Goodwood Team Tops Group To Win League

Goodwood, one of the newest | Juniors. entries in the Claremont Community Softball League, ended the schedule last week in first place. They far exceeded the expectations of their followers including the writer. The club won the new trophy, put up for the first time this year. The official presentation will be made at a later date.

In a 21-game schedule Goodwood only lost six games, winning 14 and tying one. They finished with 29 points, two in front of Brougham. Greenwood was three points back. Goodwood is currently meeting Altona in the first playoff round. Uxbridge is going against Brougham. The | Brougham 27, Greenwood Srs. Goodwood's early-season jump to the top of the league was a great team effort. Although they levelled off in mid-season, they had enough points to carry it through. Righthander May turned in a sensational pitching per formance and brother Ron May took his turn at relief. Catcher Bob Todd completed the battery.

The team had good bench power and coach Dean Watson never hesitated to call in the reserves. They gave the league some of its most exciting games.

The final league standing was as follows: Goodwood 29 pts.;
