## SELECT ALL-STAR TEAMS IN CLAREMONT COMMUNITY LEAGUE

The Tribune Sports Editor has gone out on the proverbial limb to select a first and second all-star team out of the Claremont Community Softball League. In finalizing the selections, consideration was given to the players' ability both at the plate and in the field. It is the opinion, of course, of this writer only and is subject to argument.

<b>1st Team</b>	<b>2nd Team</b>
<b>(PITCHER)</b> Ron Jones — Altona	Frank Hendy — Ballantrae
<b>(CATCHER)</b> Dave Beverley — Claremont	Gary Houck — Uxbridge
<b>(1ST BASE)</b> Eric Pilkey — Altona	Ray Ward — Claremont
<b>(2ND BASE)</b> Doug Allman — Claremont	Bill Moffatt — Pickering
<b>(3RD BASE)</b> John Hill — Altona	Gary Usherwood — Ball'trae
<b>(SHORT STOP)</b> Ross Pattenden — Ball'trae	Wayne Redshaw — Claremont
<b>(LEFT FIELD)</b> Ken Nendick — Uxbridge	Dave Fockler — Altona
<b>(CENTRE FIELD)</b> Jack Bradshaw — Claremont	Bob Schram — Greenwood
<b>(RIGHT FIELD)</b> Allan Redshaw — Greenwood	Geo. Tweedie — Brougham

# Square Ontario Playoffs With Indian Girls

By the time this issue of The Tribune is in our readers' hands the Stouffville girls' team will have advanced into the All-Ontario finals or will have hung up their spikes at the end of the Provincial playoff trail. As we go to press, the series with the Oshweken "Mohawks", an all-Indian club, is deadlocked at one game apiece. The "rubber match" was scheduled for Wednesday night.

The largest crowd of the season saw Stouffville come from behind in the seventh inning on Saturday to chalk up a 16-13 victory. The local squad dropped the series opener by a 10-9 count.

**Potent Plate Power**  
Gwenn Kennedy, possibly one of the finest girl softball athletes to don a pair of spikes here in many years, turned in her season's top plate performance in the crucial contest. She bashed the ball to all corners of the outfield in a torrid display of batting power. She drove in five runs with two singles, a double and a triple. In addition, she personally counted three and even then, she poled a long-ball into the

waiting glove of the left fielder. She made four put-outs at her short stop post. She smothered a sizzling line drive in the 6th from the bat of Jewel Smith.

Throughout the nine inning tilt, Stouffville batters connected for 17 safeties from the offerings of Oshweken right-hander, Carol Frohman. Behind Gwenn Kennedy came Ila Redshaw with 3 hits, all singles. Barb Scott, Audrey Murison, Doreen Alexander and Marg Smith each belted a pair. Helen Watt smacked a 2-run double in the 7th and scored on a throwing error. Erma Redshaw dropped a bunt single in front of the plate in the 8th but was nipped at third. Wendy Smith was the visitors' best with a single and a double. Barb Scott on the Stouffville mound limited Oshweken to 11 hits.

**Bunt Attack**  
Stouffville Coach, Gord Pilkey literally won the game on a bunt strategy that his girls pulled off to perfection. The Oshweken infield was caught napping time and time again to load up the sacks. This set the stage for the long ball that

### Brougham Jrs. Win Title

Behind the fine pitching efforts of Sheryl Dunn and Margaret Miller, the Brougham Junior girls' softball team went all the way this season to win the Pickering Twp. League Title. They defeated Dunbarton 24-10 on Thursday night for the championship.

Brougham's Intermediate entry did not fare so well. They were put out by Frenchman's Bay after beating Fairport in the semi-finals.

### Claremont Bantams Oust Dunbarton

Claremont's Bantam team under the coaching leadership of Mr. Steve Doucette, advanced to the next round of the Pickering Twp. League playoffs on Tuesday night by beating Dunbarton 11-6. This put Dunbarton out of further competition.

Claremont will now meet Frenchman's Bay with the series opener in Brougham on Thursday evening at 7 p.m. The return tilt will be in the Pickering Park on Tuesday, Sept. 12.

Colpoys Bay showed some signs of breaking into the column in the third and sixth innings, but on each occasion, they left two men marooned on the sacks. Fifteen of the visitors went down on strikes. They touched Jones' offerings for only 4 hits.

