## Unionville Phone Users To Get More Free Toll Areas

Most Unionville telephone customers will receive toll-free calling with five additional exchanges including Toronto as the result of the merger of the southern two-thirds of this exchange with Agincourt in 1964. This was announced by W. C. Barnes, Bell Telephone manager for the region, this week.

"In June, 1964, all of the Unionville exchange south from 16th avenue will become part of the Agincourt exchange," Mr. Barnes said. "At that time, these customers will receive Agincourt's local calling area which consists of: Toronto, Scarborough, Willowdale-Don Mills, Thornhill, West Hill, Markham and Gormley."

Of these exchanges, Unionville now has toll-free calling with Markham and Gormley. Stouffville which is part of Unionville's local calling area is not part of Agincourt's which means that toll charges will apply on calls to Stouffville after June, 1964.

If customers adopt the new Greater Toronto local calling plan proposed by Bell this week, Agincourt customers in 1965 will also receive toll-free calling with Western and New Toronto-Islington.

The 1964 and 1965 changes for those customers joining the Agincourt exchange will add more than 900,000 telephones to their local calling area.

Agincourt rates will apply to Unionville customers to be served from that exchange when the transfer takes place in 1964. Slight rate increases would apply in Agincourt in 1965 if the new Greater Toronto plan is approved by customers.

The change from Unionville to Agincourt service will not result in a telephone number change. The remaining part of the

Unionville exchange which includes some 40 customers north of 16th avenue will become part of the Gormley exchange in November of this year. This change will double the number of telephones available to these subscribers on a local calling basis.

Gormley customers in November will have local calling with Stouffville, Richmond Hill, Markham, Agincourt, Clarendon, Thornhill, Oak Ridges and the new exchange of Bethesda (now the northern part of the Gormley exchange).

When the transfer is made in November, customers affected will receive new telephone numbers which will be contained in the 1963 edition of the Aurora-Newmarket-Richmond Hill directory.

Gormley rates will also apply for these customers.

As announced this week, two-way, toll-free calling could be introduced for Gormley customers after 1966 if a substantial number of customers indicate they wish this service.

### Routine Business Occupies Council

It was reported at Whitchurch Township Council Monday that the Ontario Gov. is preparing to amend the Warble Fly Act as in many areas the pest has been eliminated. Council decided to seek the opinion of members of the local Federation of Agriculture before continuing with the annual spray campaign.

A collision between the township snow-plow and a car just north of Island Lake, resulting in a claim for \$885, was referred to the township insurance company.

The Dept. of Highways has authorized the following amounts for road expenditures in 1963: for construction \$30,000, no change from last year; and for maintenance \$115,000, which is an increase of \$5,000.

Reeve Williams and councillor Burnett were appointed as delegates to the Rural Municipal Convention in February. Council authorized the clerk to forward a cheque to solicitor W. G. Parsons in full settlement of the claim of Jas. Barry for damage to plants caused by the township weed spraying. This is the first claim of this nature paid by the township and is not covered by insurance. The amount was \$160 as set by the Dept. of Agriculture.

Council consented to a new Nursery business being established by Jack R. Allen at lot 25, conc. 4 on one hundred acre parcel of land with frontage on the Don Mills Rd.

Requests were received for \$700 from the Recreation secretary for the Aurora Recreation Centre and \$300 for Ball-antrae. This is chiefly for outdoor rink expense.

### Gravel Pits In Pickering Twp. To Be Fenced

Gravel excavations in the Twp. of Pickering, especially those containing a water-filled base were considered to be extremely dangerous to children and the Council, on Monday night, ordered that these premises should be protected by a fence. This was one of the recommendations written into a bylaw.

The fence will be a regular farm-type; 9-strand enclosure, at least four feet in height.

