

# Peewee Team To See Hockey Action in Minor Hockey Week Jan. 28-31

Stouffville's fine young peewee team will be one of nineteen local entries that will see action during Minor Hockey Week, Jan. 28 to 31. Club members, pictured here

are (left to right)—Rick Ashton, Earl Lewis, Michael

Bridges, Jody Holden, Jim Wilkins, Bill Nicholson, Shel-

ly Sugden, Gary Sugden, Billy Thornhill, Harold Crow-

der and Ray Paisley. The team is coached by Ernie Abraham and managed by

Bill Nichols. In addition to the peewee contest there will be atom, squirt, bantam and

midget contest plus a junior match between Stouffville and Sutton on Jan. 29th.

## SPORTS

### Kinnari Jumps Into Lead In Point Race

Matt Kinnari, last season's point scoring leader in the Stouffville Community Hockey League, has once again vaulted up front with a record of 18 goals and 12 assists for 30 points. During the season of 1961-62 he scored 25 goals and assisted on 28 others for 53 points. The big Ringwood right-winger started off rather slowly but in the second half of the schedule he has come on strongly. He also leads the scoring parade in the Richmond Hill senior circuit.

His closest competitors are Nell Pascoe of Greenwood and Harold Hodgson, another Ringwood sharp-shooter. Both have 26 points, four off the pace set by Kinnari.

Two Markham men have shot up the ladder during the latter stages of the campaign. Lawrence Gayman has 10 goals

### "Aces" Swamp Greenwood, Gayman Collects Six Points

When the Markham "Aces" embark on a goal-scoring spree, it can result in a pretty rough night for the rival netminder. This is what happened Friday when "Neb" Gayman's squad rattled no less than 12 pucks into the Greenwood cage behind second-string goal-guardian, Bill Maxwell.

The "Aces" broke the ice at the four minute mark of the first frame and kept up relentless pressure throughout the entire sixty minutes. Their two lines were clicking every time out with the trio of Gayman, Ron Graham and John Darbyson figuring in 7 of the 12 tallies. Gayman picked up 6 scoring

points. Ron Graham collected five.

The threesome of Harry Young, Bill Offord and Lindo Borean also turned in a fine effort. Young and Offord each scored twice. Borean notched a single. Ron Jones was the lone Greenwood marksman.

Markham now find themselves only three points behind Ballantrae in their fight for the fourth and final playoff position. They have two scheduled games left. The "Aces" face a tough grind this week when they meet undefeated Ringwood in the twin-bill opener at eight o'clock.

### McLean (Big M) Leads Clippers To 5-1 Win

The "Big M" of the Stouffville Clipper club, Barry McLean paced his team to a one-sided 5-1 win over a hapless Sutton squad on Tuesday night before a chilled crowd of onlookers in the Stouffville arena. He potted a pair of goals. Travis Sugden, Allan Boyd and John Saunders each notched one.

Although Sutton could ice only seven men, they put forth a valiant effort and for a time held a slim lead over their Clipper rivals. They ran out of steam in the game's late stages and their goal was bombarded with pucks in the final frame. Vern Willis was the lone Sutton marksman.

On Tuesday night, Jan. 22nd, Newmarket "Redmen" will be the visitors.

### CLIPPERS BOW TO ORANGEVILLE 7-3

Two games in three nights proved to be too hard a grind for the Stouffville "Clippers" last week and they could manage only one point out of a possible four. They held a powerful Aurora aggregation to a 3-3 tie but were outclassed in Orangeville on Thursday and dropped a 7-3 encounter.

The officiating in the Orangeville game was hotly criticized by Stouffville coach, Geo. Stark and members of the Clipper club.

Two of Stouffville's three goals came from the stick of Bob Armstrong. Larry Garner fired a single.

Glenn Jackson, star Stouffville netminder, appeared at times to be the lone defender against the Orangeville attackers when his mates sagged badly under pressure. He was afforded little protection throughout the sixty minute contest.

