

Scrambled Eggs

Fifty-nine thousand "scrambled eggs" littered the edge of Highway 48, north of Ringwood on Tuesday afternoon after a Scarborough truck veered off the pavement and overturned. The driver had just completed his final pick-up and his transport carried 166 crates, holding 30 dozen eggs apiece. The new-model truck was badly damaged. The load loss alone has been estimated at \$2,000. —Staff Photo

Nearly 62,000 in York County Take Oral Polio Vaccine

There were 61,908 persons, or 54% of the total population in York County who received a first dose of Sabin Oral Polio Vaccine during May, according to a report given to the Board of Health by the Medical Officer, Dr. Robert M. King, at the last meeting of the Board.

Almost all elementary and secondary school students received vaccine, or 93% of the enrollment in elementary schools, and 83% of the enrollment in secondary schools. A total of 17,328 infants and pre-school aged children received the cherry-flavoured pleasant tasting vaccine, or approximately 50% of the estimated numbers of this age group in the population.

The vaccine was well received by the younger generation and made available in every school in the County during school hours. Pre-school children and adults were able to get the vaccine at any one of 41 evening clinics spread across the County.

The second dose of the oral vaccine will be made available during October, and plans are under way now for schools and clinics. Outstanding features of the new type of vaccine included the ease of taking the vaccine by mouth rather than needle, speed with which large numbers of persons could be served, and the almost negligible effects reported by persons taking the vaccine.

Term Engineer's Report on Work As Extravagant

"We just haven't got that kind of money," stated Reeve Cliff Wallwork in outlining the basis of road construction work as laid down by engineers with the Dept. of Highways at the conclusion of a survey conducted recently in the municipality. "If we do what they want us to do it will put a few more mills on the taxes," he said.

Construction projects are planned for con. 3, 6 and 9. The Department Engineer has asked for a 32 ft. top, a gravel surface of 24 to 26 ft. with 44 feet from ditch to ditch.

"If we are going to do construction work we must go by their ideas," said Road Supt. Davis. The matter was discussed at considerable length at a regular meeting of council Monday night.

"Are these ideas or just fads," questioned councillor Ross Farquharson. "One would think we had millions to draw on to do this work," continued the reeve.

The Council agreed that the engineering work should be completed on con. 6 during the current year in order to cut down on costs in '63.

Balloon-Arama Card Found in N.Y. State

One of the postcards attached to a balloon which was released nearly nine months ago by the Stouffville Lions Club in connection with the new Main St. opening celebration, has turned up about four miles out of Auburn, N.Y., and been returned to the Club. The postcard bore the name of Gar Lehman of Stouffville, the purchaser, and it was found by Fred K. Leubner who sent back an interesting letter concerning himself and finding the balloon.

Mr. Leubner wrote in part: "I found the card just over a fence line on one of our five farms. It was in thick brush. It seemed just like a miracle. I'm 27 years old; a farmer all my life and along with three brothers, work about 560 acres. We have about 140 milk cows and raise corn, beans, hay, grain, etc. I've got a pilot's license and along with my wife, visited the Canadian National Exhibition last fall. We also visited a large part of your wonderful country in May 1960 on our wedding trip. It's wonderful that two countries can get along so well and I wish more people from other countries could experience this feeling."

"I'd like to hear all about the launching of the balloons and where they went, when did they go up and how many. May the Lord bless you and all the people of your town and country."

Carole Anne Jakeman, daughter of Mr. and Mrs. H. A. Jakeman, R. R. 3, Claremont, graduated recently in Medical Lab. Technology from the Ryerson Institute, Toronto, and has joined the staff of Wellesley Hospital.

Miss Bell Mitchell of London is spending a couple of weeks with her niece, Mrs. Ken Campbell at Ringwood.

Estimated 3,000 Fans See Markham Rout NHL Softball Stars

The largest crowd ever to view a district softball game thronged into Markham's Morgan Park on Saturday night to see the N.H.L. All-Stars battle the "Aces" in a seven-inning exhibition contest.

The attendance was estimated at over 3,000 fans. Markham scored four runs in the first inning and went on to win by a 7-1 count.

The rollicking Eddie Shack made a surprise appearance in the lineup for the All-Stars. Other hockey visitors included Billy Harris, Ed Chadwick, Bobby Baun, Carl Brewer, Cal Gardiner, Jerry Foley and Red Sullivan. Bobby Novin was not present and his place was filled by Barry Watson. Harris counted the only run for the N.H.L. club.

At the conclusion of the game the All-Stars were mobbed by autograph-seekers. A complete report of the contest appears on the Sports Page of this issue.

Late Fred Cole Built Many Homes in District

On Friday, June 15th, Mr. Frederick L. Cole, a life-long resident, con. 9, Markham, passed away in the Scarborough General Hospital after suffering a stroke a few days prior to admittance. Mr. Cole had been in declining health for several years but he remained active in spite of illness.