10% Commission  
 A commission of 10 per cent will be paid to real estate firms that complete the sale of township-owned industrial land. The commission figure had previously been set at 5%. On a recorded vote, Deputy Reeve, Mrs. Jean McPherson registered the long negative reply. Councillor W. J. Greening who proposed the increase, suggested that agents would not take the time and trouble to promote land sales in Pickering unless the commission figure was more attractive. The Dept. of Municipal Affairs registered no opposition to the move.

Fee Up \$100  
 Although the benefit of the Ontario Municipal Association was questioned by Deputy Reeve, Mrs. Jean McPherson, the Council agreed to renew membership at a fee of \$100. The figure had previously been set at \$50. "I attended one and I didn't feel I gained \$100 worth out of it or even \$10 to be perfectly honest," said the deputy-reeve. "I feel that all those who favour it, should attend and bring back a report," she concluded.

Make Appointments  
 Mr. Harry Ashton was re-named to the post of Weed Inspector in the township for 1963. Five fenceviewers were appointed—Fred Puckrin, W. H. Carson, Len Gates, Lewis Jones and Walter Milne. Mr. Frank Beelby was named to the poundkeeper's committee. Two livestock valuers were re-appointed—Warren C. Willson and Robt. Malcolm.

A psychologist says that over-trying, in memorizing anything, slows down the process. Take it easier.

Among the most dangerous drivers is the teen-ager driving under the heavy influence of youthful exuberance.

### LEMONVILLE

Mrs. Frank Nibbs who spent a few days in Uxbridge Hospital undergoing surgical treatment is now convalescing at home.  
 Mr. and Mrs. Harold Knights and family of Markham had Sunday evening dinner with Mr. and Mrs. Walter Gray.  
 Mr. Douglas Sayers and friend Mr. Danny Wannamaker of Toronto had dinner with Mr.

and Mrs. Walter Gray on Sunday.  
 Mr. and Mrs. J. Nauta and family had Sunday evening dinner with their cousin, Mr. and Mrs. Ray McKenny, Scarborough.  
 We extend our sympathy to Mr. and Mrs. Charlie Preston on the death of their sister-in-law, Mrs. Fred Hoover of Newmarket.  
 Mrs. Henry Johnson has sold her home. The purchaser is from Toronto.

The Lemonville Church will welcome Mrs. Rose of Toronto as their guest speaker at their Sunday evening service. Miss Lynda Nolan of Stouffville will be guest solist. At this time the executive of the U.C.W. for 1963 will be inaugurated. A wonderful evening of fellowship is planned won't you join us?  
 Dr. and Mrs. S. S. Crouch entertained Mr. and Mrs. Hume MacPherson and Mr. and Mrs. Gus Mowatt to dinner Thursday evening.

day evening.  
 Miss Loveless, primary teacher, is progressing nicely and hopes to be back to school shortly, in the meantime Mrs. J. Rae is substituting.  
 Mr. and Mrs. MacFarlane, Mr. and Mrs. D. Cleo, Mr. and Mrs. Glen Evans and Mr. and Mrs. Grant Wells spent Friday evening in Unionville.  
 At the annual church meeting a delicious 'pot luck' supper was enjoyed by all, after which

the adults returned to the church auditorium and the children were entertained in the Sunday School room. Mr. H. MacPherson presented the United Church Crest, framed in black, to be hung in the church on behalf of himself and his wife.  
 Mrs. S. Rae is home after spending several weeks with her daughter, Mrs. Pagnello of Scarborough while convalescing.  
 Take note of the ad announcing our cook books are now ready for distribution.

## As a truck man, you'll know

the "EXTRA VALUE" in every GMC truck!

When men who know trucks, talk trucks, you'll hear about GMCs. They count on GMC for rugged durability. New GMC ladder frames have extra strength built right in, yet still give you needed flexibility for off-road work.  
 From 1/2 to 60 tons—built for Canadian jobs

GMC variable-rate springs give you the spring action you need for top load-carrying ability. And you'll find GMC power teams are built to give you the best in economy and long life. You get true truck value in a GMC. See your GMC dealer.  
 There's "EXTRA VALUE" in every GMC Truck!