### "Merchants" Player Is Suspended

"Babe" Remmer, a veteran hockey player and a regular performer with Stouffville "Merchants" in the Community League, has been suspended following an altercation with an official during a game on Friday night.

He was handed a match penalty by referee Dan McComb after he is alleged to have struck linesman, Ford Sisson following a Ringwood goal.

Few persons in the arena and even some members of his own club witnessed the fracas. Remmer left the ice with little argument.

The incident will be discussed before a meeting of the league executive at some future date.

### Community Hockey Lg. Standings

	W.	L.	T.	Pts
Ringwood	12	0	0	24
Stouffville	6	5	1	13
Greenwood	5	4	2	12
Ballantrae	5	5	1	11
Markham	4	8	0	8

Results  
Ringwood 6, Stouffville 3.  
Ajax Girls 18, Stouffville 0.  
Markham 12, Greenwood 1.  
Schedule (Friday Jan. 18)  
Markham vs. Ringwood—8 p.m.  
Greenwood vs. Ballantrae—10:15 p.m.

Girls Game  
Port Perry vs. Stouffville—9:15 p.m.

McGuckin — 249; John Hill—246; Mary Wilson—237; Marge Samarillo — 237; Joyce Norrish — 235; Harold Hopkins—227; Dorothy Field—225; Alvin Redshaw—225; Bob Hockley (sub)—221; Geo. Redshaw (sub)—214; Ken Field—211; Shirley Pilkey—210; Les Padley—209.

Weekly Prize: Dorothy Field.

Time may be the greatest healer but he's certainly no beauty specialist.

## Spartans Upset Pickering In Opening Basketball Game

The Stouffville boys' basketball teams saw plenty of action last week, competing in a total of five games within the space of three days. They emerged with three wins and two losses.

On Monday, Jan. 7th, the Midget "Celtics" lost a heart-breaker to Uxbridge Jrs. 37-35. The two teams were evenly matched and entered the final minute of play deadlocked at 35-35. With eight seconds to go, Robbie Rattray scored the winning basket. Jim Hill played a strong game for the losers, hooping 17 points. St. John counted 12 for Uxbridge and Stevenson notched ten.

