

# Clippers Tie Series With Orangeville; Goalie Scores "Clincher" In Own Net

If there was ever a hockey player who would have elected to do a disappearing act inside the confines of his cage, it was Orangeville's padded puck-stopper Larry Stone, in the second game of the group playoff finals on Tuesday night. He backhanded a shot into his own net at 16:15 of the third period, a goal that proved to be the "clincher" in a 5-3 Stouffville victory.

The oddity, that is seldom seen even in minor ranks, occurred after John Roxborough of the Clippers slapped a fifty foot drive off the back boards in the Orangeville end zone. The puck rebounded back to the corner of the crease and in attempting to clear it, goalie Stone deposited the disk neatly in the corner of his net. The visitors, momentarily stunned by the strange turn of events failed to muster any dangerous front-line drives in the four remaining minutes.

**Strong Game**  
Although Roxborough's tally could be classed only as a "fluke", the goal couldn't have been credited to a more deserving player. The chunky rearguard has strengthened the Stouffville defence since his timely return to the roster and his all-out effort in Tuesday's tilt was one of the bright spots in the game. The only blueline "rusher" in the Clipper lineup, he also showed the 350 fans that he can also "hand it out" when he rolled winger Bill Hunter of Orangeville with the best check of the night. Larry Garner, another head-up player, actually counted the would-be winner for the homesters at 12:20 of the third period. Other Clipper goals came from the sticks of Grant Foreman, John Saunders and Allan Boyd. Deorwin Storey, Wayne Watson and Bill Hunter were the Orangeville marksmen. The third game is in Orangeville on Saturday night with the fourth back on Stouffville ice next Tuesday.

**Good Position Team**  
Orangeville played their positions well and their passing attack was superior to Stouffville's front-line offensive. Two of their tallies were breakaway efforts that caught the Clipper defence flat-footed. Goalie Glenn Jackson was afforded little or no protection at times and held the fort like a "lone soldier" on many three-man breaks. Up front, Stouffville also lacked the drive that was so outstanding in the fourth game with Aurora. They appeared tired after a gruelling string of four games in eight nights. The trio of Foreman, Boyd and Garner was going best for Stouffville. Boyd's tally at 6:50 of the third period came on a beautiful backhand shot that clipped inside the top corner of the Orangeville cage. The Garner line figured in three of Stouffville's five goals. The scoring follows:

5—Foreman - Boyd	18:14
0—Storey - Robertson - Evans	10:09
S—Saunders - Corner - Hood	18:08
0—Hunter - Poynter	2:30
S—Boyd - Garner - Armstrong	6:50
0—Watson	8:25
S—Garner - Foreman - Armstrong	12:20
S—Roxborough	16:15

# Topple Aurora 7-2 Foreman Nets Three

Grant Foreman

Some great goaltending by Stouffville's Glenn Jackson and deadly marksmanship by left-winger Grant Foreman spearheaded a Clipper drive on Thursday night that advanced them past Aurora into the O.H.A. Jr. "C" group finals.

It was Foreman who gave the homesters a first period lead and although it was threatened on several occasions, the visitors couldn't even get the count. Larry Garner, Ken Beckett, Travis Suggden and Barry McLean were the other Stouffville goal-getters. Gord Burbridge potted a pair for Aurora.

Although the Clippers outshot Aurora 32 to 23, it was the agile

"Stoney" Jackson who came up with the "big" saves and preserved the Stouffville lead. His most brilliant stop was on a direct drive from the stick of Burbridge in the early minutes of the first frame. His left glove nipped the puck out of the air as it sifted toward the top corner of the cage. That could have been classed as the turning point of the contest. The trio of Foreman, Garner and Boyd took over the front-line spotlight and collected four of the team's seven tallies. At the bell, the score was Stouffville 7, Aurora 2.

Stouffville's shooting was erratic on Aurora ice in the previous game but Aurora's marksmanship was even worse. In Thursday's tilt, both Roy Fugh and Charlie Leeming missed the target on point-blank drives.

