greeted similar hospital funds throughout Ontario. These have enjoyed marked success in realizing their worthwhile objectives as many people prefer such a lasting expression of sympathy. The greatest merit of this Memorial Fund lies in its ability to permit a single tribute to give lasting benefits to so many people. When one realizes the potential of such a fund to enhance the ability of the York Central Hospital to render care, it is easy to understand the success of similar funds.

Memorial cards will be available at all funeral homes in the area, and, in the future, at your hospital. Receipts for all donations will be issued and will be eligible for income tax deduction.

Upon receipt of a memorial card, the York Central Hospital Auxiliary, on behalf of the hospital, will issue a receipt to the donor and advise the relatives of the contribution that has been made. To provide a lasting record of those remembered, a Memorial Book will be kept in the hospital.

Gifts provided through the Memorial Fund will be an enduring tribute by providing a lasting benefit to the sick and injured coming daily to the hospital.

(Contributions may be sent to the York Central Hospital Memorial Fund, c/o Mrs. J. M. Langton, 47 Arnold St., Richmond Hill, Ont.)

Memorial Fund For Hospital

Officials of the York Central Hospital have recently announced the formation of a special Memorial Fund to be directed and supervised by the York Central Hospital Auxiliary.

This fund has been established in answer to donations previously received by the hospital, and has been designed to allow friends and relatives to express sincere sympathy at a time of bereavement through a donation to your hospital. By means of this fund, donors can provide a permanent and lasting memorial by contributing towards the future health care needs of the citizens of York County.

The Memorial Fund has been designed for special hospital equipment which would not otherwise be available through the hospital's operating costs but, which are considered important in providing the highest standard of care and treatment.

In establishing this fund, your hospital is acknowledging the public acceptance which has

Mr. and Mrs. Maurice Eby spent the week-end with the Warnick family of Owen-Sound. On Sunday they attended the dedication service of the new United Missionary Church pastored by Rev. F. Huson, Rev. K. Geiger, general superintendent. The dedication assisted by Rev. Ward Shantz who is remaining for a week of special services.

Miss Helen Johnson of Claremont spent the week-end with the Willard Moyer family.

The bi-monthly evening church service was conducted by Mr. Jim Mann in the absence of Pastor Sloss. Mr. Coulter was again the speaker for the evening, and the Men's Chorus led by Mr. Lambert Stouffer added much to the inspiration of the service.

Mrs. Warren Moyer entertained a few of Norma Jennie's friends at a birthday party last Saturday afternoon.

The W.M.S. group continue their winter activities and the young women presented Mrs. Ray Hawkins with a donation of pyjamas for Sharon and Debbie. Ray showed fine pictures of the printing of Christian Literature by the "Challenge" of Lagos, where he has served a couple of terms.

They plan to return to Nigeria in the near future where he will be in charge of the United Missionary Printing Project.

The Bob McDowell family of Uxbridge had Sunday supper at the R. Moyer home and remained for the church service.

One of the simplest things to understand but the hardest to appreciate when it can do some good is that the time for a person to save money is when he has some.

Just Growing Pains

"Growing pains" are often regarded as an indication that a child's body is stretching in normal growth. These pains may, however, be a symptom of rheumatic fever, a serious disease that attacks during childhood. It affects muscles and joints and frequently involves the heart. A child who shows pallor, loss of appetite and pains should be taken to his doctor.