The deceased gained a high reputation in two lines of work. As a builder, he was a master craftsman and many Stouffville structures are silent samples of his ability as a brick-layer. The Fred Button and Sylvester Polard homes are only two of his finished products. He also erected a school and a bank here and the Presbyterian Church in Markham.

As a farmer, he was equally energetic. His herds of Jersey cattle, sheep and goats gained a reputation across Canada. His entries at the C.N.F. and district fall fairs won him a host of awards. He built his own farm home across the road from where he was born in April, 1878. He was the son of the late Ambrose Cole and Annie Tran. His wife, the former Rosella Moore, survives. The couple had been married 37 years on June 14th.

Rev. Norman Pick conducted the funeral service from the Dixon Chapel, Markham, on Monday afternoon at 2 o'clock. Interment was made in Locust Hill Cemetery. The pallbearers were Messrs. Frank Grove, Jack Grove, Lev Dudge, Tom Masters, Tom Bunker and Stephen Lancaster.

Transport Overturns At Ringwood, Spilling Nearly 5,000 Doz. Eggs

A driver's attempt to avoid a dog and a small girl was blamed for an accident on No. 48 Hwy., north of Ringwood on Monday afternoon that spilled 166 crates containing 4,980 dozen eggs.

Wm. Robt. Iles, 29, of Kingston Road, Toronto, had completed his final pick-up at Mount Albert and was taking the load to the firm of Ed. Ferguson Ltd., Scarborough. He said that as he approached the Ringwood intersection, he swerved his truck to miss a dog, then cut sharply back when he spotted a little girl in the path of the transport. The truck rolled completely over, snapping off

the driveshaft and severing the rear dual wheels from the chassis.

The crates slid off the platform and temporarily blocked the driveway of Ringwood resident, Jack McHaffey. Although the majority of the 59,000 eggs were broken, a number were salvaged.

The Ferguson transport, a 1962 model, was quite badly damaged. The driver was admitted to the Stouffville Medical Centre for treatment of lacerations to his face. "It all happened so fast," he told The Tribune. "I just grabbed hold of the steering wheel and hung

York North Returned to Liberals - Town is Tory

York North, which up until 1957 had been traditionally Liberal for more than half a century, was returned in Monday's federal election, to the Liberal fold with the election of John Addison. C. A. Cathers' big 58 majority of twelve thousand votes, toppled along with many other Conservative votes in Ontario.

The vote was close considering that some 35,000 voters cast ballots for the two major candidates. Mr. Addison polled 17,912 votes and Mr. Cathers 17,070, a difference of 842. The NDP candidate Mr. Hall showed surprising strength in the riding, getting 7,746 votes, although it was not sufficient to prevent him from losing his deposit. Mr. Ford for the Social Credit, received 514 votes. A total of 43,242 votes were cast, or almost 75% of the eligible voters.

The winning candidate put on a rousing campaign from the early beginning and despite the big Tory lead of 1958, a close race had been predicted by many observers. There was no great swing to Mr. Addison in any one poll or section of the riding, but small steady gains throughout most areas added up to his eight hundred majority.

Stouffville Slightly Tory

In Stouffville where twenty-five years ago the Conservatives could scarcely muster a corporal's guard, Mr. Cathers came up with a majority of 11 votes. In 1958 he had a majority here of four hundred. Markham Village too gave the Conservatives a 56 majority.

The vote here was Cathers 624; Addison 613; Ford 15 and Hall 147. In Stouffville the turnout at the polls was approximately 70%.

THE VOTE IN STOUFFVILLE

	Addison (Lib.)	Cathers (PC)	Ford (SC)	Hall (NDP)
Masonic Hall	114	97	3	27
Mansion House	81	96	1	13
Davis Store	68	88	3	19
	52	56	0	14

Summitview	64	50	1	12
	613	624	15	147

Grant Wells Plows For Canadian Title

Grant Wells, a well-known plowman, motored to Portage La Prairie this past week to attend the Canadian Championship Plowing Match being held this year in Manitoba. He won the right to represent the province of Ontario along with William Hostrawser of Brampton last fall at the provincial match held near Belleville.

Eight of the ten provinces have entered contestants and the Championship will take place Thursday, June 21. There is also a visitors' class scheduled for Wednesday, June 20, the first day of the match. The contestants who place first and second in the Canadian competition, provided they don't both come from the same province, will earn the right to represent Canada and a chance for the Esso Golden Plow Trophy in the World Match 1963 to be held on Con Smyth Farms, Caldon. They plow two lands on Thursday, one in sod and one in stubble. There will be judges from each province scoring the lands.

This is the first time in the history of the Canadian Championship that the event has been held in Western Canada. The site is about seven miles west of Portage and sixty miles west of Winnipeg.