It took more than two hours to complete the contest which was interrupted repeatedly in the third period by showers of programs and fistic encounters. Jim Hood of Stouffville and Terry Stone of Aurora were pegged with five minute majors late in the game. They were followed to the showers by John Saunders of the Clippers and Bob Brendon of the Tigers.

John Roxborough returned to the Stouffville lineup and was used on defence by coach Geo. Stark. He played amazingly well in spite of a lengthy layoff.

The season's largest crowd, close to 600 fans, watched the game.

# Pewee Playoff Hopes Ended By Unionville

Stouffville's march along the Provincial playoff trail was rather short-lived, this week when they dropped a home and home, goals-to-count series to Unionville, 3-2 and 2-0.

Each of the local all-star clubs is now out of the Ontario playoffs, the bantams and midgets succumbing earlier in the season.

The peewees, who had established a fine record in schedule competition, ran into a solid Unionville team that was fresh from an extended series with Alliston.

In the series opener in Stouffville, the homesters appeared a trifle timid for two periods and allowed the visitors to run up a 3-0 lead. Stouffville rallied for a pair in the final frame. Jody Holden and Jim Wilkins were the local marksmen. Steve Murray, John Harris and Bill Barbour were the Unionville goal-getters. In the return tilt on Unionville ice, Friday night, Stouffville failed to find the target for a single tally.

Unionville's Mike Roxborough turned in a fine effort for the winners and the very presence of this stalwart 140 pound peewee rearguard on the ice was a deterrent to Stouffville's front-line attack. Harold Crowder guarded the Stouffville net with Rick Harnish working between the pipes for Unionville.

In another close contest, Canadiens edged Chicago 2-1. Harold Watters and Neil Brown blinked the light for Montreal. Donnie Roberts was the lone goal-getter for the Hawks.

and Brian McGrath each fired one. Frank Hill drew an assist on Brian McGrath's tally.

Alvin Lehman and Joe Taylor fired singles. David Boyd was the big gun for the Motormen with two. Wayne Jackson picked up an assist on his last tally.

The second Bantam game was a real thriller. Chicago edged Detroit 4-3. Bruce Mehaffey earned himself the player of the week award with a fine effort. He fired three of the Hawks' four tallies. Rick Roderman notched one. Barry Timbers collected two assists. For the "Red Wings" it was the combination of John Heaton and Stephen Hall who led the attack. Heaton

# Senior Girls Win Georgian Bay Basketball Title

The senior girls' basketball team of Stouffville Dist. High School have marched through to their first Georgian Bay Title. They accomplished the feat on Saturday at Stayner by beating Uxbridge 27-16 and then winning out over Stayner in a real thriller. The Stayner club actually defeated themselves when they "fouled out" late in the contest with the score deadlocked 24-24. Marion Eyer, a season-long star for Stouffville, continued her fine effort on Saturday and collected a total of 29 points in the twin-bill. Other members of the team include—Ann Sheridan, Elizabeth Stover, Marilyn Pattenden, Barbara Button, Gail Nelson, Christine Grant and Heather Smith. Their chief coach and trainer is the much-envied Brian Wilkes.

**A Good Year**  
Those closest to the basketball front lines have suggested that the season has been one of the best in the high school's history. There were some disappointments, however. On Monday, Feb. 25th, the midget boys lost out to Woodbridge in a playoff for the division title. The junior boys were defeated in the Georgian Bay finals and a similar fate befell the junior girls. At Orillia on Saturday,

the senior boys gained a split in the Blackball Tournament. The midgets bowed to Woodbridge, 39-9. Mike Reed, Raymond Rioux and Dwight Kreick were the marksmen for the losing side.

The junior boys lost to Uxbridge 48-37 at Sutton on Saturday. Gord Powell hooped 12 points and Robt. Mole counted 7; but it was not enough. Uxbridge, the champions, outplayed Stouffville throughout most of the contest.

The junior girls were beaten by Sutton, 39-26. Sutton held an edge in height which proved to be a decided advantage.

The senior boys closed out their season with a win and a loss in the Orillia tourney. They defeated Orillia 64-49 and then lost to Osoyois Collegiate 57-40. John Smithson picked up 60 points on the day. Mike Paul contributed 23.