Colpoys Bay showed some signs of breaking into the column in the third and sixth innings, but on each occasion, they left two men marooned on the sacks. Fifteen of the visitors went down on strikes. They touched Jones' offerings for only 4 hits.

### Mt. Zion Team Enters Finals

Mt. Zion has advanced to the O.A.S.A. Intermediate "D" playoff finals. They earned the right for another shot at the title by blanking Colpoys Bay 7-0 in the Brooklin Park on Monday night. They will now meet either Addington or Electric for the championship. Mt. Zion are the defending champs.

Righthander, Ron Jones hurled eighteen innings of shutout ball in the two game series. He chalked up a 2-0 victory in the opener.

Mt. Zion jumped into a 5-0 lead in the first inning of Monday's title and coasted over the remaining distance. Grant Jones, Vern Ferguson, Murray McDowell, John Hill and Wes Evans completed the circuit. Stan McMullen added a run in

the fourth. Grant Carson scored in the eighth. Ferguson was the winners' top batsman with two hits. Mt. Zion connected for only 6 safeties but they took advantage of every error by the visitors.

Claremont threatened to pull the contest out of the fire in the 7th inning. Dave Beverley, a real sparkplug, both at the plate and in a defensive role, cut the Greenwood lead down to a scant one run as he rounded the sacks and scored. Maxwell preserved the victory, however, by retiring the next three men in order.

The veteran, Bob Schram connected for a pair of Greenwood hits, a single and a double. Jack Bradshaw poled a round-tripper for Claremont. It came in the second inning with the sacks empty. Doug Allman slammed a double in the sixth.

## Ballantrae Upsets Greenwood 7 to 4

Behind the 5-hit pitching of speedballer, Frank Hendy, Ballantrae roared back into the spotlight of the Claremont Community League playoff picture with a surprising 7-4 victory over Greenwood on Tuesday night. The stage is now set for a contest between Altona and Greenwood on Thursday night.

A loss for Greenwood would send Altona and Ballantrae into the championship finals. A Greenwood win would force a deadlock in the series.

Greenwood used two pitchers in an effort to halt the Ballantrae plate attack in Tuesday's tilt. Timely hits and good base running put Lou Mortimer's squad out front in the early innings and they never looked back. They touched hurlers, Bob Clodd and Ken McTaggart for nine hits. Greenwood left seven

men stranded on the sacks. Ballantrae was once again plagued by errors. They committed five bobbles, three of these in the third inning when three Greenwood batters crossed the plate. Hurler Hendy could not be denied the victory, however. He retired twelve men on strikes.

Ballantrae first baseman, Ken Davis, carried the winners' plate attack with three hits, a single, a double and a triple. Gary Usherwood continued his fine plate performance with two doubles in three official trips. He scored four of his team's 7 tallies. Archie Forfar, Frank Hendy, Ron Stewart and Joe Barber belted single-base blows. Moo Bryant was Greenwood's best with a pair of singles. Bob Clodd and Earl Pilkey bagged doubles.

**BAN USE OF HIGH-POWERED RIFLES.**  
A new regulation destined to restrict the use of high-powered rifles for hunting in populous Southern Ontario became effective last week. The official announcement was made by the Dept. of Lands and Forests.

It prohibits the use of a rifle of larger calibre than .275 or a shotgun loaded with shot larger than No. 2 for hunting under a resident gun licence or summer hunting licence. These licences cover small game, groundhogs, foxes and crows.

The rule also applies to non-residents hunting under a combined licence to take bear, fox, game birds and small game. It applies to the counties of Brant, Elgin, Essex, Haldimand, Halton, Huron, Kent, Lambton, Lincoln, Middlesex, Norfolk, Peel, Perth, Waterloo, Welland, Wellington, Wentworth and York.

Lands Minister Spooner said it is believed the new regulation will reduce the possibility of gun accidents in Southern Ontario, where there is no game for which a high powered rifle is essential.

The blanket rule will not apply to southern areas which have an open deer season. Individual regulations are set for

these areas but in most of Southern Ontario it is customary to limit deer hunting to shotguns.

