time comes around, summer seems to be over. School is uppermost in the children's thoughts and pickles and crops in their parents'. But, between now and winter lies the loveliest time in the Canadian year; the cool days when driving is a pleasure and the brilliant gay colours of our autumn.

If you need a destination for a Fall drive, how about one of our Canadian historical sites? There is one in any direction and at any distance — not forgetting the new museum at Brougham.

It may be a short drive but it would be well to allow considerable time. Niagara holds an abundance of history for viewing along with the Falls and, of course, the picnic facilities are ideal.

Jordan's historical museum is well known but it is always a worthwhile adventure to take a visitor. Postal history is well illustrated in the old Post Office Museum in Oakville and Sharon Temple has added a furnished log cabin and the 140-year-old Doan House. In Toronto, the home of the first mayor, Mackenzie House, is only closed on Mondays' and the Sigmund Samuel Canadiana Gallery at 14 Queen's Park Cresc. illustrates Canadian History — to say nothing of the Ontario Museum, Old Fort York and Colborne Lodge in High Park.

P.S.—If you have the inclination but not the time, perhaps a call to Sim Reesor would persuade him to show you his fine folk collection of museum pieces.

The I.G.A. truck rodeo was held on Sunday and Curtis Tomm won the trophy for best tractor-trailer driver in the Co.

The Metro and Regional rodeos are yet to come and Sunday's award makes Curtis eligible to compete for higher honours.

## Whitchurch Cases Occupy Court

Robert James Brickolls of Whitchurch Township pleaded guilty to improper driving when he appeared in Newmarket Court on Monday before Magistrate O.S. Hollinrake. He was fined \$20, or 4 days plus \$13. costs. Vandorf O.P.P. said that the accused man had been involved in an accident with another car driven by Ralph Baker of Toronto. The accused man had been north bound on Hwy. 48 and had pulled in front from the passing lane too sharply, causing a collision. Brickolls pleaded that he did not see an on-coming car and had to get back into the lane too quickly. He was allowed one month to pay the fine.

John Gilroy, age 17 and James Fleming, age 19, both of Whitchurch Twp., pleaded not guilty in Newmarket Court on Monday to possession of an offensive weapon. They pleaded guilty however, of having liquor while under age.

John A. Klutkoss, a service station operator at Gormley, testified that the youth had been driving a motorcycle near his garage on the 21st of July when he, and several workmen were outside the premises. He said they had pulled out what appeared to be a small knife and had made threatening gestures.

The youths were fined \$25 and costs or 5 days. The Magistrate said that it would appear that liquor was the cause of their actions and that they were merely trying to be big shots.

A woman in England is cutting a third set of teeth. The lengths they'll go to stay young!

## Women's Institutes To Make Visits Inside Ontario

The women of Ontario are on the move in the first of a series of pilgrimages in which they will drop in for tea and conversation in other communities.

This first adventure, in October, will see busloads of members of the Federated Women's Institutes of Ontario on a four-day tour that will commence in Toronto and pass through Parry Sound, Sudbury, Manitoulin Is., North Bay, and back to Toronto via the Muskoka area.

In the course of their journey, the women, from southern Ontario, as they travel through some of the most beautiful regions of the Province, will meet fellow members in other centres, form friendships and discuss their aims and ideas, their projects and problems.

As more of these tours take place in the future, the 38,000 members of the Federated Women's Institutes scattered throughout Ontario will obtain personal knowledge of their Province and of matters concerning each other.

Out of such expeditions and the interchange of views, the good results will be interest and understanding stretching across communities, crystallizing opinion and consolidating effort in the several spheres of activity in which members of the institutes are engaged. Locally and provincially, the cumulative effect cannot fail to be constructive.

Mrs. Ray McCully and daughter Miss Diana Rae McCully RN of Blackwater have been visiting this week with Mr. and Mrs. Doug. Widdifield, Glad Pk. Avenue.
