# CEDAR GROVE NEWS

The widely supported petition expressing concern over our local dangerous railway crossing and read to council recently, seems to have brought some results. Bert Tapscoft received a letter from the Clerk stating that a recommendation had been passed and a letter sent to the Board of Railroad Transport Commissioners requesting an enquiry. Lawson Mumberson, deputy Reeve, explained council's position to the members of the Community Club at their monthly meeting. Signals at level crossings seem to be the most hopeful solution but, judging from past experience, we can expect a year to elapse before any activity in that line will take place on 14th Avenue.

Visibility is another thing. Because the Dominion Government covers 80% of the cost of signals, it is almost impossible to expect the railroad to take on the expense of removing banks or obstructions for clear visibility. As it now stands: we wait for action on signals and we watch our step at the crossing.

The rink is still high on the list of Community Club projects and it will be necessary to call another Bee to complete repairs before this year's skating begins. Wally Reesor has agreed to manage the rink this season and the booth proprietor has not yet been decided definitely.

The CGIT held their Initiation and Lanyard ceremonies on Saturday afternoon in Zion church. After a sincere and impressive ceremony, Janet Bielby, President, planned CGIT pins on Catherine Ritchie, Cathy Ionsen, Cheryl Ann Walton and Cathy McClelland. Mrs. Maurice Hamill presented lanyards to Margaret Beare, Marilyn Davis and Dorothy Miller. Mrs. Maitland Ryan had been asked to address the girls and she appropriately chose "Hands" as her topic. Relating her subject to both her own life on the Canadian prairie and the life ahead of the girls of the CGIT, Mrs. Ryan placed an impressive value on the activity and usefulness of Hands.

Following the ceremonies, the girls served lunch to their guests and mothers from a table beautifully decorated in the blue and white CGIT colours. Mrs. Archie Little poured tea. Kathy Sculler gave the valedictory address at the Commencement exercises held at Mark-

Lam High School and also received her Ontario Scholarship award. Many of our local young people received Honour Graduation diplomas: Mary Allen, Marianne Burkholder, Bruce Petrie, Colin Reesor, Kathy Schuller and Roberta Whittaker. Roberta also won Grier's Zoology Prize and Marianne won prizes in both History and Latin. Jean Reesor won a Proficiency Prize in Commercial work. Cedar Grove is proud indeed of these students and warm congratulations are well earned by all of them.

Congratulations are also due Walter Burkholder who, with a yield of 141.7 bushels per acre of Funk's 10 A corn, has won the Annual York County Husking Corn Competition. This was a wonderful yield considering the runner up grew 116.5 bushels. Prior to harvest the crop was reviewed by the Ag-Rep, measured, weighed with moisture contents assessed. We understand Walter will be the proud owner of a watch for his efforts.

Euclre winners at the last game were: Mrs. Jean Hunter, Mrs. Emma Claude, Mrs. Vera Taylor; Charles Booth, George Freeman; and George Carr. Carrying prizes went to Mrs. E. Thompson and Charlie Booth. John Petrie was nominated to council but decided not to qualify this term. Charlie Hoover then became our member by acclamation.

After a long illness, Norman George Beare died last week in hospital and our sincere sympathy is extended to his sister, Jessie Beare. Margaret Reesor, died suddenly last week a few days after her nephew's death in a car accident. Our deep sympathy to her brother Jim.

**Date To Remember:**  
 Mother's Club will hold their December meeting at Bea Petrie's and a quiet, pre-Christmas evening is planned. Members are asked to bring along any reading pertinent to the season which they would like to share with other members.

Note change of date: December Community Club meeting, to be held at Bea and John Petrie's on Friday, Dec. 28th.

The White Gift service of Zion United Church will be held on Sunday, Dec. 9th at 7 p.m. Gifts of money will be sent to Norway House and Bonnyville and gifts of food and clothing will be sent to a downtown mission. Special music will be provided by the Sunday School pupils.

# Zephyr Man Wins 500 Bus. Potato Club

Mr Ches Lunney, Zephyr, was the winner of the Ontario County 500 Bushel Potato Club this year. He used the Kennebec variety. His estimated yield in bushels per acre was 821.

Stan Lunney, Zephyr, was in second place with a yield of 784 bushels. He also used the Kennebec variety. Mr Murray Crone, Mount Albert, was in third place.

There were 23 potato growers who took part in this high yield competition this year. The average yield for the 23 growers was 494 bushels.

The 500 Bushel Potato Club Competition was brought to a conclusion with a banquet in the Sandford Community Hall on Friday, November 23rd. Mr Bill Lockie, Zephyr, Chairman of the 500 Bushel Potato Club, was master of ceremonies.

Mr Russell Morrison, President of the Ontario County Soil and Crop Improvement Association congratulated the 500 Bushel Potato Club on their success this year. He also presented high production certificates to the 9 potato growers who exceeded the 500 Bushel objective this year.

Mr Lynn Fair, Agricultural Representative, announced the prize winners, and asked the various donors of cash and merchandise to present their prizes.

Mr Walter Kerry expressed the appreciation of the potato growers to the ladies for their splendid banquet, and to the donors of cash and merchandise for their co-operation in supporting the 500 Bushel Club this year.

"I'll fix it," said Father. And he did—but good! But Mother and Mary won out: phone the repairman! So the family's entertainment is

## SAVED BY THE BELL

P.S. Seriously, though: you've surely often found that help is quickly at hand through a telephone—a service so valuable... yet so often taken for granted. The Bell Telephone Company of Canada.

# HUMAN RIGHTS DAY

ON DECEMBER 10TH, the 14th Anniversary of the Universal Declaration of Human Rights — we can note with some satisfaction, that in the past year our Province has taken another substantial step toward implementing its principles by the enactment of the Ontario Human Rights Code.

By bringing together into a single statute all of the various human rights legislation passed since 1944, by enlarging the scope of

the Ontario Human Rights Commission and by appointing a full-time Director with additional staff, we are now in a much better position to proceed with a greatly expanded educational program designed to make the aims of the Code better known and understood by our people.

It is a matter for gratification too, that in the development of its program of education and enlightenment the Commission is receiving the active and wholehearted co-operation of our churches, schools, industry, trade unions, and a wide variety of community organizations. This is surely the best proof that our citizens, individually and collectively, look upon our Human Rights Code as a reflection of the community conscience; that they are prepared to play their full part in applying its principles in their daily relationships, not just because the law requires it, but because truly enlightened social behaviour demands it.

While we deplore and condemn violations of human rights elsewhere in the world and stand aghast before such ugly manifestations as the Berlin Wall, we must never cease to concern ourselves with those walls of prejudice which still exist in our own community—and sometimes in our own minds — and which deny to our fellow citizens that justice and equality of opportunity which is their inalienable right. Justice, like charity, should begin at home.

Let Human Rights Day be, among other things, a time for self examination in order to make certain that we are faithfully adhering to those lofty principles of the Universal Declaration on which the Parliament of Canada and the Legislature of Ontario have placed their seal.
