CEDAR GROVE

The first week of the new year and news is somewhat scarce in Cedar Grove. We have settled again after the holiday festivities and are now shopping in the January sales, paying prices for our purchases much closer to their worth than before Christmas.

Crisp winter nights give way to mushy springlike days, and although skating is good, driving is pretty murky.

The Community Club held their last meeting for 1962 at Bea and John Petrie's and enjoyed a party after the business session. Officers for the new year were elected and Bert Tapscott is now President with Marg Walton as Vice President. Don McClennan was elected Treasurer and Bea Petrie, Secretary. The Works Committee will be headed by Jack Walton and Special Interests will be handled by Pat McClennan, Lloyd Clendennen, John Petrie, Ruby Reesor, Blodwen Davies and Jean Miller. Flower Comm. is Ida Tapscott and Mabel Reesor and Lunch Convenors will be Lillian Dean, Joyce Lapp, Marg Walton and Marie Dare. Auditors for '63 will be Jack Shouly and Jack Walton and Press will be handled by Pat McClennan.

The Club planned a Community skating party at Cedarena for this Friday night, Jan. 11th and it is hoped that a good crowd will take advantage of a whole night with the rink reserved for Cedar Grove only. Refreshments will be provided and a good evening of fun on the rink is planned.

We were very sorry to learn of the sudden death this week of Hilliard Walker and offer our sincere sympathy to his sisters, Mrs. Aubrey Lapp and Mrs. Marshall Connor and his brother Elgin.

May I take this opportunity to thank you all for providing me with happenings in the village to record in the Cedar Grove News. Please remember that the news means a great deal to readers who no longer live here but whose hearts are still in Cedar Grove. Often little things that would amuse or interest them are not thought newsworthy in the Village but they mean a great deal when home is here and you are elsewhere. Please continue to keep me posted... your news makes your column.

Barry Little and Allan Hamill were in Guelph last week taking advantage of short courses in animal husbandry and farm shop respectively.

We are sorry to report that Erin Rittenhouse is in hospital. Dinah Davis has returned from the holiday in England and was evidently not delayed by the heavy storms in Britain.
