IN MEMORIAM

BROWN - In loving memory of our dear mother, Mrs. Ethel Brown, who passed away on October 22, 1957. If we had it all the world to give, We'd give it, yes, and more. To hear her voice, see her smile, And greet her at the door; But all we can do, dear mother, Is go and tend your grave, And leave behind tokens of love To the best mother God ever made. We like to think when life is done, Wherever Heaven may be, She'll be standing at the door Up there to welcome us. Always remembered by the Family.

PATTENDEN - In memory of a dear mother, Mrs. Della Pattenden, who passed away October 22, 1961. Always remembered by Elva, Roy, and family.

HUMMEL - In loving memory of a dear father and grandfather, Jacob Hummel, who passed away Oct. 21, 1961. Every day in some small way Memories of you come our way; Though absent you are ever near. Still missed, loved, and always remembered by Frances and Bill, Anna and Norman and grandchildren.

MORDEN - In loving memory of my dear husband, Howard Verle Morden who passed away October 8, 1950. Lovingly remembered by his wife Evelyn.

MORDEN - In fond and loving memory of our dear father, Howard Verle Morden, who passed away October 8, 1950. Ever remembered by his daughter Shirley and son Fraser.

MORDEN - In loving memory of a dear father-in-law and grandfather, who passed away October 15, 1946. Ever remembered by daughter-in-law Evelyn, granddaughter Shirley, and grandson Fraser.

THOSE HOME HAIRCUTS - A 56-year-old man went to the barber shop for the first time the other day. Throughout his life he had his hair cut by his father but the 83-year-old dad started to lose his eyesight so the son had to seek the tonorial skills of a professional shaver of locks. This incident just brings to light the fact that those "good old days" probably were pretty good, even though the modern era is filled with comforts which become boring. For instance, it was not uncommon for Junior to have his hair cut by his father. A bowl would be inverted over the boy's head to serve as a guide for the scissors and clippers. We can't recall ever having seen one of these home haircuts as a model for barbering skill. The victim usually looked rather nude around the ears and what was left (to be smeared into place with cocoa butter) was irregular.

Those were the days when almost every father had his backyard filled with growing fruits and vegetables and every summer and fall mothers and daughters waded into a round of canning and pickling. Instead of Mary demanding and getting a new outfit for school, she had to take her older sister's outfit. The hand-me-downs may have been patched and re-patched but clothes of those earlier days had to give full mileage. We wouldn't want to go back to those austere days of Saturday night baths in a wash tub filled with hot water or coal oil lamps attracting stray moths or home haircuts. But still there is reason to believe that families, in those days, were more closely knit. They didn't have the spending money nor synthetic attractions to spend it on. helpful to those who wish to lose weight than any new available would be a reliable tonik for strengthening the will to those austere days of Saturday night baths in a wash tub filled with hot water or coal oil lamps attracting stray moths or home haircuts. But still there is reason to believe that families, in those days, were more closely knit. They didn't have the spending money nor synthetic attractions to spend it on.
