IN MEMORIAM

BEELEY - In loving memory of a dear daughter and sister Carol Anne, who passed away April 23, 1961. No morning dawns, no night returns.

But that we think of you. Those left behind are very dear. But none replaces you. Lovingly remembered by Mummy, Daddy, John and Keith

BEELEY - In loving memory of a dear niece, Carol-Anne, who passed away April 23rd, 1961. Little did we know when we awoke that morn.

The sorrow the day would bring. The call was sudden, the shock severe. To part with one we loved so dear.

We think of you today. As we have done so often. And feel once more, the sudden blow. That does not seem to soften.

FORSYTH - In fond and loving memory of our cousin, Grant Edward Forsyth who left us one year ago.

HARDY - In loving memory of a dear husband and father, Walter Hardy, who passed away April 19th, 1955.

REDSHAW - In loving memory of our father, George Redshaw, who passed away April 13, 1947.

What I would give to clasp his hand, His happy face to see, To hear his voice and see his smile.

SUMMERFELDT - In loving memory of Abner Summerfelt, who passed away April 17, 1957.

There was a link death cannot sever. Love and remembrance live forever. Wife Gertrude and son John

Not Anxious For Refuse Mr. Allen of Ward & Allen, Newmarket, attended the Whitchurch Township Council meeting on Monday, with a view to being allowed to dump old roofing materials at the township dump. The material was being dumped in the rear of his own property and he stated it was covered with earth about every three weeks. However, from evidence given by the township by-law officer, it appeared that this was in doubt.

Mr. Allen admitted having been to court on two occasions on the matter. When questioned as to why he didn't use the Newmarket dump, he said that it was not open until 9 a.m. and his men went to work at 8. The place was closed at five. Mr. Allen stated he had come to council in order to make some satisfactory arrangement and avoid further trouble. Reeve Wallwork suggested he try for a key for the Newmarket dump. Council expressed the opinion that they were not anxious to add to the fire hazard in the township.

Township Show-Place Mr. Gene Grills representing the Steele's sub-division, attended council and pictured Preston's Lake area as a township show-place if council would remove the bylaw classing the area as a summer resort and not for permanent homes. This action council is anxious to take but such a move requires the sanction of the Ontario Municipal Board. Mr. Grills wished the area zoned and restricted to houses of some 1500 square feet. Council already has a public hearing set for Wilcox Lake district for May 31st and will wait to see the results of this application.

Mrs. Robert Ashenhurst is at present in the Oshawa Hospital with a fractured hip. Miss Penny Dawson is nursing chicken-pox. The children of Mr. and Mrs. Allan Turpin are ill with whooping cough. We welcome Mrs. Ray Woods and family to our village. They have taken up residence in Mrs. McDonald's house.