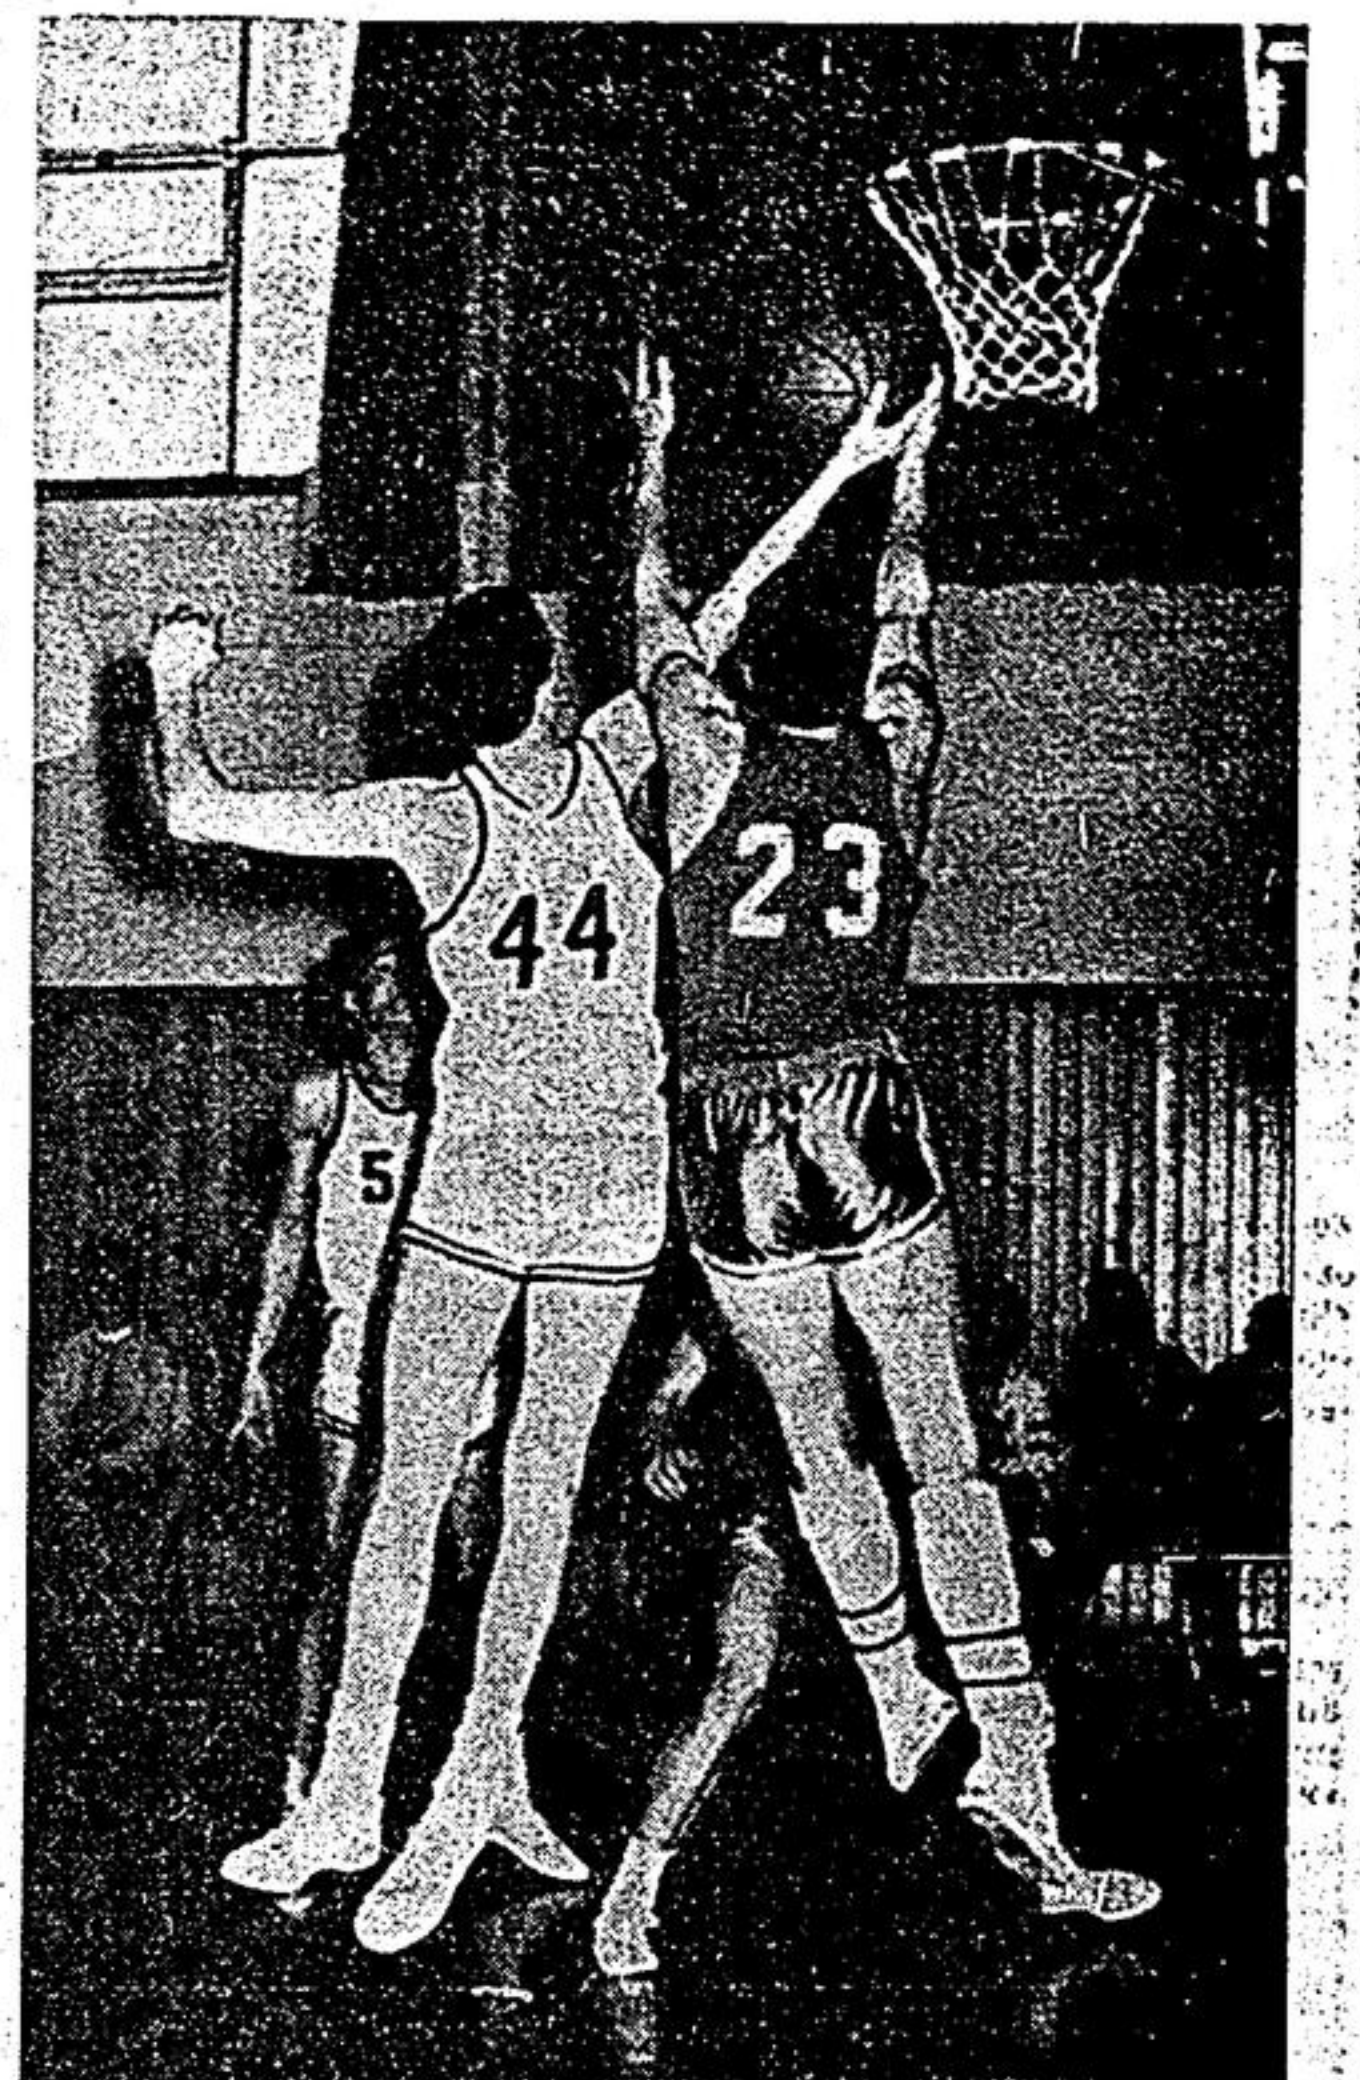

The Sr. "Spartans" continued their winning ways with a 54-33 victory over Uxbridge Jrs. Mike Paul led the way, picking up 16 points. Warren Hendricks enjoyed a good game with 14, followed by John Smithson with 12.

Schedule Starts  
On Wednesday, Jan. 9th, all three Stouffville squads entered schedule play against Pickering College. In the Midget game, the "Citadels" couldn't find the range, dropping a low-scoring match, 10-5. They held a 5-4 lead at the end of three-quarters, mainly through the efforts of Paul Lintner. They were unable to stave off a determined P.C. rally and were out-scored 6-0.

