Order Local Youth to Post \$500 Bond to Keep Peace

A local youth was ordered by Magistrate O. S. Hollinrake to post a \$500 bond to keep the peace, following a fracas in Ming's Restaurant, No. 7 Hwy., Markham Village on Feb. 25th. Travis Sugden, Stouffville R.R. 4, was charged with threatening the owner after a companion, John Crowe of Unionville hurled a chair through a plate glass window. Crowe was charged with drunken and disorderly conduct and fined \$25.00 and costs. Both Sugden and Crowe appeared in Richmond Hill Court on Tuesday. The matter was investigated by Sgt. Chester Gillatt of Markham Village Police Department.

In another Markham Village case before the courts on Tuesday, Joseph Mulhall of Toronto was fined \$100 and costs for driving while his ability was impaired. His licence was suspended for three months. The incident was investigated by Sgt. Gillatt and P.C. Wm. Vance.

Joy-Rider Convicted
Ronald Smalley, 18, of Markham Village was convicted on a charge of joy-riding and remanded in custody for sentence on March 27th. An earlier report that placed the youth on suspended sentence was incorrect. Smalley was alleged to have taken a car belonging to John Nicholson, R.R. 2, Stouffville, from in front of the Unionville arena without the owner's consent. The charge was laid by P.C. Dan Denby of Markham Twp. Police.

Samuel Findlay of Erindale was charged by Markham Twp. Police with operating a motor vehicle while his ability was impaired and was fined \$100 and costs in Richmond Hill Court on Tuesday. He was arrested on Sunday morning.

Three Stouffville youths were each fined \$10 and \$17.50 costs in Richmond Hill Court on Tuesday on charges of having liquor in a place other than their residence. Gary Usherwood, Church St., Dan Taylor, Albert St., and Kenneth Elson, Stouffer St., appeared before Magistrate O. S. Hollinrake. The charges were laid by the Stouffville Police Department.

CEDAR GROVE

The mothers of the young Canadians arrived at the Unionville rink between five and six o'clock on Friday evening. They were still there six hours later. They were beginning to notice the lack of foam rubber padding on the seats and they were getting a little caffeine conscious but they were there. In the meantime countless teams of all ages had displayed their hockey skill, presentations had been made by important people to important people, figure skaters of excellent talent had skimmed across the ice and the 'Beginners' had, as usual, been the stars of the whole show.

The smallest Canadians play across the ice, the length being a full evening's journey, and the nets are marked by a couple of bricks placed against the side boards. They are watched more for accidents than errors and when the coach blows his whistle he blows most of the players right off their feet. One little chap seemed to be having an unusual amount of trouble staying on his feet until the coach picked him up, tossed him over the boards to a ten-year-old-hand and asked, "Will you please tie up this players laces?"

The Cedar Grove players to receive crests included, Ricky Lapp, Arthur Lapp, Artie Milroy, Gordie Milroy, David Miller Barry Macintosh and Bobby Dean.

The great Teeder Kennedy of such a short time ago presented some of the awards among great applause from the parents but one of the newest of Canada's hockey players was overhead saying, "Who's He Mummy?" Dear me, fame is a fleeting thing.

The little Rouge is looking like the St. Lawrence at present but the great moment when the river breaks has not yet come. So far our abundance of snow and ice is melting slowly and not causing too much trouble but the days are warming up rapidly and that means it is better not to think of what is in store for us on the roads.

If you don't fit into any category of the right or left that people can denounce, they can still denounce you for being wishy-washy.

H.S. Workshop

At the March meeting of the executive of the York-Simcoe Home & School Council, held at the Lillian McConaghy Public School in Richmond Hill, plans were made for a one-day conference and workshop as part of this year's Annual Meeting, to be held on May 26th.

In addition to the election of officers to take place at this time, it is planned to have workshop groups or conferences on programming, publicity, publications, audio and visual aids, family living and a group for presidents. All members of Home & School associations will be most welcome to this one day conference, which will include a luncheon and a dinner meeting.

Further details of programs, location, etc., will be given later through this paper, as well as through each individual Home & School Association in this area, and it is hoped each association will send some delegates to this area convention.

GOOD SEEDS DON'T COST

THEY PAY

Don't let seed prices per hundred or per bushel fool you... Figure your seed cost per acre. Then compare what CO-OP gives for the slight difference there might be — a better grade, a higher percentage germination and many thousands of weed seeds less per acre.

And don't forget, seed cost per acre is a small part of the total investment of seeding when you consider seed bed preparation.
