

SCENE SHOWS HON. L. B. PEARSON, LEADER OF THE NATIONAL LIBERAL PARTY, AND JOHN ADDISON, LIBERAL CANDIDATE IN YORK NORTH, MEETING PART OF THE THROG OF 5,000 ATTENDING THE PEARSON-ADDISON-LIBERAL CAMPAIGN PICNIC ON MR. ADDISON'S FARM.

JOIN THE THOUSANDS IN YORK NORTH READY TO VOTE LIBERAL JUNE 18

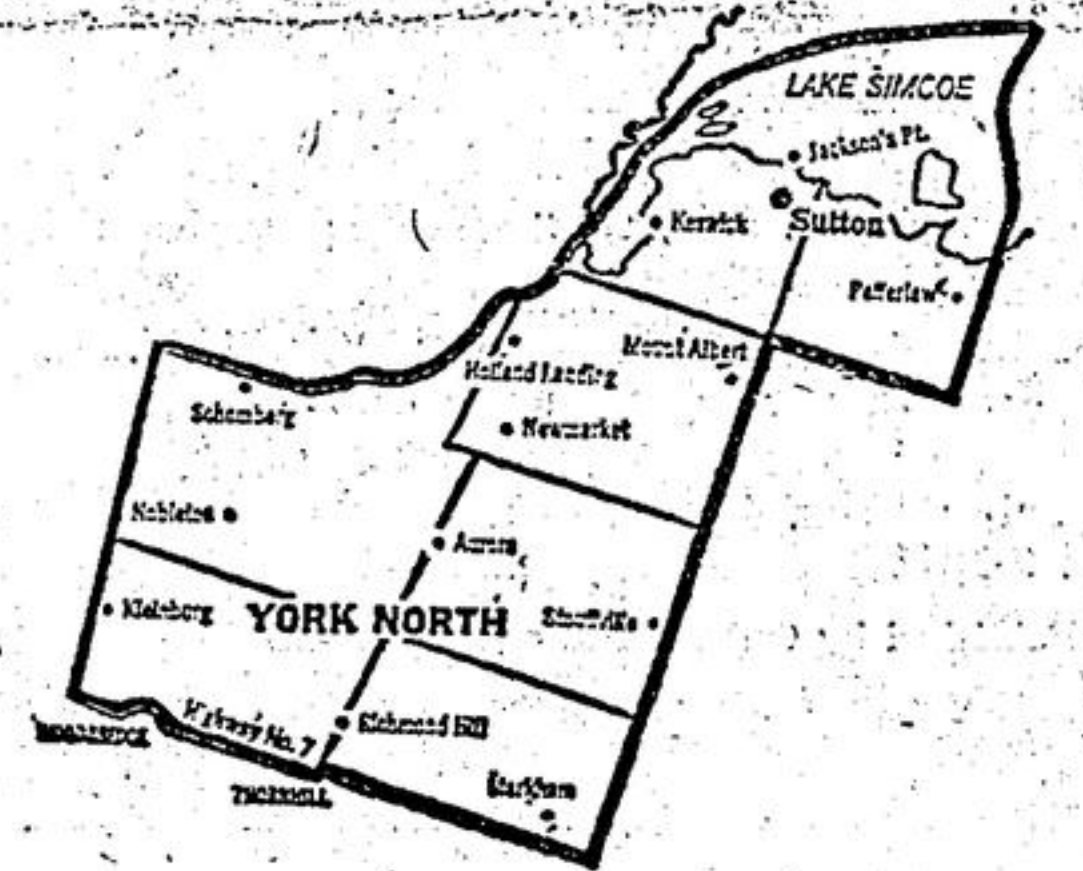

As the Liberal Party candidate in this extremely important Canadian election, I am asking the support of all voters to assure York North of Liberal representation in Ottawa and to elect a Liberal Government, with Hon. L. B. Pearson as Prime Minister.

JOHN ADDISON

I am trying to meet all of the voters personally but this is a very large constituency, with a total population of more than 100,000. It extends from No. 7 highway to Lake Simcoe and from Nashville to Pefferlaw. The accompanying map shows its boundaries and extent.

In the two and one-half weeks remaining before election day, it may not be physically possible to visit each and every voter, but I promise to give it a real try. Meantime, I would like to list some of the things for which the Liberal Party stands, and for which I stand, in York North.

- A strong, decisive government for Canada
- Vigorous economic expansion to make jobs
- Leadership for peace in the world
- The end of reckless financial mismanagement
- Definite policies to aid small business
- A square deal for farmers . . .

In York North, I shall work to achieve these particular objectives:

- Good low-cost commuter services
- Lower Mortgage Interest Rates
- Job Re-training Programs
- Move the Butter Surpluses

If you want a member of Parliament who will give active attention to the job, with full consideration of your interests . . . If you support the program outlined above . . . If you want to **TAKE A STAND FOR TOMORROW** with Canada's great Liberal Party, you can make it happen by marking your ballot for John Addison on June 18

John Addison

THE HON. L. B. PEARSON
Leader of the National Liberal Party

ADDISON, John

X
