BUTTONVILLE HAPPENINGS

U.C.W. Pack Bale —

Mrs. Aubrey Stephenson and Mrs. Fred Leaf were hostesses on Wednesday last week, when Brown's Corners United Church Women held a meeting and bale-packing. Mrs. Harold Steffler, president, chaired the afternoon meeting. Mrs. Stephenson and Mrs. S. J. English led the singing.

The devotional was taken by Mrs. Leaf, and a short skit on Stewardship was presented by Mrs. Steffler, Mrs. E. Sherman and Mrs. John Wilkins.

Mrs. W. W. Miller, a delegate to the Spring Rally at Uxbridge, reported on that meeting.

The treasurer, Mrs. Norman Reid, reported \$552.92 in the bank, with some cheques still to come in.

Music Pupils Do Well —

Congratulations to the following pupils of Mrs. S. J. English, who were successful at the recent examinations held at the Royal Conservatory of Music in Toronto:

Piano—grade 8—Mary Champion, Helen Sutherland; grade 5, Dawn Tatton; grade 3, non., Judy Gough, Debbie Hood.

Grade 2 Theory: (1st class honours), Barbara Empringham; Dianne Donnelly.

Grade 1 Theory: (1st class honours) Mrs. Alan Martin.

Mystery Tour —

It was a Mystery Tour for members of Buttonville W. I., Wednesday last week, when the committee in charge — Mrs. Charles Hooper, Mrs. K. Stots, Miss Elizabeth French and Mrs. Jean Cook arranged a tour of local points of interest with a Strawberry Festival as the climax. Five car-loads set out at 1:30 p.m. from Buttonville W. I. Hall, with drivers Mrs. Geo. Hooper, Mrs. James Rodick, Mrs. M. Sherman, Mrs. Russell Boyington and Mrs. Joe Robinson.

The first stop was made at century old Bruce's Mill which lies in the north part of Markham Township. Here the countryside is green and quiet, and the old water-wheel waits to be rejuvenated when the Conservation Authority commences its work in the near future.

The second point of interest was The Gold Fish Supply Co. at Stouffville. Cold water goldfish are here, by the thousands, sometimes as many as 250,000. After an inspection of the plant the guide, Mr. Ashworth, led the way into Whitechurch Township where the company has its hatching ponds.

Leaving gold fish behind, the women toured on in a northerly direction, to Sky Hill, Dr. Alan Secord's sanctuary near Goodwood. The wild fowl haven, which was visited first, was situated around a quiet lake, and Canada geese and wild ducks were busy training their young.

Later, the group was conducted to the pet cemetery situated on a small knoll on Dr. Secord's property. Here were small markers noting the burial places of loved pets. Many markers noted pets in the 14 to 17 year range, but one dog was 24 years old, and Polly Parrot was 87.

According to the guide, plots here range from \$35.00, and \$2.00 a year provides care.

From Sky Hill the cavalcade wound its way to the York County Re-forestation at Vivian, and from there to Aurora and on to Teston, where the goodwives of the neighbourhood

were holding their annual Strawberry Festival.

Neighbourhood Notes—

Mr. and Mrs. E. Hill are at their Haliburton cottage.

Sharon Rumble, a student at Thornhill Secondary School, was at Buttonville School last week, to explain the new Thornhill uniform to grade 8 students who will be in High School this autumn. Co-eds will wear blazers with white blouses and gray skirts.

Jamie Miller was 7 last week, and celebrated by entertaining 16 guests. Mrs. Paul Mingay assisted Jamie's mother, Mrs. J. Miller.

Mr. and Mrs. Frank Maw were present on Sunday when their first grandson was baptized. David Glenn Maw, son of Mr. and Mrs. Derek Maw, was christened at St. Margaret's in the Pines, West Hill.

Mr. and Mrs. Edgar Fuller and Joy, and Mr. and Mrs. Irving Gohn and their family were guests when George Beatty and Marilyn Hayes of Richmond Hill were married at Richmond Hill United Church last Saturday. The reception which followed was held at Aurora Highlands Golf and Country Club.

Several local young people attended the York Presbytery Y.P.U. picnic at Sibbald's Point

last weekend.

Mrs. A. W. Miller was soloist at the Brown's Corners United Church this past Sunday, and the service was conducted by Rev. Gerald Fitzpatrick. Next Sunday, and throughout July, Sunday School children will come to church at 11:30 a.m. and leave before the sermon to attend their own service in the Sunday School rooms.

