Houston's Store Depot for Mental Health Assoc. Gifts

For the past four years the Canadian Mental-Health Association has ensured that every resident in a Mental Institution in Ontario has received a Christmas Gift from someone outside. For many, many of these people it is the only gift they receive. Some have been always dependent on the charity of kindly ward attendants as the only source of remembrance at Christmas. By asking for gifts from all over York County, the local branch has made it possible for everyone in hospital, home or halfway houses to feel wanted, to feel that the community cares, that someone outside has thought of them. Even the most withdrawn feel a sense of contact with the outside.

At a tea given by the York County Chairman, Mrs. W. J. Large of Maple for her convalescers, this type of therapy was emphasized as being one of the most helpful forms of treatment, and it is greatly hoped that those organizations and people who gave so generously in past years will again participate as well as those who have only recently heard of this great need.

Mrs. Anstey Cookson of Stouffville is the local convener. Sorting will take place on December 12th and 13th at the Library, Wright St., Richmond Hill. The campaign starts on December 1st and will continue until December 10th. The Senior Citizens of Richmond Hill will again

HALF-PAST TEEN

assist the White Cross Volunteers with the tremendous job of supplying 800 mental patients in the County of York with a Christmas Gift. Boxes decorated with the "Operation Friendship" poster, will be placed in each community to receive the gifts which it is hoped a generous and warm-hearted public will deposit a nice, new gift for those who through no fault of their own will not be home for Christmas.
