

LET'S TALK CARS

The Eyes Have It
As the old saying goes "Seeing is believing" — and it was never more true, or vital, than when you are driving.

The armed forces, universities and industry researchers working on cutting down accidents say it is the way many drivers use their eyes that causes them to "miss seeing" oncoming vehicles.

You may have had the experience yourself while pulling out from a parking space, or passing an intersection. Suddenly, as if out of nowhere, another car is just THERE. You thought you looked and yet saw nothing. Your eyes momentarily fooled you.

What happens in such cases is that we use too much of our "peripheral" or side vision instead of looking at the source of danger directly through our clear central vision.

Look directly, left and right, and through the rear view mirror for near approaches when caution demands it. It's sound practise, too, to keep your eyes moving, specially at night when they have a tendency to stare. And sight beyond the headlights for shapes if the visibility is poor. And next to your own eyes, watch the eyes of pedestrians and other drivers. They're keys to where they might move unexpectedly.

Safety checks show that almost thirty percent of all headlights are improperly aimed, resulting in strain to oncoming cars and reduced vision for the driver. If you are in doubt about your lights, bring your car in for a check. If they need reaiming, the charge is very nominal.

Ontario County Princess At The CNE, Aug. 21

Miss Donna Johnson, Uxbridge, R.R.4, a member of the Uxbridge Junior Institute, will represent Ontario County in the preliminary Dairy Princess Competition to be held at the C.N.E., on Tuesday, August 21st, in the Coliseum at 6.00 p.m.

43 counties and districts will be represented with five princesses competing each night. The finals will be held on August 30th.

Donna will compete with the princesses from Halton, Renfrew, Lambton and Wellington counties in the preliminary.

The five finalists will take home a host of prizes, including a purebred calf, and the Dairy Princess, who wins the competition, will also get an all-expense-paid trip to Britain via Pan American Airways.

The pageant is sponsored by the Ontario Milk Producers' Coordinating Board, the Telegram, the C.N.E. and the Dairy Branch of the Ontario Department of Agriculture.

RECOGNIZE LADIES AT THIS YEAR'S PLOWING MATCH

Women who attend the 1962 International Plowing Match this October at the Norman Barber Farm, Derby Township, in Grey County, will not have to stand by, almost forgotten, while their husbands enjoy themselves watching plowing events and discussing the merits of competitors and equipment.

This is the year when the farmer's wife and her city counterpart can go to the International knowing there are special events planned for each day of direct interest to her.

The local committee, with Vic. C. Porteous as general chairman and Jack H. Fitter, chairman of the special events committee, are going all out to make the 1962 Match outstanding in every respect, but especially for women.

A well-planned school—a fashion show presenting fall and winter styles with glamorous Toronto models wearing them with the éclat that only a professional model can provide, hair styling demonstrations showing the newest in coiffures and tinting.

And that's not all—the excitement of Ontario's biggest "fair" will include wagon tours, parades, bands, majorettes, Grey County Museum exhibit, a furniture show featuring the best of furniture, all manufactured in Grey, safety demonstrations, films of a variety of subjects and entertainment.

Women again take the spotlight with a Queen of the Furrow competition with entries from most of the counties of the province, between the ages of 16 and 25.

Queen of the Furrow contest and parade of machinery are highlights of the Thursday program and the Ontario Plowing Championship will be decided Friday. Horseshoe pitching competition and other events of the day will lead up to the Award Banquet at 7 p.m.

Saturday will see the Mayors' Class in action, and this should be a wide-open affair for already 35 mayors have accepted the challenge issued by E.C. "Eddie" Sargent of Owen Sound.

The Inter-school plowing competition will see the plowmen of future years showing "the experts" that they too can handle a tractor and plow.