The Junior contest produced one of the finest games for the "Celtics" as they over-powered the opposition 59-36. Once again, Jim Hill led the Stouffville cagers, collecting 33 of their points. Gord Powell and Laurie Buckland were the other steady Stouffville performers. To date, this season, the Juniors have averaged 41 points per game as compared with 30 for their rivals.

In the Senior contest, it looked like the "Spartans" were in for a tough fight as half-time produced a meager 23-22 lead. Soon baskets by John Smithson, Mike Paul, Brian Wilkes and Barry McLean had rolled up a 50-41 victory for the wine and white.

Debating Contest  
Selections of the school teams for the J. H. Knowles Trophy Debating League have been finalized. Dawn Grose and Tim Wees are representing Stouffville on the affirmative side of the issue. Barbara Button and Eric Button are debating the negative one. The first round of the inter-school competition was held this week with Bradford providing the opposition. The results are not yet available.

The senior "Spartan" basketball team of Stouffville Dist. High School chalked up an impressive 50-41 victory over Pickering College last week in regular league competition. Pictured here: Mike Paul (44), takes the ball out of the reach of a Pickering College rival (23) in intense mid-game action. —Photo by B. Smith.

I.S.C.F. Party  
Thirty students of S.D.H.S. enjoyed the skating and tobogganing party at the Parkside Youth Centre on Friday night. Guest speaker, Paul Fawcett was in attendance and addressed the group for a short period.

Upcoming Dance  
The Boys' Athletic Association will be sponsoring a sock-hop to-morrow evening in the high school. Dance time is 8:30 p.m. Music will be provided by the Corvells.

### Ajax Girls Display Hockey Skill In Exhibition Game

Ajax girls showed ample reason Friday night why they are known as the best in their class in Ontario. In a brilliant display of skating, passing and shooting, the visitors piled up an 18-goal win over Stouffville before nearly 250 fans.

By an odd twist, it was Stouffville's Irene Watters who clicked for the first shot on the net, but after that it was all Ajax. Gladys Williams accounted for 7 of the visitors' goals. In addition she had six assists for a 13-point night.

Stouffville goaltender, Carol Jagger, was the busiest girl on the ice. She was pelted with pucks from all directions and turned in a fine effort. It was her initial return to duty after suffering a leg injury in the opening game last month. Port Perry girls will be the visitors on Friday night this week, at 9:15 p.m.

The trio of Marlene Malloy, Irene Watters and Ann Sheridan again played well but had trouble getting through a very strong Ajax defence. There were

### Crowder Has Shutout Against Pickering Peewees

The Stouffville Peewees, playing their second game on successive nights, blanked Pickering 8-0 on Friday night in a scheduled OMHA group contest. On Thursday evening, they held a strong Bowmanville club to a 4-4 tie.

Gary Sugden once again led the local squad with 3 goals and 2 assists. Jody Holden counted a pair with singles coming from the sticks of Michael Bridges, Jimmy Wilkins and Billy Nicholson. Harold Crowder guarded the Stouffville net and gained credit for a shutout effort.

In the assist department, Gary Sugden led with two. Other single points were picked up by Shelly Sugden, Bobby Thornhill and Mike Bridges.

### HOLDEN SPARKS PEEWEE RALLY

Jody Holden was the peewee hero on Thursday night as he sparked a mid-game rally to give Stouffville a 4-4 tie with a powerful Bowmanville club in an exhibition game.

At the end of the first period, the local boys trailed 4-0. Gary Sugden broke the ice at 2:10 of the second frame on a pass from Billy Nicholson. Then Holden took over. He teamed up with Jimmy Wilkins for goal number two and fired his team's third tally, three minutes later. In the third period, it was Holden again who hit the target for the tying tally at 2:10. Bobby Thornhill gained credit for an assist.

### PORT PERRY GIRLS HERE ON FRIDAY

Port Perry girls' hockey team will be the visitors on Stouffville ice Friday evening of this week. Game time is 9:15 p.m.

The girls will be featured between two regular Community League contests: Markham vs. Ringwood at 8 p.m. and Greenwood vs. Ballantrae at 10:15 p.m.