Trim hedges now. Deciduous hedges, such as privet, should have a second trim now. If only one trimming is to be done in the year, this is a good time to do it. There's enough time for growth to cover up the trimming cuts before the winter. The period of most rapid growth is over and the hedge will not look too untidy before spring.

Cut the sides of the hedge first, advises John A. Weall of the Department of Horticulture, Ontario Agricultural College. Then, when the top is being cut, the clippings will not fall into the side branches to be cut again.

Use guide lines of twine to help you cut the hedge evenly. Remember, one of the main purposes of the hedge is privacy, so don't cut it too low.

Keep in mind the shape of the hedge when you are cutting. One way to keep your hedge growing well is to trim it slightly narrower at the top than at the bottom. This lets the sun get at all parts of the hedge and keeps it thick. Because of the stronger base structure, you'll get less snow damage.

These areas but in most of Southern Ontario it is customary to limit deer hunting to shotguns.

## Two-Game Rally Knocks Claremont Out

Some of Claremont's former players came back to haunt their ex-team mates on Tuesday night of last week as members of the Greenwood club. Before the largest crowd of the season, close to 200 fans, Greenwood edged Claremont 5-4 in the "rubber game" of their playoff series. Claremont took the opener but Greenwood came back to win two in a row.

Ken McIntosh and Bruce Redshaw, previous stalwarts in the Claremont lineup, came up with the big blows in the sixth inning to pave the way for the Greenwood victory. Redshaw scored Greenwood's fifth and final run, the tally that proved to be the winner. McIntosh had earlier driven a single through the infield and completed the circuit on a drive by Bob Clodd.

Righthander, Bob Redshaw, Claremont mound ace who had carried his club to a lengthy first place lead during the regular schedule, absorbed the loss. He was clipped for nine

hits, one a home run blow by outfielder, Allan Redshaw. Bob Clodd was the winner, although he required relief assistance from whirlwind speedballer Bill Maxwell. Clodd added his own cause with a single and a double. Lloyd Pascoe took over the mound chores from starter, Redshaw, in the seventh.

Claremont threatened to pull the contest out of the fire in the 7th inning. Dave Beverley, a real sparkplug, both at the plate and in a defensive role, cut the Greenwood lead down to a scant one run as he rounded the sacks and scored. Maxwell preserved the victory, however, by retiring the next three men in order.

The veteran, Bob Schram connected for a pair of Greenwood hits, a single and a double. Jack Bradshaw poled a round-tripper for Claremont. It came in the second inning with the sacks empty. Doug Allman slammed a double in the sixth.

**Greenwood Out**

Greenwood "Intermediates" bowed out of the Ontario Rural Softball playoffs on Monday night. They dropped a 3-1 verdict to Carlisle. Greenwood lost the series opener in Waterdown by a 4-2 count. The return tilt was staged in the Claremont Park.

### Playoff Game Thursday Night

Altona will play Greenwood on Thursday night in Claremont Park. It will be the 3rd game in the current round-robin playoff series. Game time is 8 p.m.

A loss for Greenwood would send Altona and Ballantrae into the Community League finals. Altona defeated Ballantrae 13-5 in the opener. Ballantrae posted a 7-4 victory over Greenwood on Tuesday.

If Greenwood should win on Thursday, the entire round would be deadlocked and additional games would be required to decide two winners.

### DEATH

HEATHERINGTON, Hugh Hector — Suddenly, on Sunday, Sept. 3, 1961, at his summer residence, Hugh Hector Heatherington, beloved husband of Isabel Cunningham; dear father of Ross of Stouffville, and Alfred of Toronto. Resting at the Turner and Porter chapel, 436 Roncesvalles Ave. Funeral service 3 o'clock Wednesday afternoon. Interment Mount Pleasant. No. 629 A.M. & F.M. and Scottish Rite.

It's unfortunate that the symptoms of fatigue and of laziness are practically identical.

Many a guy has the habit of saying, "Well, I'm going to tell you the truth . . ." Makes me wonder what he has been telling me.

## Laff Of The Week

"Maybe if we didn't spend so much on tranquilizers we could move away from this wonderful dump."