The Sunday School Picnic will be held at Cedar Beach, Musselman's Lake, on July 4. Anyone wishing transportation should contact Mr. Charles Turner or Mr. Garnet Stewart.

Affiliation Service —

A Youth service and Affiliation was held recently at the Brown's Corners United Church when members of the Messengers, Explorers and C.G.I.T. groups presented gifts to the church M&M Fund. Presentation of the Messengers gift offering was made by Paul Craigie and Paul Steffler, assisted by Mrs. Wilfred Turner; Mary Lynn Snider and Irene Craigie made the presentation for Explorers, and Patricia Patterson and Maureen Martin acted for the CGIT. Mr. Ross Hord, chairman of M&M and Mr. Walter Craig received the gifts for the church. Rev. Dr. A. F. Binnington conducted the service.

Kennedy's Back From 20,000 Mile World Tour

Mr. and Mrs. A. C. Kennedy of Unionville brought back vivid memories of their 3-month 20,000 mile trip around the world. They returned last week to the Kennedy Chiropractic Clinic which Arthur Kennedy founded in 1918.

Among the pictures that stand out in the minds of these veteran travellers (they celebrated their 50th wedding anniversary two years ago) are the following:

Children on sampans in Hong Kong harbour. One little girl reading in the shade of a canvas awning. Others in dire physical straits. "Poor little beggars looking as if they were starving to death," said Doctor Kennedy.

A woman tourist, seeing starvation for the first time, saying: "Take me away from here. I don't know why the Lord allows it."

Rising at 3 a.m. to drive by jeep from Darjeeling up an Indian mountain to see the sunrise on Mount Everest — and enjoying it.

Attending a Methodist church service in Calcutta.

"Most of the people in the far east appeared happy. You would wonder why. We wouldn't be," the Kennedys comment.

Bamboo scaffolding around a new building in Japan.

Riding an elephant in India, a donkey in Israel, a camel in Egypt.

Making an emergency stop at Wake Island because one engine had been acting up over the broad Pacific.

Evidence of war — abandoned guns, planes and tanks — around Wake.

The Kennedys have hundreds of colored pictures they hope to show their friends at the Kennedy Chiropractic Clinic this fall.

U.C.W. Group I —

Mrs. Alan Martin was hostess Tuesday evening of last week when unit 1 of Brown's Corners U.C.W. met at her home. The theme of the evening was "Children" and a devotional service and story were taken by the committee in charge — Helen Cormack, Carole Carr, Anna Armstrong and Kathleen Strike. Later in the evening Mrs. George Hooper conducted an activity group.

Unit No. 1 plans to hold a Bake Sale on the lawn at Buttonville W. I. Hall one Friday afternoon and evening in August, proceeds of which will be to assist Youth groups with their work this autumn.

Several local branch members of the York Central Hospital Auxiliary attended the Garden Tea at Glen Lonely Farm, home of Mr. and Mrs. S. C. Snively, Saturday of last week. Among them were: Mrs. George Kelly, Mrs. James Rodick, Mrs. Russell Burr, Mrs. Douglas Hood, Mrs. Norman Reid, Mrs. S. J. English, Mrs. Jean Cook, Mrs. A. W. Miller, Mrs. A. Robinson, Mrs. W. Kedwell, Mrs. John Donaldson, Mrs. F. W. Baker, Mrs. Ridout, Mrs. Adair, Miss M. Rodick and Mrs. F. Leaf. Mrs. J. Robinson, chairman of the Buttonville branch, poured tea.

School Tax Affects Area —

If some householders in Markham Township have wondered why taxes have varied so this year, a talk by S. R. Patterson, chairman of Finance for School Area No. 3 which includes sec. 3, 4, 5, 6 and 7 on this side may clarify matters. He explained that at the time of amalgamation No. 5 had a surplus. Of this amount \$12,000 was applied to taxes this year, resulting in a drop from 33.8 to 8 mills in '62. This made Buttonville tax bills either static or lower than last year's.

However, in Headford there will be heavy expenditure either to repair the old school or build a new room at No. 4. So these residents found that their rate was up from 12.1 to 25.3. It is expected that the entire T.S.A. No. 3 rate, will level off at approximately 17 mills.