Grant spent some time with Mr. Cyril Haynes of Emmerston this year's Canadian champion. He will represent Canada in Holland this fall.

Some of the plowmen from this district planning to take in this match are Bob Timbers, Joe Tranter, Floyd-Forsyth, and Jim Eccles.

MANNING THE POLLS

Stouffville voters recorded their ballots at eight polls in Monday's federal election, the largest number of polls ever used in town. One of these, that at K. R. Davis' store, was a double poll. Those on duty were as follows: at Masonic Hall; Mrs. Marion Murphy, Mrs. Ida Davis; at Mansion House, Mrs. Hazel Stover, Mrs. Christie Armstrong; K. R. Davis' Store, Mrs. Joan Cadieux, Mrs. Tillie Smith, Mrs. Agnes Lewis, and Mrs. Grace Holden; at Fred Alsop Office, Bernie Tunney and Mrs. Jean Baker; at Lee's Real Estate Office; Mrs. Margaret Campbell, Mrs. Beryl Sanderson; at Municipal Office, Mrs. Aurelia Smith, Mrs. Lorraine Steckley; at the Summit View School, Miss Effie Harding and Mrs. Ella Morden.

MARKHAM VILLAGE VOTING

Addison (Lib.)	655
Cathers (PC)	711
Ford (SC)	15
Hall (NDP)	213
Cathers majority	56

"Acid" Dump Disgrace Says Reeve Wallwork

"It's the worst disgrace I've ever seen," commented Reeve Clifford Wallwork at a regular meeting of Whitechurch Twp. council on Monday night, "the smell would knock you down." Reeve Wallwork was speaking of the dump at lot 13, con. 2, for refuse from the Collis Leather Co. of Aurora.

The Reeve said he visited the premises and had called at the residence of a home owner near the dump. "The odour would floor you right in their living room," he said. "It's been dumped all over the place."

Reeve Wallwork said he was accompanied by three other men to the site and one of the party was sick after the inspection. He criticized the Ontario Water Resources Commission for their laxity in not taking action on the matter. "I'm fed up," he concluded.

The Council recently received a 26-name petition from residents in the area complaining about the refuse that they feared might eventually destroy the water supply of the district.

PUBLIC SCHOOL TEACHERS IN PLENTIFUL SUPPLY

If there is any scarcity of public school teachers, it certainly wasn't evident from the number of replies received by the trustees at Green River to fill a one-room vacancy for grades 4, 5 and 6.

A newspaper advertisement brought more than 225 applications for the position. They ranged from all points across the Province.

At the one-room rural Mount Pleasant school, S.S. No. 12, Pickering, the Board received nine applications. This school has been closed for one year but will be re-opened in September.

Next Wednesday Big Entertainment Day in Town

Next Wednesday, June 27th, the Stouffville Lions Club will sponsor a giant Bar-B-Q and Street Dance here to help raise funds for their many charitable works in the community. The Bar-B-Q will be held on Main St., beginning at 5:30 and continue throughout the evening.

Adults \$1.50; Children 75c. In addition to the street dance there'll be lucky draw prizes and games of chance. Bring along the family and enjoy this giant community picnic.

Miss Ruth Cullen, daughter of Mr. and Mrs. Gordon Cullen, R.R. 1, Richmond Hill, is a third year graduate of Emmanuel Bible College, Kitchener, and has taken a position on the staff of Branson Memorial Hospital.

Districts Oldest Resident Dead, Was in 109th Year

Funeral service will be conducted on Thursday afternoon (to-day) at 2 p.m. from the Chapel of McGuire and Low, Uxbridge for the late Mrs. Cella Ann Baker, who passed away on Monday morning in the Brierbush Hospital, Stouffville. The deceased, a most remarkable lady, would have marked her 109th birthday in September.

Mrs. Baker, the former Colia Ann Dennie, was born near Newmarket, one of a family of twelve children. At age of 11 yrs. she worked out in homes in the district. For her efforts she received \$1.00 per month.

For more than fifty years, she resided west of Stouffville in Whitechurch Township. For the past 11 years, she has lived

with her daughter, Mrs. Mearle Phillips in Uxbridge. She was admitted to the Brierbush only last month. A second daughter, Mrs. Sarah Forsythe resides in Toronto. Her husband, Wm. Baker died 39 years ago.

The attention of the press and public was directed toward her when she bypassed the century mark and each year, her birthday, celebrated in a quiet, country fashion, only added to the achievement. Not only was she bright and active until the end but she retained the use of all her faculties and took full advantage of every day she was spared.

Following the service, interment will be made in Heise Hill Cemetery.

A Man's World?

Fishing can no longer be classed as a sport only for the brawny outdoorsman.

This fact was supported last week when Mrs. Clara Tompkinson, Burkholder Street,

Stouffville, landed this fine ten pound pander at Gamebridge. The big beauty meas-

ured 23 1/2 inches in length. —Staff Photo