## Ballantrae Fielders Wobble in Playoffs

A pitcher can hurl his heart out, but without some degree of fielding support, his mound efforts can be completely wasted. This is what occurred on Thursday night in a Claremont Community League playoff game between Altona and Ballantrae.

Righthander, Frank Hendy on the Ballantrae mound looked good enough to win most contests but his mates gave him feeble support. They committed no less than 9 errors as Altona chalked up a 13-5 victory.

With the exception of the catcher, every player in the Ballantrae lineup made at least one miscue. Keith McDowell on the Altona hill twirled a nifty 7-hitter and worked the entire nine inning distance. After a rather shaky start, his mates settled down and gave him solid backing. They pulled off a quick double play in the sixth.

Eric Pilkey and Gord McDow-

### GLEN MAJOR

Mr. and Mrs. Claude Simmonds and family returned to Toronto after spending the summer at their cottage here.

Mr. and Mrs. Bert Third and family of Elmira visited on Sunday with Mr. and Mrs. C. Fiss.

Miss Lois Dolancy, Oshawa, spent a few days last week with Mr. and Mrs. Jim Jones.

Mr. Alec Hingston and boys visited on Monday with Mr. and Mrs. J.A. Hingston.

Mr. and Mrs. Karl Buzek entertained a number of friends to a corn roast on Saturday evening.

Mrs. Clinton Neville entertained Mr. and Mrs. Jim Walker on Friday evening.

Mr. and Mrs. Jim Jones attended the Steam and Antique Demonstration in Milton on Saturday and spent the weekend in Grimsby.

### ANNOUNCEMENT

WRIGHT—HAYWARD  
On Wednesday, September 6, 1961, at 2.30 p.m. in Stouffville United Church by the Rev. Douglas Davis, Elva Mabel, daughter of the late Mr. and Mrs. Herman Hayward, Orangeville, to James Harold Wright, son of Mr. Fredrick Wright and the late Mrs. Wright, Claremont.

## FURROW and FALLOW

by Fairbairn

Wheat prices in western Ontario have fallen drastically — last week they were around \$1.10 to \$1.15 a bushel, which is 30 or more cents lower than when the harvest began. High moisture content dropped prices as soon as wheat began coming in from the farms but even more serious after the earliest arrivals has been very bad sprouting.

We talked to one coop manager who normally handles 70 to 80,000 bushels who got only about 8,000 bushels he can sell for milling — that was at the beginning of the harvest. Since then most of the wheat has sprouted and after drying it is being sold for feed as quickly as possible. Despite rental storage space, he hasn't enough — and they built new feed elevators a year ago.

On the other hand, yields are very good and despite lower prices many farmers will realize almost as much per acre as they did a year ago. Fifty to 60 bushels per acre are not uncommon with some as high as 80 and a couple of seed dealers from Michigan we met at Alex Stewart's at Alisa Craig said conditions were similar there.

This sprouting has caused grave doubts about the amount of registered and certified seed grain that will be available in the next month, though. One dealer from the U.S. has sold 50,000 bushels of seed wheat and he is hoping to get it from Ontario. Unless regulations governing sprouted grain are relaxed (provided germination is normal) there is some question about whether he will find en-

ough, to say nothing of requirements here at home being filled. There is a bright spot in all this for farmers in western Ontario — and perhaps in other parts of the province who want to buy livestock or poultry feed. We would guess that some of this sprouted wheat could be had for around \$40 a ton (maybe less direct from farmers) and we talked to one farmer who operates a combined beef and poultry operation who was going to buy 1,000 bushels immediately although he was in the process of taking off sixty acres of grain. Another beef farmer told us he had just completed a deal for screenings at \$37.50 per ton. So, always, one fellow's tough luck is going to help somebody else.

Have turkey growers been watching kill figures in western Canada? The amount of turkey going to market doesn't bear out the forecast and if this continues it could mean that the figures on hatching are not as accurate a forecast on marketing as we usually think. It might also mean that producers who want to gamble might consider storing turkeys rather than selling now at present very low prices.

Today's Tibbit: Slanted boards on feeding racks help prevent cows pulling hay out of them.

Mrs. B. McGuckin spent an enjoyable ten days holidaying with friends, Mr. and Mrs. Norman Dion of Aurora at the latter's cottage in the Fenelon Falls area.

Come and Enjoy
