RETURN FROM TRIP ABROAD

Mrs E. B. Leavens of the 9th Line, Mrs E. Paroz and Miss N. Droz of Montreal have returned home after a three months absence. They went by boat from New York to Le Havre, France, visited friends in Paris, then to Switzerland, W. Germany and Belgium to visit relatives and friends there.

Mrs Leavens left her friends in Belgium where they flew direct from Brussels to Montreal. Mrs Leavens went to England to visit Mr Leavens cousin, Mrs E. B. Tanner and friends; then to Wales to visit relations and to Scotland to visit friends.

She flew direct from Prestwick to Malton by jet. The jet travelled at a height of 35,000 feet at 472 miles an hour. It was a very smooth flight, all flights by plane while away were beautiful and marvelous as the weather was in her favor Mrs Leavens reports.

While in Germany they took a trip from Koblenz to Rudesheim on the Rhine, a seven hour trip, the scenery was magnificent although raining and dull. Dinner was served on board ship, beautifully and tasty.

Mr Leavens spent the summer months at Plymouth, Michigan with Mrs Leavens brother and family.

Mrs Leavens tip to other travellers; travel light, as it is most convenient when travelling by air, then again when you go by train. It is not always possible to get a porter quickly to help you up and down stairs across to another track or station when changing trains, believe me those trains do not stop long at a station, she says.
