

# Present Briefs on Farm Machinery on May 24th

Laurence Doble of Uxbridge; Tom Harrison, Beaverton; and Edgar Ward, Claremont met recently with the executive of Ontario County Federation of Agriculture to prepare a brief which will be submitted at a public hearing in Guelph on Thursday, May 24th. This hearing is one of four such hearings held across the province by a special committee appointed by the minister of Agriculture, Hon. Wm. A. Stewart, to enquire into the proposal for a Farm Machinery Act. The committee, chaired by Prof. C.G.E. Downing of the Dept. of Engi-

neering Science of the O.A.C., Guelph, and manned by four farmers, two farm machine industry representatives and the presidents of O.F.A. and O.F.U., will investigate and report on all aspects of the sale and use of farm implements in Ontario. Ontario County's brief was heard and approved by the directors of the Federation of Agriculture at their regular meeting held Tuesday, May 15, at Half-Way House, Myrtle. This was probably one of the largest attended directors meetings in many months with 42 men and women signing the

record sheet. Three Brock Township farmers were present, along with their reeve Orvan Chambers, and deputy reeve John Dancy, to request the help of the Federation of Agriculture in connection with the newly surveyed route for Highway 48 in the Pt. Bolster area. The directors arranged a meeting of the farmers involved, with the land acquisition committee of the county federation of Agriculture and Donald Middleton, Property Department O.F.A. to view the proposed route and consider what might be an alternate

route to suggest to the Department of Highways. A copy of a special brief prepared for submission to the select committee on the Municipal Act and Related Acts by the Ontario Federation of Agriculture was heard. No suggestions for changes were made. The board of directors felt that careful study had been made in the preparation of the brief. The recommendations in it had emanated from county and commodity member groups of O.F.A., from opinions expressed in some 40 different county federation meetings, as well as from discussions by Farm Forum groups. Grant Wallace, O.R.A. fieldman for this area, showed some educational slides which pointed out the need for farmers to have farm liability insurance. The slides were followed by a brief outline given by Earl Bradshaw, C.I.A. area supervisor, of the new farm work accident endorsement which is now available. This policy is not a substitute for Workmen's Compensation but is offered to those who do not have or cannot obtain Workmen's Compensation. The resolutions committee, who were appointed to study the request for financial assistance for the Agricultural Economics Research Council of Ontario County Federation of Agriculture contribute to this research.

**PINE ORCHARD**  
(May 17)  
Our sympathy is extended to Mr. Harry Brammer and family in the death of his father, Mr. Ed. Brammer. Miss Jean Johnston was a Toronto visitor for a few days last week. Mr. and Mrs. Herb White and family spent Sunday in Claremont with their parents and attended the christening service of their niece, Bonnie Johnston. Sorry to report Mr. George Mason is on the sick list. Several from this community attended the Betty Gordon Doneing Recital where Dean Summerfelt was a participant. Miss Aleta Widdifield entertained the W. I. at her home on Wednesday with a good crowd present. Mrs. Harold Eveleigh, Aurora, spent the weekend with her father and had Sunday supper with the Johnston family. Mr. Eveleigh and Verne, along with Bruce Eveleigh and bride called Sunday night to see Mr. Walt Johnston who is home from hospital. Mrs. Frank Widdifield was buried at Pine Orchard Cemetery on Friday. She was well known in our district, having owned the store at Cedar Valley, along with her late husband for a number of years before moving to Newmarket. Our sympathy is extended to her family.

## "Your M.P. Must Be Ever On Guard"

Residents and voters in a Canadian political constituency have a right to speak of "Our man in Ottawa, when they refer to their Member of Parliament. He is their man because he has assumed a very great responsibility. His is not a duty to be taken lightly, Edmund Burke, the great English parliamentarian, once said:

"It ought to be the happiness and glory of a representative (in Parliament) to live in the strictest union and the most unreserved communication, with his constituents. Their wishes ought to have great weight with him; their opinion high respect; their business unremitting attention. It is his duty to sacrifice his repose, his pleasures, his satisfaction to theirs; and above all, ever, and in all cases, to prefer their interests to his own."

It was Burke also who said: "Public life is a situation of power and energy; he trespasses against his duty who sleeps upon his watch."  
It is your responsibility to inquire and know how you have been served, just as it is your representative's duty to serve you. The historic Liberal record for York North is a great one. Can that be said of any other party's representation?

**LIBERAL TRADITION**  
York North has known such Liberal representatives as Sir William Mulock, Rt. Hon. W. L. Mackenzie King who was Prime Minister of Canada, Sir Allen Aylesworth, Hon. Bill Mulock and Jack Smith who served long and responsibly. These men well understood the following comment made by Edmund Burke in his Speech to the Electors of Bristol on November 3, 1774. They understood it and they lived by it. This is what Burke said:  
"Your representative owes you, not his industry only, but his judgment; and he betrays instead of serving you if he sacrifices it."

These are interesting things to think about if you are a voter in York North with a federal election close at hand. Perhaps they will help you think of the busy and energetic Liberal — JOHN ADDISON, Candidate for York North.
