YOU!

If you've ever bought a roast that just didn't cook up perfectly, the fault is very likely the fact that the flavour and juicy tenderness you wanted weren't there in the first place! So why continue to risk disappointment? Switch to DOMINION and see the world of difference in beef... good looking, tender and juicy, red or blue brand beef, selected by experienced Dominion meat

experts. Every day, they inspect rows and rows of beef sides... hundreds of 'em... hanging in the cold rooms at the packers. They may all be red or blue brand - yet only one out of ten is good enough for Dominion. That's why you always enjoy an EXTRA MEASURE of Quality at DOMINION... at no extra cost!
