CARDS OF THANKS
Clifford and I would like to express our sincere thanks to our many friends and neighbors for all their kindness, cards, flowers, baskets of fruit and many inquiries during my recent stay in hospital and recovery at home. All we can say is "Thank you very much."
Gertrude Winger.

Words are inadequate to express our appreciation for prayers, help, and cards received, and for every thoughtful act of kindness in providing transportation for the family during my stay in Uxbridge hospital, and inquiries since coming home.
Sincere thanks to everyone,
Lloyd & Ethel Hoover.

We would like to thank all our friends and neighbors for the lovely tables that we received at the farewell party, and to those who helped in any way, and also in our moving to Newmarket.
Gorman and Margaret Dixon and boys.

The main difference between an educated person and an ignorant one is that the former knows more things he can't understand.