On Tuesday night, the girls journeyed to Richmond Hill and dropped a close 1-0 decision to the Yonge St. squad. They will play Ajax in the Whitty arena on Jan. 20th.

## To All Pickering Township Ratepayers

We have reasons to believe that certain conduct in municipal administration in Pickering Township is a fraud on the taxpayer, with deceptive duplicity of interest amongst the Township Reeve Scott, the Assessment Commissioner Goslin, certain members of the Township Council and the Court of Revision for the only apparent purpose of hoodwinking the taxpayer, having for supporters some ten lawyers!! as interested satellites who are milking the Community dry.

We believe that there is no intention on the part of the present council to make any attempt to correct or even mitigate such situation as has been published for over a year in the public press without denial and supplemented with a new galaxy of misbehaviours.

We believe that the time has come when they must be brought to account to the highest tribunal in the land, not only through our courts but to the tribunal of public opinion.

We believe toleration is a virtue to the breaking point but once the breaking point is broken as it has been broken, more toleration is cowardice, evil and vice.

We believe it is the duty of all honest well-meaning taxpayers to rise in indignation and petition the municipal board for the replacement of the Assessment Commissioner Goslin on many grounds amply exposed publicly and as enumerated in our petition, on the grounds of political and administrative morality and discipline.

We believe his level of experience and horizon of ability has not endowed him with those necessary ingredients required of a worthy and competent assessor to be entrusted with \$28,000,000 worth of responsibility.

We believe he has not shown any justification for his eternal presumption that he is empowered to implement certain parliamentary enactments clearly defined by our Legislature under Royal Assent only to be exclusively interpreted to suit his personal convenience and by so doing superimpose himself on the people under the cock-and-bull story that it is the Act that is wrong, while Reeve Scott who could well be said to be Reeve under false pretenses sets out to support him on the ground that the accumulated distress is not caused by the Assessment Commissioner but by a Conservative enactment!!

We believe that there have been gross personal motive and duplicity of interest in Reeve Scott's support of Goslin and his cohorts of the Court of Revision.

We believe the Council mentioned is continually extending its tentacles of influence in the various branches of Township administration such as the Planning Board, financing committees with "understanding" appointments specially selected behind

secret doors ahead of time.

We believe the Scott council can never beat our organization on the levels of honesty, solid integrity and sense of honour, but we also believe we can never beat that council because in their game of politics the dice are loaded and they will say anything, and do anything to justify their apparent frauds on the public. They will resort to reprehensible methods such as were inflicted on our organization at the last council meeting as follows:

And this is something that should come to the attention of the Minister of Municipal Affairs as follows:-

"The Scarborough and Associated Farmers", (remember that it is not even a Pickering Association to be heard here at our expense, but should be heard in Scarborough where they come from) asked to cancel the Court of Revision until they had a galloping meeting supported by Liberal timber at Premier Roberts office!!

That organization was immediately put on the agenda to railroad it into a by-law, that by all appearances was out of order. We suspected this trickery and promptly asked to be heard on the agenda. They could not deny us to be heard but from the authoritative information in our possession Scott promptly lent himself to decide the by-law all by himself in secret!!

Our committee was ahead of time at the Council Chamber and there was no one there whereupon suddenly the Todd-Scott-Scarborough group came in not to be heard openly according to the agenda, but from Scott's office, only to hear what we had to say whereupon they left.

Then after, the Municipal Council passed the by-law to suit the Todd Scott Goslin convenience, as though the council composed of Wank, Greening, Mowbray etc. were just rubber stamps for Scott!!

If that was not a violation of municipal rule of practice, what is?

As St. Gregory would put it "The more they justify their crimes the more conspicuous they make them!!"

We believe every tax-payer should read our expose in next week's Stouffville Tribune to justify our beliefs as above and attend a rally meeting at Brougham Town Hall on February the 6th at 8 p.m., where you will hear notable authorities on assessments together with ministers of the Crown on matters of tremendous interest to all Pickering Township rate-payers. Rural, urban and farmers alike, come early to get a seat.

Robert G. Roy.
