

# YOU SPREAD CHRISTMAS CHEER

## THROUGHOUT THE YEAR

Good things keep on happening all over town all through the year when you spend your Christmas gifting dollars in your home-town stores. Long after the merriment of Yuletide has become a happy memory, the dollars you spend at home keep on working to make your community a better place in which to live!

Here's why: Better business for your home-town stores promotes the economic stability and growth of your town, helps provide more jobs for your neighbors and friends. Your patronage helps local merchants pay the taxes that maintain your schools, streets, parks and other important civic facilities . . . helps them support the churches, youth programs, hospitals, etc. that contribute so importantly to community life.

You haven't seen the last of your dollars when you spend them at home . . . because they keep on serving your best interests!
